12       section. The Agency shall provide a format for recordkeeping, including use

5       based literacy practices. The Agency shall also simultaneously communicate  
6       its recommendations to Vermont's educator preparation programs and submit

12       preparation requirements in Agency of Education, Licensing of Educators and  
13       the Preparation of Educational Professionals (5000) (CVR 022-000-010).

14           (c) As part of its review under subsection (a) of this section, the Agency  
15       shall make recommendations to the Vermont Standards Board for Professional  
16       Educators regarding whether an additional mandatory examination is needed to  
17       assess candidates for educator licensure skills in mathematics and English  
18       language arts fundamentals, as well as candidates' understanding of the  
19       importance of evidence-based approaches to literacy and numeracy, beyond  
20       the requirements in Agency of Education, Licensing of Educators and the
