6 registration shall concurrently file with the registration an annual group capital  
7 calculation as directed by the lead state commissioner. The report shall be

18 in its domestic state, and assumes no business from any other insurer.

19 (B) An insurance holding company system that is required to perform  
20 a group capital calculation specified by the U.S. Federal Reserve Board. The  
21 lead state commissioner shall request the calculation from the Federal Reserve

1 Board under the terms of information sharing agreements in effect. If the  
2 Federal Reserve Board cannot share the calculation with the lead state  
3 commissioner, the insurance holding company system is not exempt from the  
4 group capital calculation filing.

5 (C) An insurance holding company system whose non-U.S.  
6 groupwide supervisor is located within a reciprocal jurisdiction as described in  
7 subdivision 3634a(b)(6)(A) of this chapter that recognizes the U.S. state  
8 regulatory approach to group supervision and group capital.

9 (D) An insurance holding company system:

10 (i) that provides information to the lead state that meets the  
11 requirements for accreditation under the NAIC financial standards and  
12 accreditation program, either directly or indirectly through the groupwide  
13 supervisor, who has determined such information is satisfactory to allow the  
14 lead state to comply with the NAIC group supervision approach, as detailed in  
15 the NAIC Financial Analysis Handbook; and

16 (ii) whose non-U.S. groupwide supervisor that is not in a  
17 reciprocal jurisdiction recognizes and accepts, as specified in a rule adopted by  
18 the Commissioner, the group capital calculation as the worldwide group capital  
19 assessment for U.S. insurance groups who operate in that jurisdiction.

20 (E) Notwithstanding the provisions of subdivisions (C) and (D) of  
21 this subdivision (m)(2), a lead state commissioner shall require the group

1 capital calculation for U.S. operations of any non-U.S. based insurance holding  
2 company system where, after any necessary consultation with other  
3 supervisors or officials, it is deemed appropriate by the lead state  
4 commissioner for prudential oversight and solvency monitoring purposes or for  
5 ensuring the competitiveness of the insurance marketplace.

6 (F) Notwithstanding the exemptions from filing the group capital  
7 calculation stated in subdivisions (A)–(D) of this subdivision (m)(2), the lead  
8 state commissioner has the discretion to exempt the ultimate controlling person  
9 from filing the annual group capital calculation or to accept a limited group  
10 capital filing or report in accordance with criteria as specified in a rule adopted  
11 by the Commissioner.

12 (G) If the lead state commissioner determines that an insurance  
13 holding company system no longer meets one or more of the requirements for  
14 an exemption from filing the group capital calculation under this subdivision  
15 (2), the insurance holding company system shall file the group capital  
16 calculation at the next annual filing date unless given an extension by the lead  
17 state commissioner based on reasonable grounds shown.

18 (3) Liquidity stress test.

19 (A) The ultimate controlling person of every insurer subject to  
20 registration and also scoped into the NAIC liquidity stress test framework shall  
21 file the results of a specific year’s liquidity stress test. The filing shall be made

1 to the lead state insurance commissioner of the insurance holding company  
2 system as determined by the procedures within the Financial Analysis  
3 Handbook adopted by the NAIC.

4 (B) The NAIC liquidity stress test framework includes scope criteria  
5 applicable to a specific data year. These scope criteria are reviewed at least  
6 annually by the Financial Stability Task Force or its successor. Any change to  
7 the NAIC liquidity stress test framework or to the data year for which the  
8 scope criteria are to be measured shall be effective on January 1 of the year  
9 following the calendar year when such changes are adopted. Insurers meeting  
10 at least one threshold of the scope criteria are considered scoped into the NAIC  
11 liquidity stress test framework for the specified data year unless the lead state  
12 insurance commissioner, in consultation with the NAIC Financial Stability  
13 Task Force or its successor, determines the insurer should not be scoped into  
14 the framework for that data year. Similarly, insurers that do not trigger at least  
15 one threshold of the scope criteria are considered scoped out of the NAIC  
16 liquidity stress test framework for the specified data year, unless the lead state  
17 insurance commissioner, in consultation with the NAIC Financial Stability  
18 Task Force or its successor, determines the insurer should be scoped into the  
19 framework for that data year.

20 (C) Regulators shall avoid having insurers scoped in and out of the  
21 NAIC liquidity stress test framework on a frequent basis. The lead state

1 insurance commissioner, in consultation with the Financial Stability Task  
2 Force or its successor, will assess this concern as part of the determination for  
3 an insurer.

4 (D) The performance of, and filing of the results from, a specific  
5 year’s liquidity stress test shall comply with the NAIC liquidity stress test  
6 framework’s instructions and reporting templates for that year and any lead  
7 state insurance commissioner determinations, in conjunction with the Financial  
8 Stability Task Force or its successor, provided within the Framework.

9 (n) Violations. The failure to file a registration statement or any  
10 amendment ~~thereto~~ to a registration statement required by this section within  
11 the time specified for such filing shall be a violation of this section.

10 deemed to be in a hazardous financial condition or a condition that would be  
11 grounds for supervision, conservation, or a delinquency proceeding, and a  
12 deposit or bond is necessary, the Commissioner has discretion to determine the  
13 amount of the deposit or bond, not to exceed the value of a contract or  
14 agreement in any one year, and whether such deposit or bond should be

18 remain the property of the insurer, are subject to control of the insurer, are  
19 identifiable, and are segregated or readily capable of segregation, at no  
20 additional cost to the insurer, from all other persons’ records and data. This  
21 includes all records and data that are otherwise the property of the insurer, in

1 whatever form maintained, including claims and claim files, policyholder lists,  
2 application files, litigation files, premium records, rate books, underwriting  
3 manuals, personnel records, financial records, or similar records within the  
4 possession, custody, or control of the affiliate. At the request of the insurer,  
5 the affiliate shall provide that the receiver can obtain a complete set of all  
6 records of any type that pertain to the insurer’s business; obtain access to the  
7 operating systems on which the data is maintained; obtain the software that  
8 runs those systems either through assumption of licensing agreements or  
9 otherwise; and restrict the use of the data by the affiliate if it is not operating  
10 the insurer’s business. The affiliate shall provide a waiver of any landlord lien  
11 or other encumbrance to give the insurer access to all records and data in the  
12 event of the affiliate’s default under a lease or other agreement.

