15 Sec. 5. 24 V.S.A. § 1891 is amended to read:

16 § 1891. DEFINITIONS

17 ~~When~~ As used in this subchapter:

18 \* \* \*

19 (4) “Improvements” means the installation, new construction, or  
20 reconstruction of infrastructure that will serve a public purpose and fulfill the  
21 purpose of tax increment financing districts as stated in section 1893 of this

1 subchapter, including utilities, transportation, public facilities and amenities,  
2 land and property acquisition and demolition, and site preparation.

3 “Improvements” also means the funding of debt service interest payments for a  
4 period of up to two years, beginning on the date on which the first debt is  
5 incurred.

6 \* \* \*

7 (7) “Financing” means debt incurred, including principal, interest, and  
8 any fees or charges directly related to that debt, or other instruments or  
9 borrowing used by a municipality to pay for improvements in a tax increment  
10 financing district, only if authorized by the legal voters of the municipality in  
11 accordance with section 1894 of this subchapter. Payment for the cost of  
12 district improvements may also include direct payment by the municipality  
13 using the district increment. However, such payment is also subject to a vote  
14 by the legal voters of the municipality in accordance with section 1894 of this  
15 subchapter and, if not included in the tax increment financing plan approved  
16 under subsection 1894(d) of this subchapter, is also considered a substantial  
17 change and subject to the review process provided by subdivision 1901(2)(B)  
18 of this subchapter. If interfund loans within the municipality are used as the  
19 method of financing, no interest shall be charged. Bond anticipation notes may  
20 be used as a method of financing; provided, however, that bond anticipation

1 notes shall not be considered a first incurrence of debt pursuant to subsection  
2 1894(a) of this subchapter.

3 \* \* \*

4 (9) “Active district” means a district that has been created pursuant to  
5 subsection 1892(a) of this subchapter, has not been terminated pursuant to  
6 subsection 1894(a) of this subchapter, and has not retired all district financing  
7 or related costs.

8 Sec. 6. 24 V.S.A. 1892 is amended to read:

9 § 1892. CREATION OF DISTRICT

10 \* \* \*

11 ~~(d) The following municipalities have been authorized to use education tax~~  
12 ~~increment financing for a tax increment financing district:~~

13 ~~(1) the City of Burlington, Downtown;~~

14 ~~(2) the City of Burlington, Waterfront;~~

15 ~~(3) the Town of Milton, North and South;~~

16 ~~(4) the City of Newport;~~

17 ~~(5) the City of Winooski;~~

18 ~~(6) the Town of Colchester;~~

19 ~~(7) the Town of Hartford;~~

20 ~~(8) the City of St. Albans;~~

21 ~~(9) the City of Barre;~~

4        Sec. 8. 24 V.S.A. § 1896 is amended to read:

5        § 1896. TAX INCREMENTS

6        (a) In each year following the creation of the district, the listers or assessor  
7        shall include ~~no~~ not more than the original taxable value of the real property in  
8        the assessed valuation upon which the treasurer computes the rates of all taxes  
9        levied by the municipality and every other taxing district in which the tax  
10        increment financing district is situated; but the treasurer shall extend all rates  
11        so determined against the entire assessed valuation of real property for that  
12        year. In each year ~~for which the assessed valuation exceeds the original~~  
13        ~~taxable value~~, the municipality shall hold apart, rather than remit to the taxing  
14        districts, that proportion of all taxes paid that year on the real property in the  
15        district ~~which~~ that the excess valuation bears to the total assessed valuation.

16        The amount held apart each year is the “tax increment” for that year. ~~No~~ Not  
17        more than the percentages established pursuant to section 1894 of this  
18        subchapter of the municipal and State education tax increments received with  
19        respect to the district and committed for the payment for financing for  
20        improvements and related costs shall be segregated by the municipality in a  
21        special tax increment financing account and in its official books and records

1 until all capital indebtedness of the district has been fully paid. The final  
2 payment shall be reported to the treasurer, who shall thereafter include the  
3 entire assessed valuation of the district in the assessed valuations upon which  
4 municipal and other tax rates are computed and extended and thereafter no  
5 taxes from the district shall be deposited in the district's tax increment  
6 financing account.

7 \* \* \*

8 (e) In each year, a municipality shall remit not less than the aggregate tax  
9 due on the original taxable value to the Education Fund.

