

VT DOC Restorative Services RFP Logic Model

Inputs

- Act 180 (pre-arraignment restorative panels will no longer be included in the DOC grant-funded scope of work)
 - 28 V.S.A. § 2a (Restorative Justice state policy)
 - 28 V.S.A. § 101 (Restorative Justice grants)
 - 28 V.S.A. § 12 (Community Reparative Boards)
 - Legislative focus on geographic justice
- Updated DOC Vision, Mission, and Values: [About Us | Department of Corrections \(vermont.gov\)](#)
- New DOC Strategic Plan: [2024-2030 Corrections Strategic Plan.pdf \(vermont.gov\)](#)

Activity

- Statewide Request for Proposals (RFP) for FY26 Community and Restorative Justice Services
 - Planned release date of October 25th, 2024

Outputs

- Services delivered through a regional structure in partnership with corresponding DOC Correctional Facilities, Probation & Parole Offices, and District Courts
 - Statewide service capacities:
 - Facility-based Restorative Justice program development
 - Reentry Navigation
 - Circles of Support and Accountability (COSA)
 - Post-Adjudication Reparative Panels (with or without Probation)

Outcomes

- Compliance with State statutes
- Equitable allocation of resources
- Transparency and consistency within DOC community and restorative grant making practices
- Intentional service system design within the bounds of DOC resources and authority

Impact

- Statewide community and restorative justice services effectively support DOC Vision to create safety and equity by seeing potential, supporting change, and serving communities