13 (I) Premiums or other funds belonging to the insurer that are  
14 collected by or held by an affiliate are the exclusive property of the insurer and  
15 are subject to the control of the insurer. Any right of offset in the event an  
16 insurer is placed into receivership shall be subject to chapter 145 of this title.

17 (2) The following transactions involving a domestic insurer and any  
18 person in its holding company system, including amendments or modifications  
19 of affiliate agreements previously filed under this section, that are subject to  
20 any materiality standards contained in subdivisions (A)–(G) of this  
21 subdivision, shall not be entered into unless the insurer has notified the

1 Commissioner in writing of its intention to enter into such transaction at least  
2 30 days prior to the transaction, or such shorter period as the Commissioner  
3 may permit, and the Commissioner has not disapproved it within such period.  
4 The notice for amendments or modifications shall include the reasons for the  
5 change and the financial impact on the domestic insurer. Within 30 days  
6 following a termination of a previously filed agreement, informal notice shall  
7 be reported to the Commissioner for determination of the type of filing  
8 required, if any. Nothing in this subdivision shall be deemed to authorize or  
9 permit any transactions that, in the case of an insurer not a member of the same  
10 holding company system, would otherwise be contrary to law.

11 (A) Sales, purchases, exchanges, loans, or extensions of credit or  
12 investments, provided such transactions are equal to or exceed:

13 (i) with respect to nonlife insurers, the lesser of three percent of  
14 the insurer's admitted assets or 25 percent of surplus as regards policyholders  
15 as of the 31st day of December next preceding; or

16 (ii) with respect to life insurers, three percent of the insurer's  
17 admitted assets; each as of the 31st day of December next preceding.

18 (B) Loans or extensions of credit to any person who is not an  
19 affiliate, where the insurer makes such loans or extensions of credit with the  
20 agreement or understanding that the proceeds of such transactions, in whole or  
21 in substantial part, are to be used to make loans or extensions of credit to

1 purchase assets of or to make investments in any affiliate of the insurer making  
2 such loans or extensions of credit, provided such transactions are equal to or  
3 exceed:

4 (i) with respect to nonlife insurers, the lesser of three percent of  
5 the insurer’s admitted assets or 25 percent of surplus as regards policyholders  
6 as of the 31st day of December next preceding; or

7 (ii) with respect to life insurers, three percent of the insurer’s  
8 admitted assets; each as of the 31st day of December next preceding.

9 (C) Reinsurance agreements or modifications of reinsurance  
10 agreements, including:

11 (i) all reinsurance pooling agreements; and

12 (ii) agreements in which the reinsurance premium or a change in  
13 the insurer’s liabilities or the projected reinsurance premium or a change in the  
14 insurer’s liabilities in any of the next three years equals or exceeds five percent  
15 of the insurer’s surplus as regards policyholders, as of the 31st day of  
16 December next preceding, including those agreements that may require as  
17 consideration the transfer of assets from an insurer to a nonaffiliate, if an  
18 agreement or understanding exists between the insurer and nonaffiliate that any  
19 portion of such assets will be transferred to one or more affiliates of the  
20 insurer.

1           (D) All management agreements, service contracts, tax allocation  
2           agreements, guarantees, and all cost-sharing arrangements.

3           (E) Guarantees when made by a domestic insurer; provided,  
4           however, that a guarantee that is quantifiable as to amount is not subject to the  
5           notice requirements of this subdivision (2) unless it exceeds the lesser of one-  
6           half of one percent of the insurer’s admitted assets or 10 percent of surplus as  
7           regards policyholders as of the 31st day of December next preceding. All  
8           guarantees that are not quantifiable as to amount are subject to the notice  
9           requirements of this subdivision.

10           (F) Direct or indirect acquisitions or investments in a person that  
11           controls the insurer or in an affiliate of the insurer in an amount that together  
12           with its present holdings in such investments exceeds two and one-half percent  
13           of the insurer’s surplus to policyholders. Direct or indirect acquisitions or  
14           investments in subsidiaries acquired pursuant to section 3682 of this  
15           subchapter or authorized under any other Vermont insurance law or in  
16           nonsubsidiary insurance affiliates that are subject to the provisions of this  
17           subchapter, are exempt from the notice requirement of this subdivision (2).

18           (G) Any material transactions, as specified in a rule adopted by the  
19           Commissioner, that the Commissioner determines may adversely affect the  
20           interests of the insurer’s policyholders.

1           (H) Nothing in this subdivision (2) shall be deemed to authorize or  
2           permit any transaction that, in the case of an insurer not a member of the same  
3           insurance holding company system, would otherwise be contrary to law.

4           (3) A domestic insurer shall not enter into transactions that are part of a  
5           plan or series of like transactions with persons within the insurance holding  
6           company system if the purpose of those separate transactions is to avoid the  
7           statutory threshold amount and thus avoid the review that would otherwise  
8           occur. If the Commissioner determines that such separate transactions were  
9           entered into over any 12-month period for such purpose, the Commissioner  
10          may exercise the Commissioner’s authority under this title.

11          (4) The Commissioner, in reviewing transactions pursuant to  
12          subsection (b) of this section, shall consider whether the transactions comply  
13          with the standards established in this subsection (a) and whether they may  
14          adversely affect the interests of policyholders.

