

VTrans Municipal Programs Related to Resilience

Program		Activities	Max \$	Funding Type	Funding Source	Funding Split	SFY 25 Proposed	
Municipal Mitigation	Better Roads	Category A	Planning; Road Erosion Inventories related to MRGP Compliance	\$8,000 max	Competitive Grant	State CWF ¹	80/20	\$1,000,000
		Category B	Project that corrects erosion and/or stormwater retrofit	\$20,000 max	Competitive Grant	State CWF + TFund	80/20 ²	\$1,000,000 CWF project; \$440,000 TFund
		Category C	Project that corrects streambank, lakeshore or other slope erosion	\$40,000 max	Competitive Grant		80/20 ²	
		Category D	Structure/culvert upgrades or replacement.	\$60,000 max	Competitive Grant		80/20 ²	
	Grants In Aid		Implementation of BMPs for MRGP Compliance	--	Grant via a formula	State CWF	80/20 ²	
MHSWMP		In-stream culvert replacements, stormwater treatment related to highway runoff	None	Competitive Grant	Federal	80/20	\$1,428,000	
Transportation Alternatives		Stormwater runoff management	\$600,000 max	Competitive Grant	Federal	80/20	50% of \$4,300,000	
TH Structures		Maintenance and construction of short bridges, culverts, retaining walls	\$200,000 max	Competitive Grant	State TFund	Up to 90/10 ³	\$7,400,000	
TH Class 2		Preliminary engineering and construction for reconstruction of Class 2 THs	\$200,000 max	Competitive Grant	State TFund	Up to 80/20 ³	\$8,858,000	
TH Bridge		Major rehabilitation, reconstruction, replacement, elimination of bridges on Class 1, 2, or 3 THs	None	Formula	Mix of Federal and State	Up to 90/10 ³	\$45,000,000	
TH non-federal Disasters		Repair, reconstruction, or replacement of highways, bridges, an culverts for damage by natural or man-made events	None	Grant	State	Generally 90/10	\$1,150,000	
FHWA ER Program		Repair, reconstruction, or replacement of highways, bridges, an culverts for damage by natural or man-made events	None	Grant	Federal	100% Fed ER, ~80/10/10 Fed PR	Event Dependent ⁴	

1 Program began with FHWA funds but will be Clean Water Fund (CWF) for SFY 25

2 Local match can be in-kind through labor, equipment , materials

3 Local match required decreases by 10% if a town has adopted Codes and Standards

4 July 2023: approximately 86 grants, \$9.4M (finalizing estimate for repairs - likely to increase significantly)