VT DOC Restorative Services RFP Dataset

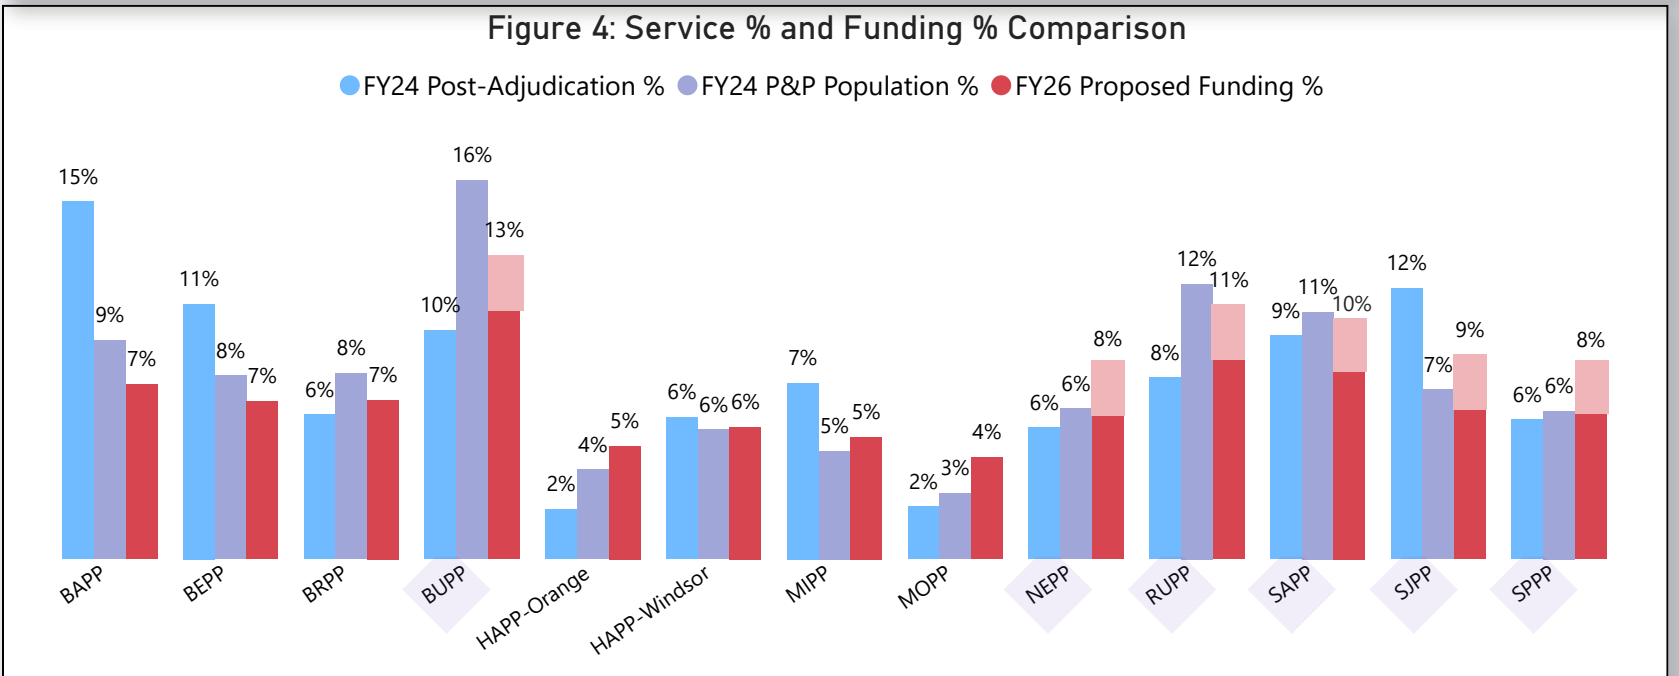

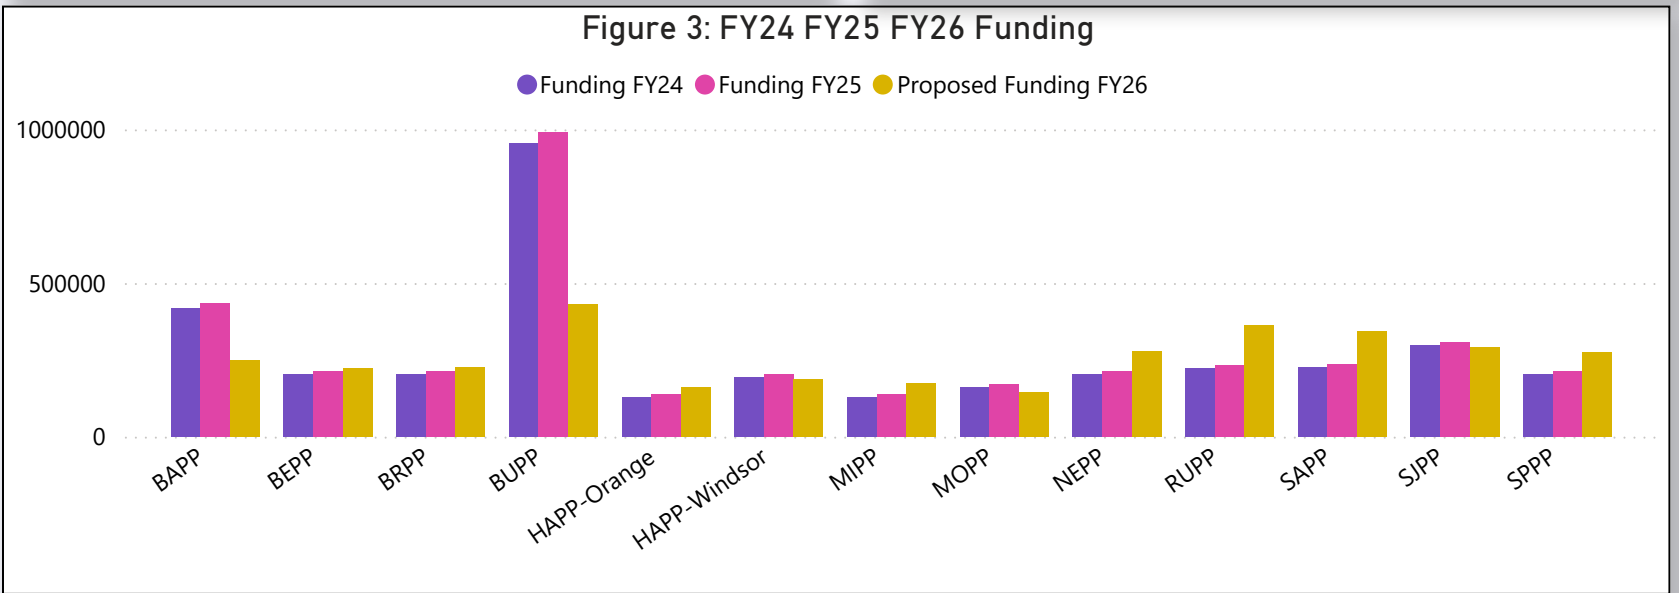

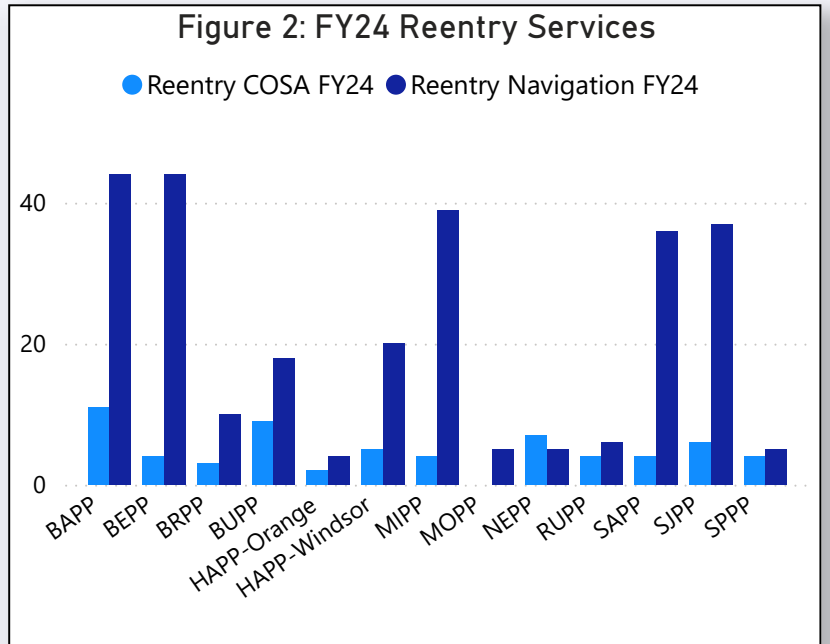

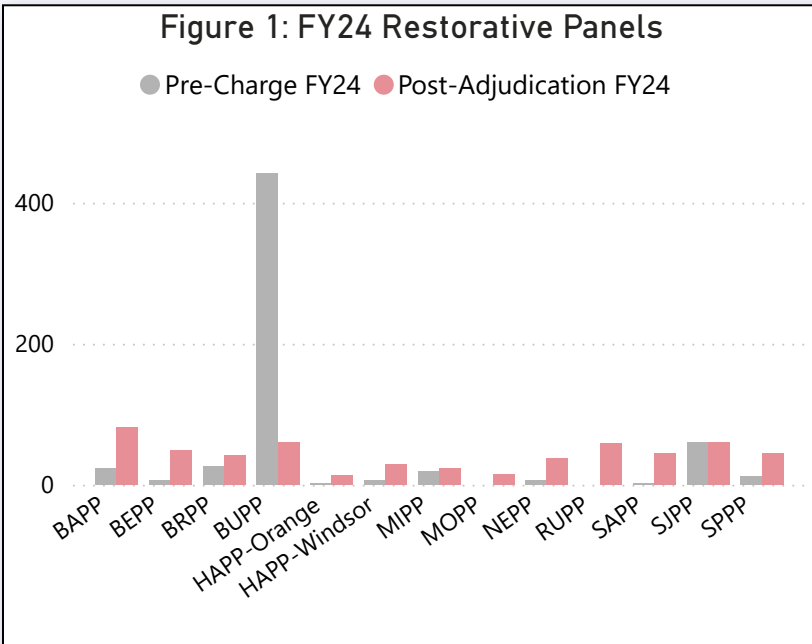

Figure 1: Shows the extreme number of Pre-Charge Restorative Panels handled by BUIPP, which was reflected in their funding. However, their Post-Adjudication is no larger than other offices. **Figure 2:** Shows the reentry services by office. **Figure 3:** Shows FY24 Funding, FY25 Funding, and Proposed FY26 Funding. With the removal of Pre-Charge responsibilities, BUIPP's FY26 will be more equitable with the other offices. **Figure 4:** A culmination of the first three figures, this graph shows the responsibilities and funding of each office relative to the total for all offices. Generally, the FY26 funding will align with the proportion of the P&P population each office handles. Each office highlighted purple has a correctional facility, and the light red at the top of the bars reflects the \$75,000 funding for those facility-connected offices.

Vermont Probation & Parole Offices

See below for a list of Vermont's probation and parole offices and their location.

Barre Probation and Parole (BAPP):

Location: Barre, VT

Middlebury Probation and Parole (MIPP):

Location: Middlebury, VT