15          (5) The Commissioner shall be notified within 30 days following any  
16          investment of the domestic insurer in any one corporation if the total  
17          investment in such corporation by the insurance holding company system  
18          exceeds 10 percent of such corporation’s voting securities.

19          (6)(A) Any affiliate that is party to an agreement or contract with a  
20          domestic insurer that is subject to subdivision (2)(D) of this subsection (a)  
21          shall be subject to the jurisdiction of any supervision, seizure, conservatorship,

1 or receivership proceedings against the insurer and to the authority of any  
2 supervisor, conservator, rehabilitator, or liquidator for the insurer appointed  
3 pursuant to chapter 145 of this title for the purpose of interpreting, enforcing,  
4 and overseeing the affiliate’s obligations under the agreement or contract to  
5 perform services for the insurer that:

6 (i) are an integral part of the insurer’s operations, including  
7 management, administrative, accounting, data processing, marketing,  
8 underwriting, claims handling, investment, or any other similar functions; or

9 (ii) are essential to the insurer’s ability to fulfill its obligations  
10 under insurance policies.

11 (B) The Commissioner may require that an agreement or contract for  
12 the provision of services described in subdivisions (2)(A)(i) and (ii) of this  
13 subsection specify that the affiliate consents to the jurisdiction as set forth in  
14 this subdivision (a)(6).

15 (b) Adequacy of surplus. For purposes of this subchapter, in determining  
16 whether an insurer’s surplus as regards policyholders is reasonable in relation  
17 to the insurer’s outstanding liabilities and adequate to its financial needs, the  
18 following factors, among others, shall be considered:

19 (1) The size of the insurer as measured by its assets, capital and surplus,  
20 reserves, premium writings, insurance in force, and other appropriate criteria.

1 (2) The extent to which the insurer’s business is diversified among the  
2 several lines of insurance.

3 (3) The number and size of risks insured in each line of business.

4 (4) The extent of the geographical dispersion of the insurer’s insured  
5 risks.

6 (5) The nature and extent of the insurer’s reinsurance program.

7 (6) The quality, diversification, and liquidity of the insurer’s investment  
8 portfolio.

9 (7) The recent past and projected future trend in the size of the insurer’s  
10 surplus as regards policyholders.

11 (8) The surplus as regards policyholders maintained by other  
12 comparable insurers.

13 (9) The adequacy of the insurer’s reserves.

14 (10) The quality and liquidity of investments in ~~subsidiaries made~~  
15 ~~pursuant to section 3682 of this title~~ affiliates. The Commissioner may treat  
16 any such investment as a disallowed asset for purposes of determining the  
17 adequacy of surplus as regards policyholders whenever in ~~his or her~~ the  
18 Commissioner’s judgment such investment so warrants.

19 (c) Dividends and other distributions. ~~No insurer subject to registration~~  
20 ~~under section 3684 of this title shall~~ (1) A domestic insurer shall not pay any

1 extraordinary dividend or make any other extraordinary distribution to its  
2 shareholders until:

3 ~~(1)~~(A) 30 days after the Commissioner has received notice of the  
4 declaration ~~thereof~~ of the dividend or distribution and has not within such  
5 period disapproved such payment; or

6 ~~(2)~~(B) the Commissioner shall have approved such payment within such  
7 30-day period.

8 ~~(d) Limitation on dividends.~~

9 ~~(1)~~(2) For purposes of this ~~section~~ subsection, an extraordinary dividend  
10 or distribution includes any dividend or distribution of cash or other property  
11 whose fair market value together with that of other dividends or distributions  
12 made within the preceding 12 months exceeds the lesser of:

13 (A) 10 percent of such insurer's surplus as regards policyholders as  
14 of the 31st day of December next preceding; or

15 (B) the net gains from operations of such insurer, if such insurer is a  
16 life insurer, or the net income, if such insurer is not a life insurer, not including  
17 realized capital gains, for the 12-month period ending the 31st day of  
18 December next preceding, but shall not include pro rata distributions of any  
19 class of the insurer's own securities.

20 ~~(2)~~(3) In determining whether a dividend or distribution is  
21 extraordinary, an insurer other than a life insurer may carry forward net income

1 from the previous two calendar years that has not already been paid out as  
2 dividends. This carry-forward shall be computed by taking the net income  
3 from the second and third preceding calendar years, not including realized  
4 capital gains, less dividends paid in the second and immediate preceding  
5 calendar years. In determining whether a dividend or distribution is  
6 extraordinary, a life insurer may exclude dividends or distributions paid only  
7 from unassigned surplus that do not exceed the greater of subdivision ~~(1)(A)~~  
8 (2)(A) or (B) of this subsection, provided that a life insurer relying on this  
9 provision shall notify the Commissioner of such dividend or distribution within  
10 five business days following declaration and at least 10 days, commencing  
11 from the date of receipt by the Commissioner, prior to the payment thereof.

12 ~~(e) Conditional dividends.~~ (4) Notwithstanding any other provision of law  
13 to the contrary, an insurer may declare an extraordinary dividend or  
14 distribution that is conditional upon the Commissioner's approval ~~thereof~~, and  
15 such a declaration shall not confer ~~no~~ any rights upon shareholders until the  
16 Commissioner has:

17 ~~(1)(A)~~ (1)(A) approved the payment of such dividend or distribution; or

18 ~~(2)(B)~~ (2)(B) not disapproved such payment within the 30-day period

19 referred to in ~~subsection (e)~~ subsection (1) of this ~~section~~ subsection (c).

20 (d) Management of domestic insurers subject to registration.

1           (1) Notwithstanding the control of a domestic insurer by any person, the  
2           officers and directors of the insurer shall not thereby be relieved of any  
3           obligation or liability to which they would otherwise be subject by law, and the  
4           insurer shall be managed so as to ensure its separate operating identity  
5           consistent with this section.

