2 Representative Sims moves that the report of the Committee on  
3 Environment and Energy be amended in Sec. 2, 10 V.S.A. chapter 164B  
4 (collection and management of household hazardous products) as follows:

5 First: in subdivision 7183(b)(3), by adding a new sentence after “solid  
6 waste planning entities” to read:

7 The plan shall make efforts to site points of collection equitably across all  
8 regions of the State to allow for convenient and reasonable access of all  
9 Vermonters to collection facilities or collection events.

10 Second: In subdivision 7185(a)(2), after “of covered household hazardous  
11 products collected.” and before “the disposition of the collected covered  
12 household hazardous products” by inserting the words “the volume or weight  
13 of covered household hazardous products collected at each collection facility  
14 or collection event”

15 Third: in subdivision 7185(b), by inserting a new sentence between the  
16 third and fourth sentences to read:

17 The auditor shall examine the effectiveness of the plan in satisfying the  
18 requirement of this chapter that all Vermonters have convenient and reasonable  
19 access to collection facilities or collection events.
