

Good afternoon, Chair Houghton, Rep. McFaun, and Rep. Black,

Thank you, and the entire House Health Care Committee, for having the Department in to testify on H.766 today. I have attached Sandi's testimony in written format, and I have included answers to some of the requested follow-ups from the Committee below:

Here are the Clinical Utilization Review Board (CURB) minutes: [Clinical Utilization Review Board | Department of Vermont Health Access](#)

For a provider looking to see if a prior authorization is required, they would generally use the fee schedule posted here:

Additionally, I have attached our policy team's review of the final rule from CMS as of yesterday which Sandi referenced at the beginning of her testimony.

Thank you again, and please let me know if there are additional questions we can assist with.