6           (2) Nothing in this subsection shall preclude a domestic insurer from  
7           having or sharing a common management or cooperative or joint use of  
8           personnel, property, or services with one or more other persons under  
9           arrangements meeting the standards of subdivision (a)(1) of this section.

10           (3) Not less than one-third of the directors of a domestic insurer and not  
11           less than one-third of the members of each committee of the board of directors  
12           of any domestic insurer shall be persons who are not officers or employees of  
13           the insurer or of any entity controlling, controlled by, or under common control  
14           with the insurer and who are not beneficial owners of a controlling interest in  
15           the voting stock of the insurer or entity. At least one such person shall be  
16           included in any quorum for the transaction of business at any meeting of the  
17           board of directors or any committee thereof.

18           (4) The board of directors of a domestic insurer shall establish one or  
19           more committees composed solely of directors who are not officers or  
20           employees of the insurer or of any entity controlling, controlled by, or under  
21           common control with the insurer and who are not beneficial owners of a

1 controlling interest in the voting stock of the insurer or any such entity. The  
2 committee or committees shall have responsibility for nominating candidates  
3 for director for election by shareholders or policyholders, evaluating the  
4 performance of officers deemed to be principal officers of the insurer, and  
5 recommending to the board of directors the selection and compensation of the  
6 principal officers. For purposes of this subsection, principal officers shall  
7 mean the chief executive officer, the president, and any chief operating officer.

8 (5) The provisions of subdivisions (3) and (4) of this subsection shall  
9 not apply to a domestic insurer if the person controlling the insurer, such as an  
10 insurer, a mutual insurance holding company, or a publicly held corporation,  
11 has a board of directors and committees thereof that meet the requirements of  
12 subdivisions (3) and (4) of this subsection with respect to such controlling  
13 entity.

14 (6) An insurer may make application to the Commissioner for a waiver  
15 from the requirements of this subsection if the insurer's annual direct written  
16 and assumed premium, excluding premiums reinsured with the Federal Crop  
17 Insurance Corporation and Federal Flood Program, is less than  
18 \$300,000,000.00. An insurer may also make application to the Commissioner  
19 for a waiver from the requirements of this subsection based upon unique  
20 circumstances. The Commissioner may consider various factors, including the

1 type of business entity, volume of business written, availability of qualified  
2 board members, or the ownership or organizational structure of the entity.

3 ~~(f) The following transactions involving a domestic insurer and any person~~  
4 ~~in its holding company system, including amendments or modifications of~~  
5 ~~affiliate agreements previously filed under this section, which are subject to~~  
6 ~~any materiality standards contained in subdivisions (1) through (7) of this~~  
7 ~~subsection, may not be entered into unless the insurer has notified the~~  
8 ~~Commissioner in writing of its intention to enter into such transaction at least~~  
9 ~~30 days prior thereto, or such shorter period as the Commissioner may permit,~~  
10 ~~and the Commissioner has not disapproved it within such period. The notice~~  
11 ~~for amendments or modifications shall include the reasons for the change and~~  
12 ~~the financial impact on the domestic insurer. Informal notice shall be reported~~  
13 ~~within 30 days after a termination of a previously filed agreement to the~~  
14 ~~Commissioner for determination of the type of filing required, if any. Nothing~~  
15 ~~herein contained shall be deemed to authorize or permit any transactions that in~~  
16 ~~the case of an insurer not a member of the same holding company system,~~  
17 ~~would be otherwise contrary to law.~~

18 ~~(1) Sales, purchases, exchanges, loans, or extensions of credit or~~  
19 ~~investments, provided such transactions are equal to or exceed:~~

1           ~~(A) with respect to nonlife insurers, the lesser of three percent of the~~  
2           ~~insurer's admitted assets or 25 percent of surplus as regards policyholders as of~~  
3           ~~the 31st day of December next preceding;~~

4           ~~(B) with respect to life insurers, three percent of the insurer's~~  
5           ~~admitted assets; each as of the 31st day of December next preceding.~~

6           ~~(2) Loans or extensions of credit to any person who is not an affiliate,~~  
7           ~~where the insurer makes such loans or extensions of credit with the agreement~~  
8           ~~or understanding that the proceeds of such transactions, in whole or in~~  
9           ~~substantial part, are to be used to make loans or extensions of credit to, to~~  
10           ~~purchase assets of, or to make investments in any affiliate of the insurer~~  
11           ~~making such loans or extensions of credit, provided such transactions are equal~~  
12           ~~to or exceed:~~

13           ~~(A) with respect to nonlife insurers, the lesser of three percent of the~~  
14           ~~insurer's admitted assets or 25 percent of surplus as regards policyholders as of~~  
15           ~~the 31st day of December next preceding;~~

16           ~~(B) with respect to life insurers, three percent of the insurer's~~  
17           ~~admitted assets; each as of the 31st day of December next preceding.~~

18           ~~(3) Reinsurance agreements or modifications thereto, including:~~

19           ~~(A) all reinsurance pooling agreements;~~

20           ~~(B) agreements in which the reinsurance premium or a change in the~~  
21           ~~insurer's liabilities or the projected reinsurance premium or a change in the~~

1 ~~insurer's liabilities in any of the next three years equals or exceeds five percent~~  
2 ~~of the insurer's surplus as regards policyholders, as of the 31st day of~~  
3 ~~December next preceding, including those agreements that may require as~~  
4 ~~consideration the transfer of assets from an insurer to a nonaffiliate, if an~~  
5 ~~agreement or understanding exists between the insurer and nonaffiliate that any~~  
6 ~~portion of such assets will be transferred to one or more affiliates of the~~  
7 ~~insurer.~~

8 ~~(4) Any material transactions, specified by regulation, that the~~  
9 ~~Commissioner determines may adversely affect the interests of the insurer's~~  
10 ~~policyholders.~~

