3 (a) A statewide education tax is imposed on all nonhomestead and

11 a member of a union or unified union school district shall be calculated as
12 required under subsection (e) of this section.

13 (b) The statewide education tax shall be calculated as follows:

14 (1) The Commissioner of Taxes shall determine for each municipality

8 (2) Taxes assessed under this section shall be assessed and collected in

10 classification other than as homestead or nonhomestead property; provided,
11 however, that the tax levied under this chapter shall be billed to each taxpayer
12 by the municipality in a manner that clearly indicates the tax is separate from
13 any other tax assessed and collected under chapter 133, including an
14 itemization of the separate taxes due. The bill may be on a single sheet of
15 paper with the statewide education tax and other taxes presented separately and
16 side by side.

17 (3) If a district has not voted a budget by June 30, an interim homestead
18 education tax shall be imposed at the base rate determined under subdivision
19 (a)(2) of this section, divided by the number resulting from dividing the
20 municipality's most recent common level of appraisal by the statewide
21 adjustment, but without regard to any spending adjustment under subdivision

1 5401(13) of this title. Within 30 days after a budget is adopted and the
