[PROPOSED ADDITIONAL SECTION]

* * * Municipal and Regional Support for a Route 5 Bicycle Corridor * * *

Sec. 27a. SUPPORT FOR A ROUTE 5 BICYCLE CORRIDOR; SURVEY
REPORT

(a) The Agency of Transportation, in partnership with regional planning commissions through the annual Transportation Planning Initiative, shall conduct a survey of municipal support for the creation of a bicycle corridor—consisting of one or more segments of bicycle lanes or bicycle paths, or both—to provide a safe means of travel via bicycle on or along a route that is roughly adjacent to U.S. Route 5 for the approximately 190 miles spanning between the State border with Massachusetts and the State border with Quebec, Canada.

(b) The survey shall address the level of interest of municipalities and regional planning commissions in prioritizing the creation of a bicycle corridor along some or all of U.S. Route 5, including the consideration of the costs of creation and benefits to the tourism industry in Vermont in general and to the municipalities along U.S. Route 5 in particular.

(c) The Agency shall provide a report on outcome of the survey to the House and Senate Committees on Transportation on or before January 15, 2024.