11 ~~(5) All management agreements, service contracts, and all cost sharing~~  
12 ~~arrangements.~~

13 ~~(6) Guarantees when made by a domestic insurer; provided, however,~~  
14 ~~that a guarantee that is quantifiable as to amount is not subject to the notice~~  
15 ~~requirements of this subsection unless it exceeds the lesser of one-half of one~~  
16 ~~percent of the insurer's admitted assets or 10 percent of surplus as regards~~  
17 ~~policyholders as of the 31st day of December next preceding. All guarantees~~  
18 ~~that are not quantifiable as to amount are subject to the notice requirements of~~  
19 ~~this subdivision.~~

20 ~~(7) Direct or indirect acquisitions or investments in a person that~~  
21 ~~controls the insurer or an affiliate of the insurer in an amount that together with~~

1 its present holdings in such investments, exceeds two and one-half percent of  
2 the insurer's surplus to policyholders. Direct or indirect acquisitions or  
3 investments in subsidiaries acquired pursuant to section 3682 of this chapter or  
4 authorized under any other section of this chapter or in nonsubsidiary  
5 insurance affiliates that are subject to the provisions of this chapter are exempt  
6 from this requirement.

7 (g) A domestic insurer may not enter into transactions that are part of a  
8 plan or series of like transactions with persons within the holding company  
9 system if the purpose of those separate transactions is to avoid the statutory  
10 threshold amount and thus avoid the review that would occur otherwise. If the  
11 Commissioner determines that such separate transactions were entered into  
12 over any 12-month period for such purpose, he or she may exercise his or her  
13 authority under this title.

14 (h) The Commissioner, in reviewing transactions pursuant to subsection (f)  
15 of this section, shall consider whether the transactions comply with the  
16 standards set forth in subsection (a) of this section and whether they may  
17 adversely affect the interests of policyholders.

18 (i) The Commissioner shall be notified within 30 days of any investment of  
19 the domestic insurer in any one corporation if the total investment in such  
20 corporation by the insurance holding company system exceeds 10 percent of  
21 such corporation's voting securities.

1           ~~(j) Management of domestic insurers subject to registration.~~

2           ~~(1) Notwithstanding the control of a domestic insurer by any person, the~~  
3           ~~officers and directors of the insurer shall not thereby be relieved of any~~  
4           ~~obligation or liability to which they would otherwise be subject by law, and the~~  
5           ~~insurer shall be managed so as to ensure its separate operating identity~~  
6           ~~consistent with this section.~~

7           ~~(2) Nothing in this section shall preclude a domestic insurer from having~~  
8           ~~or sharing a common management or cooperative or joint use of personnel,~~  
9           ~~property, or services with one or more other persons under arrangements~~  
10          ~~meeting the standards of subsection (a) of this section.~~

11          ~~(3) Not less than one third of the directors of a domestic insurer and not~~  
12          ~~less than one third of the members of each committee of the board of directors~~  
13          ~~of any domestic insurer shall be persons who are not officers or employees of~~  
14          ~~the insurer or of any entity controlling, controlled by, or under common control~~  
15          ~~with the insurer and who are not beneficial owners of a controlling interest in~~  
16          ~~the voting stock of the insurer or entity. At least one such person must be~~  
17          ~~included in any quorum for the transaction of business at any meeting of the~~  
18          ~~board of directors or any committee thereof.~~

19          ~~(4) The board of directors of a domestic insurer shall establish one or~~  
20          ~~more committees composed of a majority of directors who are not officers or~~  
21          ~~employees of the insurer or of any entity controlling, controlled by, or under~~

1 common control with the insurer and who are not beneficial owners of a  
2 controlling interest in the voting stock of the insurer or any such entity. The  
3 committee or committees shall have responsibility for nominating candidates  
4 for director for election by shareholders or policyholders, evaluating the  
5 performance of officers deemed to be principal officers of the insurer, and  
6 recommending to the board of directors the selection and compensation of the  
7 principal officers. For purposes of this subsection, principal officers shall  
8 mean the chief executive officer, the president, and any chief operating officer.

9 (5) The provisions of subdivisions (3) and (4) of this subsection shall  
10 not apply to a domestic insurer if the person controlling the insurer, such as an  
11 insurer, a mutual insurance holding company, or a publicly held corporation,  
12 has a board of directors and committees thereof that meet the requirements of  
13 subdivisions (3) and (4) of this subsection with respect to such controlling  
14 entity.

15 (6) An insurer may make application to the Commissioner for a waiver  
16 from the requirements of this subsection if the insurer's annual direct written  
17 and assumed premium, excluding premiums reinsured with the Federal Crop  
18 Insurance Corporation and Federal Flood Program, is less than  
19 \$300,000,000.00. An insurer may also make application to the Commissioner  
20 for a waiver from the requirements of this subsection based upon unique  
21 circumstances. The Commissioner may consider various factors, including the

1 ~~type of business entity, volume of business written, availability of qualified~~  
2 ~~board members, or the ownership or organizational structure of the entity.~~

3 Sec. 27. 8 V.S.A. § 3687 is amended to read:

18 Commissioner shall not otherwise make the documents, materials, or other  
19 information public without the prior written consent of the insurer to which it  
20 pertains unless the Commissioner, after giving the insurer and its affiliates who

1 the interests of policyholders, shareholders, or the public will be served by the  
2 publication thereof, in which event ~~he or she~~ the Commissioner may publish all  
3 or any part thereof in such manner as ~~he or she~~ the Commissioner may deem  
4 appropriate.

5 (1) For purposes of the information reported and provided to the

21 party consultant designated by the Commissioner pursuant to this section.

1           (F) For documents, materials, or information report pursuant to  
2           subdivision 3684(b)(3) of this chapter, in the case of an agreement involving a  
3           third-party consultant, provide for notification of the identity of the consultant  
4           to the applicable insurers.

