Dear Representative Lalonde,

My name is Glenn Walter,

I have owned and operated the 3 Needs, a bar, ex brewpub in Burlington for the past 27 years. I am writing to ask you to please support H.288.

I am currently in the process of trying to renew my liquor liability insurance. As you may know this process has become very difficult, as the number of companies offering liquor liability insurance is drying up, and the ones that are offering it are pricing as a monopoly.

Please move this bill forward towards liability on negligence rather than the current, strict liability.

I appreciate your time and effort on this matter.

If you would like to speak on this, or have any further questions, please feel free to reach out.

Thank You,

Glenn Walter
