Re: Penn Sports Interactive, LLC, VT Sports Wagering Proposal

The Office of Purchasing and Contracting (OPC) regrets to inform you that your bid was found to be non-compliant. The State of Vermont received your bid on September 6th, 2023, at 11:52am. Your bid was opened and reviewed after the bid deadline, and it was found that it did not include the following required items:

- Litigation Bond, per the requirement identified in Appendix A, Section A.13 of the RFP and further confirmed following Addendum #1, Item 8
- Sample House Rules, per the requirement identified in Appendix D, Section D.2.5 of the RFP and further confirmed following Addendum #1, Item 8
- GLI-33 Certification, per the requirement identified in Section 4.8 of the RFP

Due to the items, as identified above, not being included in your proposal it was found to be materially non-compliant and could not be considered.

We thank you for your interest in working with the State of Vermont and hope you will consider bidding on future State RFPs.

Sincerely,

A handwritten signature in black ink that reads "Deborah Damore".