5           (d) The sharing of information by the Commissioner pursuant to this  
6           section shall not constitute a delegation of regulatory authority or rulemaking,  
7           and the Commissioner is solely responsible for the administration, execution,  
8           and enforcement of the provisions of this section.

9           (e) No waiver of any applicable privilege or claim of confidentiality in the  
10          documents, materials, or information shall occur as a result of disclosure to the  
11          Commissioner under this section or as a result of sharing as authorized in  
12          subsection (c) of this section.

13          (f) Documents, materials, or other information in the possession or control  
14          of the NAIC or third-party consultant designated by the Commissioner

20          (g) The group capital calculation and resulting group capital ratio required  
21          under subdivision 3684(m)(2) of this subchapter and the liquidity stress test

1 along with its results and supporting disclosures required under subdivision  
2 3684(m)(3) of this subchapter are regulatory tools for assessing group risks and  
3 capital adequacy and group liquidity risks, respectively, and are not intended as  
4 a means to rank insurers or insurance holding company systems, generally.  
5 Therefore, except as otherwise may be required under the provisions of this  
6 chapter, the making, publishing, disseminating, circulating or placing before  
7 the public, or causing directly or indirectly to be made, published,  
8 disseminated, circulated, or placed before the public in a newspaper, magazine,  
9 or other publication, or in the form of a notice, circular, pamphlet, letter, or  
10 poster, or over any radio or television station or any electronic means of  
11 communication available to the public, or in any other way as an

15 of any insurer or any insurer group, or of any component derived in the  
16 calculation by any insurer, broker, or other person engaged in any manner in  
17 the insurance business would be misleading and is therefore prohibited.  
18 However, if any materially false statement with respect to the group capital  
19 calculation, resulting group capital ratio, an inappropriate comparison of any  
20 amount to an insurer's or insurance group's group capital calculation or  
21 resulting group capital ratio, liquidity stress test result, supporting disclosures

1 for the liquidity stress test, or an inappropriate comparison of any amount to an  
2 insurer’s or insurance group’s liquidity stress test result or supporting  
3 disclosures is published in any written publication and the insurer is able to  
4 demonstrate to the Commissioner with substantial proof the falsity of such  
5 statement or the inappropriateness, as the case may be, then the insurer may  
6 publish announcements in a written publication if the sole purpose of the  
7 announcement is to rebut the materially false statement.

8 Sec. 28. 8 V.S.A. chapter 149 is added to read:

9 CHAPTER 149. PET INSURANCE

10 § 7151. SHORT TITLE

11 This chapter shall be known and may be cited as the “Pet Insurance Act.”

12 § 7152. SCOPE AND PURPOSE

13 (a) The purpose of this chapter is to promote the public welfare by creating  
14 a comprehensive legal framework within which pet insurance may be sold in  
15 Vermont.

16 (b) The requirements of this chapter shall apply to pet insurance policies  
17 that are issued to any resident of this State and are sold, solicited, negotiated,  
18 or offered in this State and policies or certificates that are delivered or issued  
19 for delivery in this State.

20 (c) All other applicable provisions of Vermont insurance law shall continue  
21 to apply to pet insurance except that the specific provisions of this subchapter

1 shall supersede any general provisions of law that would otherwise be  
2 applicable to pet insurance.

3 § 7153. DEFINITIONS

4 (a) If a pet insurer uses any term defined in this section in a policy of pet  
5 insurance, the pet insurer shall use the definition of the term provided in this  
6 section and include the definition of the term in the policy. The pet insurer  
7 shall also make the definition available through a clear and conspicuous link  
8 on the main page of the website of either the pet insurer or the pet insurer’s  
9 program administrator.

10 (b) Nothing in this chapter shall in any way prohibit or limit the types of  
11 exclusions pet insurers may use in their policies or require pet insurers to have  
12 any of the limitations or exclusions defined in this section.

13 (c) As used in this chapter:

14 (1) “Chronic condition” means a condition that can be treated or  
15 managed, but not cured.

16 (2) “Congenital anomaly or disorder” means a condition that is present  
17 from birth, whether inherited or caused by the environment, which may cause  
18 or contribute to illness or disease.

19 (3) “Hereditary disorder” means an abnormality that is genetically  
20 transmitted from parent to offspring and may cause illness or disease.

1           (4) “Orthopedic” refers to conditions affecting the bones, skeletal  
2           muscle, cartilage, tendons, ligaments, and joints. It includes elbow dysplasia,  
3           hip dysplasia, intervertebral disc degeneration, patellar luxation, and ruptured  
4           cranial cruciate ligaments. It does not include cancers or metabolic,  
5           hemopoietic, or autoimmune diseases.

6           (5) “Pet insurance” means a property insurance policy that provides  
7           coverage for accidents and illnesses of pets.

8           (6)(A) “Preexisting condition” means any condition for which any of the  
9           following are true within 180 days prior to the effective date of a pet insurance  
10           policy or during any waiting period:

11                   (i) a veterinarian provided medical advice;

12                   (ii) the pet received previous treatment; or

13                   (iii) based on information from verifiable sources, the pet had  
14           signs or symptoms directly related to the condition for which a claim is being  
15           made.

16           (B) A condition for which coverage is afforded on a policy cannot be  
17           considered a preexisting condition on any renewal of the policy.

18           (7) “Renewal” means to issue and deliver at the end of an insurance  
19           policy period a policy that supersedes a policy previously issued and delivered  
20           by the same pet insurer or affiliated pet insurer and that provides types and

1 limits of coverage substantially similar to those contained in the policy being  
2 superseded.

3 (8) “Veterinarian” means an individual who holds a valid license to  
4 practice veterinary medicine from the appropriate licensing entity in the  
5 jurisdiction in which the veterinarian practices.