10 Sec. 9. 32 V.S.A. § 5404a is amended to read:

11 § 5404a. TAX STABILIZATION AGREEMENTS; TAX INCREMENT  
12 FINANCING DISTRICTS

15 located if the agreement or exemption is:

16 \* \* \*

18 under subsection (a) of this section shall reduce the municipality's education  
19 property tax liability under this chapter for the duration of the agreement or  
20 exemption without extension or renewal, and for a maximum of 10 years. A  
21 municipality's property tax liability under this chapter shall be reduced by any

1 difference between the amount of the education property taxes collected on the  
2 subject property and the amount of education property taxes that would have  
3 been collected on such property if its fair market value were taxed at the  
4 equalized nonhomestead rate for the tax year.

5 (2) Notwithstanding any other provision of law, if a municipality has  
6 entered into an agreement that reduces the municipality’s education property  
7 tax liability under this chapter and the municipality establishes a tax increment  
8 financing district under 24 V.S.A. chapter 53, subchapter 5, the municipality’s  
9 municipal and education tax increment shall be calculated based on the  
10 assessed value of the properties in the municipality’s grand list and not on the  
11 stabilized value.

12 \* \* \*

13 (f) A municipality that establishes a tax increment financing district under  
14 24 V.S.A. chapter 53, subchapter 5 shall collect all property taxes on properties  
15 contained within the district and apply not more than 70 percent of the State  
16 education property tax increment, and not less than 85 percent of the municipal  
17 property tax increment, to repayment of financing of the improvements and  
18 related costs for up to 20 years pursuant to 24 V.S.A. § 1894, if approved by  
19 the Vermont Economic Progress Council pursuant to this section, subject to the  
20 following:

1           (1) In a municipality with one or more approved districts, the Council  
2 shall not approve an additional district until the municipality retires the debt  
3 incurred for all of the districts in the municipality.

4           (2) The Council shall not approve ~~more than six districts in the State,~~  
5 ~~and not~~ a district if it will result in the total number of active districts, as  
6 defined in 24 V.S.A. § 1891(9), exceeding the limit set forth in 24 V.S.A.  
7 § 1892(d) and shall not approve more than two per county, provided:

8           ~~(A) The districts listed in 24 V.S.A. § 1892(d) shall not be counted~~  
9 ~~against the limits imposed in this subdivision (2).~~

10           ~~(B)~~ (B) The Council shall consider complete applications in the order  
11 they are submitted, except that if during any calendar month the Council  
12 receives applications for more districts than are actually available in a county,  
13 the Council shall evaluate each application and shall approve the application  
14 that, in the Council’s discretion, best meets the economic development needs  
15 of the county.

16           ~~(C) If, while the General Assembly is not in session, the Council~~  
17 ~~receives applications for districts that would otherwise qualify for approval~~  
18 ~~but, if approved, would exceed the six district limit in the State, the Council~~  
19 ~~shall make one or more presentations to the Emergency Board concerning the~~  
20 ~~applications, and the Emergency Board may, in its discretion, increase the six-~~  
21 ~~district limit.~~

(j)(1) Authority to adopt rules. The Vermont Economic Progress Council is hereby granted authority to adopt rules in accordance with 3 V.S.A. chapter 25 for the purpose of providing clarification and detail for administering the provisions of 24 V.S.A. chapter 53, subchapter 5 and the tax increment financing district provisions of this section. The rule shall not permit the Council to approve any substantial change request that results in a municipality needing to extend the period to incur debt or retain education property tax increment. From the date the rules are adopted, the municipalities with districts in existence prior to 2006 are required to abide by the governing rule and any other provisions of the law in force; provided, however, that the rule shall indicate which specific provisions are not applicable to those districts in existence prior to January 2006.

1 Economic Progress Council, Tax Increment Financing Districts Rule (CVR 11-  
2 030-022)) to require that the Council shall only approve a municipality’s  
3 substantial change request if approval does not result in the municipality  
4 needing to extend the period to incur debt or retain education property tax  
5 increment for its tax increment financing district.

6 (b) Prior to the amendment of the rule described in subsection (a) of this  
7 section, the Vermont Economic Progress Council shall not approve a  
8 municipality’s substantial change request if approval results in the municipality  
9 needing to extend the period to incur debt or retain education property tax
