4 respectfully reports that it has considered the same and recommends that the
5 bill be amended by striking out all after the enacting clause and inserting in
6 lieu thereof the following:

7 Sec. 1. 32 V.S.A. chapter 247 is added to read:

8 CHAPTER 247. TELEVISION ASSESSMENT

9 § 10601. FINDINGS; PURPOSE

10 (a) The General Assembly finds:

11 (1) In recent years, there has been significant growth of high-bandwidth
12 entertainment content delivered over communications networks.

13 (2) Substantial public investments, both State and federal, have been
14 made to promote communications network deployment and the adoption of
15 essential services delivered over those networks, such as telecommunications
16 and broadband.

17 (3) Government has long recognized that these networks and services
18 are essential because they provide end users access to critical services, such as
19 educational, governmental, employment, public safety, and health care
20 services.

1 (b) The purpose of this chapter is to establish a comprehensive statewide
2 mechanism for requiring equitable contributions from cable television
3 companies and television streaming providers to support public benefits and
4 services, including those in the communications sector.

10 the State. A service provider shall pay an assessment equal to five percent of
11 the provider’s gross receipts derived in or from such services.

12 (b) Gross receipts pursuant to this section shall be determined by the
13 customer’s place of primary use of the service and, if that location cannot be
14 determined with available information or a reasonable inquiry, shall be
15 determined by the customer’s billing address.

16 (c) The assessment created under this section shall be for each year, or part

9 the provider is subject to the assessment under this section.

10 (d) The Commissioner may examine and audit a return required under this
11 section for a period equal to the latter of three years from the date the return

15 Commissioner may require service providers subject to the assessment under
16 this section to keep and preserve records of its business in any form as the
17 Commissioner may require for a period of three years, except that the
18 Commissioner may consent to their destruction within that period or may
19 require that they be kept longer.

20 § 10604. DEPOSIT AND ALLOCATION OF REVENUE

1 The revenue from the assessment imposed under this chapter shall be
2 deposited in the General Fund. Annually, the General Assembly shall
3 appropriate a portion of the revenue to the Secretary of State to administer and

7 available throughout the State.