6 (9) “Veterinary expenses” means the costs associated with medical  
7 advice, diagnosis, care, or treatment provided by a veterinarian, including the  
8 cost of drugs prescribed by a veterinarian.

9 (10) “Waiting period” means the period of time specified in a pet  
10 insurance policy that is required to transpire before some or all of the coverage  
11 in the policy can begin. A waiting period may not be applied to a renewal of  
12 existing coverage.

13 (11) “Wellness program” means a subscription or reimbursement-based  
14 program that is separate from an insurance policy that provides goods and  
15 services to promote the general health, safety, or well-being of the  
16 pet. If any wellness program meets the definition of insurance in  
17 section 3301a of this title and does not qualify for any exclusion, it is  
18 transacting in the business of insurance and is subject to the applicable  
19 insurance laws and rules. This definition is not intended to classify a contract  
20 directly between a service provider and a pet owner that only involves the two

1 parties as being “the business of insurance,” unless other indications of  
2 insurance also exist.

3 § 7154. DISCLOSURES

4 (a) A pet insurer transacting pet insurance shall disclose the following to  
5 consumers:

6 (1) If the policy excludes coverage due to any of the following:

7 (A) a preexisting condition;

8 (B) a hereditary disorder;

9 (C) a congenital anomaly or disorder; or

10 (D) a chronic condition.

11 (2) If the policy includes any other exclusions, the following statement:

12 “Other exclusions may apply. Please refer to the exclusions section of the  
13 policy for more information.”

14 (3) Any policy provision that limits coverage through a waiting or  
15 affiliation period, a deductible, coinsurance, or an annual or lifetime policy  
16 limit.

17 (4) Whether the pet insurer reduces coverage or increases premiums  
18 based on the insured’s claim history, the age of the covered pet, or a change in  
19 the geographic location of the insured.

20 (5) If the underwriting company differs from the brand name used to  
21 market and sell the product.

1       (b)(1) Unless the insured has filed a claim under the pet insurance policy,  
2       pet insurance applicants shall have the right to examine and return the policy,  
3       certificate, or rider to the company or an agent or insurance producer of the  
4       company within 30 days following its receipt and to have the premium  
5       refunded if, after examination of the policy, certificate, or rider, the applicant is  
6       not satisfied for any reason.

7       (2) Pet insurance policies, certificates, and riders shall have a notice  
8       prominently printed on the first page or attached thereto including specific  
9       instructions to accomplish a return. The following free-look statement, or  
10       substantially similar language, shall be included:

11       You have 30 days following the day you receive this policy, certificate, or  
12       rider to review it and return it to the company if you decide not to keep it.  
13       You do not have to tell the company why you are returning it. If you decide  
14       not to keep it, simply return it to the company at its administrative office or  
15       you may return it to the agent or insurance producer that you bought it from,  
16       provided you have not filed a claim. You must return it within 30 days  
17       following the day you first received it. The company will refund the full  
18       amount of any premium paid within 30 days following the day it receives  
19       the returned policy, certificate, or rider. The premium refund will be sent  
20       directly to the person who paid it. The policy, certificate, or rider will be  
21       void as if it had never been issued.

1           (3) A pet insurer shall clearly disclose a summary description of the  
2           basis or formula on which the pet insurer determines claim payments under a  
3           pet insurance policy within the policy prior to policy issuance and through a  
4           clear and conspicuous link on the main page of the website of either the pet  
5           insurer or the pet insurer’s program administrator.

6           (4) A pet insurer that uses a benefit schedule to determine claim  
7           payment under a pet insurance policy shall do the following:

8                   (A) clearly disclose the applicable benefit schedule in the policy; and

9                   (B) disclose all benefit schedules used by the pet insurer under its pet  
10           insurance policies through a clear and conspicuous link on the main page of the  
11           website of either the pet insurer or the pet insurer’s program administrator.

12           (5) A pet insurer that determines claim payments under a pet insurance  
13           policy based on usual and customary fees, or any other reimbursement  
14           limitation based on prevailing veterinary service provider charges, shall do the  
15           following:

16                   (A) include a usual and customary fee limitation provision in the  
17           policy that clearly describes the pet insurer’s basis for determining usual and  
18           customary fees and how that basis is applied in calculating claim payments;  
19           and

1           (B) disclose the pet insurer’s basis for determining usual and  
2           customary fees through a clear and conspicuous link on the main page of the  
3           website of either the pet insurer or the pet insurer’s program administrator.

4           (6) If any medical examination by a licensed veterinarian is required to  
5           effectuate coverage, the pet insurer shall clearly and conspicuously disclose the  
6           required aspects of the examination prior to purchase and disclose that  
7           examination documentation may result in a preexisting condition exclusion.

8           (7) Waiting periods and the requirements applicable to them must be  
9           clearly and prominently disclosed to consumers prior to the policy purchase.

10          (8) The pet insurer shall include a summary of all policy provisions  
11          required in subdivisions (1)–(7) of this subsection in a separate document  
12          entitled “Insurer Disclosure of Important Policy Provisions.”

13          (9) The pet insurer shall post the “Insurer Disclosure of Important Policy  
14          Provisions” document required in subdivision (8) of this subsection through a  
15          clear and conspicuous link on the main page of the website of either the pet  
16          insurer or the pet insurer’s program administrator.

17          (10) In connection with the issuance of a new pet insurance policy, the  
18          pet insurer shall provide the consumer with a copy of the “Insurer Disclosure  
19          of Important Policy Provisions” document required pursuant to subdivision (8)  
20          of this subsection in at least 12-point type when it delivers the policy.

1           (11) At the time a pet insurance policy is issued or delivered to a  
2           policyholder, the pet insurer shall include a written disclosure with the  
3           following information, printed in 12-point boldface type:

4                   (A) the Department of Financial Regulation’s mailing address, toll-  
5                   free telephone number, and website address;

6                   (B) the address and customer service telephone number of the pet  
7                   insurer or the agent or broker of record; and

8                   (C) if the policy was issued or delivered by an agent or broker, a  
9                   statement advising the policyholder to contact the broker or agent for  
10                  assistance.

