2 Sec. 24. FINDINGS

3 The General Assembly finds that:

4 (1) Vermont established the Residential Building Energy Standards
5 (RBES) in 1997 and the Commercial Building Energy Standards (CBES) in
6 2007. The Public Service Department is responsible for adopting and updating
7 these codes regularly but does not have the capacity to administer or enforce
8 them.

9 (2) The RBES and CBES are mandatory, but while municipalities with
10 building departments handle some aspects of review and inspection, there is no
11 State agency or office designated to interpret, administer, and enforce them.

12 (3) The Division of Fire Safety in the Department of Public Safety is
13 responsible for development, administration, and enforcement of building
14 codes but does not currently have expertise or capacity to add administration or
15 enforcement of energy codes in buildings.

16 (4) Studies in recent years show compliance with the RBES at about 54
17 percent and CBES at about 87 percent, with both rates declining. Both codes
18 are scheduled to become more stringent with the goal of “net-zero ready” by
19 2030.

20 (5) In December 2022, the U.S. Department of Energy issued the
21 Bipartisan Infrastructure Law: Resilient and Efficient Codes Implementation

1 Funding Opportunity Announcement. The first \$45 million of a five-year \$225
2 million program is available in 2023. Vermont’s increased code compliance
3 plans should include contingencies for this potential funding.

4 Sec. 25. ENERGY CODE COMPLIANCE; STUDY COMMITTEE

5 (a) Creation. There is created the Building Energy Code Study Committee
6 to recommend strategies for increasing compliance with the Residential
7 Building Energy Standards (RBES) and Commercial Building Energy

10 expertise, to include program design and implementation, building code
11 administration and enforcement, and Vermont’s construction industry. The
12 Speaker of the House shall appoint three members, including up to one
13 legislator. The Committee on Committees shall appoint two members,
14 including up to one legislator. The remaining members shall be the following:

15 (1) the Commissioner of Public Service, or designee;

16 (2) the Director of Fire Safety, or designee;

17 (3) a representative of Efficiency Vermont;

18 (4) a representative of American Institute of Architects–Vermont;

20 Association;

21 (6) a representative the Burlington Electric Department;

2 (8) a representative of the Association of General Contractors of
3 Vermont;

4 (9) a representative of the Vermont League of Cities and Towns; and

5 (10) a representative from a regional planning commission.

6 (c) Powers and duties. The Committee shall consider and recommend
7 strategies to increase awareness of and compliance with the RBES and CBES,
8 including designation of the Division of Fire Safety (DFS) in the Department
9 of Public Safety as the statewide authority having jurisdiction for
10 administration, interpretation, and enforcement, in conjunction with DFS'
11 existing jurisdiction, over building codes.

12 (d) Assistance. The Committee shall have the administrative, technical,
13 and legal assistance of the Department of Public Service. The Department
14 shall hire a third-party consultant to assist and staff the Committee **which may**
15 **be funded by monies appropriated by the General Assembly or any grant**
16 **funding received.**

17 (e) Report. On or before December 1, 2023, the Committee shall submit a
18 written report to the General Assembly with its findings and recommendations
19 for legislative action.

20 (f) Meetings.

1 (1) The Department of Public Service shall call the first meeting of the
2 Committee to occur on or before July 15, 2023.

3 (2) The Committee shall elect a chair from among its members at the
4 first meeting.

5 (3) A majority of the membership shall constitute a quorum.

6 (4) The final meeting shall be held on or before October 31, 2023. The
7 Committee shall cease to exist on December 1, 2023.

8 (g) Compensation and reimbursement.

9 (1) For attendance at meetings during adjournment of the General
10 Assembly, a legislative member of the Committee serving in the legislator's
11 capacity as a legislator shall be entitled to per diem compensation and
12 reimbursement of expenses pursuant to 2 V.S.A. § 23 for not more than six
13 meetings.

14 (2) Other members of the Committee who are not otherwise
15 compensated by their employer shall be entitled to per diem compensation and
16 reimbursement of expenses as permitted under 32 V.S.A. § 1010 for not more
17 than six meetings.

18 (3) The payments under this subsection (g) shall be made from monies
19 appropriated by the General Assembly or any grant funding received.

20 Sec. 25a. STUDY COMMITTEE; APPROPRIATION

1 The sum of \$125,000.00 is appropriated from the General Fund to the
2 Department of Public Service in fiscal year 2024 for the purpose of hiring the
