

To the Judicial Retention committee,

I am a Vermont attorney with over 20 years of practice, and have appeared in front of Judge Jiron several times. While waiting for my hearings, I have heard Judge Jiron address numerous other cases.

Judge Jiron has always been incredibly well prepared, aware of every relevant detail, and Judge Jiron understands the ins and outs and nuances of each case.

Judge Jiron listens to both sides, State and Defense, with wisdom and patience. Judge Jiron makes his rulings after pondering all the variables, facts, and legal arguments. Sometimes Judge Jiron rules for the State, and sometimes for the Defense, and with a highly articulate explanation as to why he is ruling the way he is.

Judge Jiron is respectful and polite to litigants and attorneys.

He exudes humility, insight, thoughtfulness and fairness.

Judge Jiron exemplifies what Justice is all about.

It is an honor for me to appear before him.

Very Truly Yours,

Gertrude (Trudy) Miller
