

Hello,

My name is Ann Greenan Naumann. I live in Richmond,VT.

I am writing to express SUPPORT for 10.82 million for the implementation of the pilot planning grant housing begun by Act 186. I support developing a pipeline for funding the annual development of stable, service-supported housing for adults with developmental disabilities. Since the Brandon training school closed in 1993, there has been virtually no money invested by the State in service supported housing for adults with I/DD. This is by far the MOST vulnerable population, yet they have been receiving the least attention and services from the state. This population tends to NOT have a voice at the table.

Thank you

Ann Greenan Naumann