11                  (12) The disclosures required in this section shall be in addition to any  
12                  other disclosure requirements required by law or rule.

13                  § 7155. POLICY CONDITIONS

14                  (a) A pet insurer may issue policies that exclude coverage on the basis of  
15                  one or more preexisting conditions with appropriate disclosure to the  
16                  consumer. The pet insurer has the burden of proving that the preexisting  
17                  condition exclusion applies to the condition for which a claim is being made.

18                  (b) A pet insurer may issue policies that impose waiting periods that do not  
19                  exceed 30 days from the effective date of the policy for illnesses or orthopedic  
20                  conditions not resulting from an accident. Waiting periods for accidents are

1 prohibited. An insurer must issue coverage to be effective not later than 12:01  
2 a.m. on the second calendar day after premium is paid.

3 (1) A pet insurer using a waiting period permitted under this subsection  
4 shall include a provision in its contract that allows the waiting period to be  
5 waived upon completion of a medical examination. Pet insurers may require  
6 the examination to be conducted by a licensed veterinarian after the purchase  
7 of the policy.

8 (A) A medical examination pursuant to this subdivision (1) shall be  
9 paid for by the policyholder, unless the policy specifies that the pet insurer will  
10 pay for the examination.

11 (B) A pet insurer can specify elements to be included as part of the  
12 examination and require documentation thereof, provided the specifications do  
13 not unreasonably restrict a consumer’s ability to waive the waiting period  
14 under this subsection.

15 (2) Waiting periods, and the requirements applicable to them, shall be  
16 clearly and prominently disclosed to consumers prior to the policy purchase.

17 (3) If a policy does not include a waiting period, an insurer may set a  
18 policy effective date that is up to 15 calendar days after purchase, provided  
19 such policy effective date is clearly disclosed and no premium is earned before  
20 the policy becomes effective.

1       (c) A pet insurer must not require a veterinary examination of the covered  
2       pet for the insured to have their policy renewed.

3       (d) If a pet insurer includes any prescriptive, wellness, or noninsurance  
4       benefits in the policy form, then it is made part of the policy contract and shall  
5       follow all applicable insurance laws and rules.

6       (e) An insured’s eligibility to purchase a pet insurance policy shall not be  
7       based on participation, or lack of participation, in a separate wellness program.

8       (f) A condition for which coverage is afforded on a policy shall not be  
9       considered a preexisting condition on any renewal of the policy.

10       (g) A policyholder shall be allowed to modify coverage amounts without  
11       having the policy cancelled and renewed.

12       (h) Coverage for new or existing claims shall not be suspended due to  
13       nonpayment of premium. The policy is considered effective until renewal,  
14       cancellation, or nonrenewal.

15       (i) Unpaid premiums shall not be deducted from claim payments for a  
16       covered loss.

17       § 7156. SALES PRACTICES FOR WELLNESS PROGRAMS

18       (a) A pet insurer or producer shall not market a wellness program as pet  
19       insurance.

20       (b) If a wellness program is sold by a pet insurer or producer it shall be  
21       subject to the following requirements:

1           (1) The purchase of the wellness program shall not be a requirement to  
2           the purchase of pet insurance.

3           (2) The costs of the wellness program shall be separate and identifiable  
4           from any pet insurance policy sold by a pet insurer or producer.

5           (3) The terms and conditions for the wellness program shall be separate  
6           from any pet insurance policy sold by a pet insurer or producer.

7           (4) The products or coverages available through the wellness program  
8           shall not duplicate products or coverages available through the pet insurance  
9           policy.

10           (5) The advertising of the wellness program shall not be misleading and  
11           shall be in accordance with the requirements of this subsection.

12           (6) A pet insurer or producer shall clearly disclose the following to  
13           consumers, printed in 12-point boldface type:

14                   (A) that wellness programs are not insurance;

15                   (B) the address and customer service telephone number of the pet  
16           insurer or producer or broker of record; and

17                   (C) the Department of Financial Regulation’s mailing address, toll-  
18           free telephone number, and website address.

19           (7) Coverages included in the pet insurance policy contract described as  
20           “wellness” benefits are insurance.

21           § 7157. INSURANCE PRODUCER TRAINING

1       (a) An insurance producer shall not sell, solicit, or negotiate a pet insurance  
2       product until after the producer is appropriately licensed and has completed the  
3       required training identified in subsection (c) of this section.

4       (b) An insurer shall ensure that its producers are trained under  
5       subsection (c) of this section and that its producers have been appropriately  
6       trained on the coverages and conditions of its pet insurance products.

7       (c) The training required under this section shall include information on the  
8       following topics:

9               (A) preexisting conditions and waiting periods;

10              (B) the differences between pet insurance and noninsurance wellness  
11              programs;

12              (C) hereditary disorders, congenital anomalies or disorders, and  
13              chronic conditions and how pet insurance policies interact with those  
14              conditions or disorders; and

15              (D) rating, underwriting, renewal, and other related administrative  
16              topics.

17       (d) The satisfaction of the training requirements of another state that are  
18       substantially similar to the training requirements in subsection (c) of this  
19       section shall be deemed to satisfy the training requirements in Vermont.

20       § 7158. RULES

1        The Commissioner may adopt rules to administer this chapter and to  
2        effectuate its policies and purposes.

3        § 7159. VIOLATIONS

6        customers, not reflected in the market value of investments.

7        (c) Permissible investments, even if commingled with other assets of the  
8        licensee, are held in trust for the benefit of the purchasers and holders of the  
9        licensee’s outstanding money transmission obligations upon the occurrence of
