

I want to live outside of my parents' home.

I want to be able to choose who I live with.

I want to be able to choose what kind of apartment or house I live in.

I want to live in a safe neighborhood

I want to have the support I need to be safe and healthy in my home.

I want to live where I can walk or take the bus to the grocery store, my job, the movies, and the gym or park.

I want to live near my family and the people that love me.
