Hello my name is Silas Callison I am 23 years old and I live in Burlington with my parents who are in their 60's all of my life I have tried to be as independent as I can be In 2023 I have graduated from UVM's Think College program and now I work as a part time employee at the Dining Hall on the main campus for 4 days a week my hope is to move into my own apartment soon but more service supported housing is so much needed in Vermont so that way my peers and I can have housing options please support legislation that will create more safe and stable permanent housing for people or persons with disabilities like me
