Subchapter 2. Occupational Therapy Licensure Compact

§ 3365. OCCUPATIONAL THERAPY LICENSURE COMPACT;

ADOPTION

This subchapter is the Vermont adoption of the Occupational Therapy
Licensure Compact. The form, format, and text of the Compact have been
conformed to the conventions of the Vermont Statutes Annotated. It is the
intent of the General Assembly that this subchapter be interpreted as
substantively the same as the Occupational Therapy Licensure Compact that is
enacted by other Compact party states.

1 § 3366. PURPOSE

2 The purpose of this Compact is to facilitate interstate practice of
3 Occupational Therapy with the goal of improving public access to
4 Occupational Therapy services. The practice of occupational therapy occurs in
5 the state where the patient/client is located at the time of the patient/client
6 encounter. The Compact preserves the regulatory authority of states to protect
7 public health and safety through the current system of state licensure.

8 This Compact is designed to achieve the following objectives:

- 9 (1) increase public access to Occupational Therapy services by
10 providing for the mutual recognition of other member state licenses;
11 (2) enhance the states' ability to protect the public's health and safety;
12 (3) encourage the cooperation of member states in regulating multistate
13 Occupational Therapy Practice;
14 (4) support spouses of relocating military members;
15 (5) enhance the exchange of licensure, investigative, and disciplinary
16 information between member states;
17 (6) allow a remote state to hold a provider of services with a compact
18 privilege in that state accountable to that state's practice standards; and
19 (7) facilitate the use of telehealth technology in order to increase access
20 to Occupational Therapy services.

3 (A) A member state shall, within a time frame established by the
4 Commission, require a criminal background check for a licensee

6 that member state, by receiving the results of the Federal Bureau of
7 Investigation criminal record search, and shall use the results in making
8 licensure decisions.

9 (B) Communication between a member state, the Commission, and
10 among member states regarding the verification of eligibility for licensure

3 Occupational Therapy Compact Commission meetings.

4 (e) Individuals not residing in a member state shall continue to be able to

6 each member state. However, the single-state license granted to these
7 individuals shall not be recognized as granting the compact privilege in any
8 other member state.

9 (f) Nothing in this Compact shall affect the requirements established by a
10 member state for the issuance of a single-state license.

11 § 3369. COMPACT PRIVILEGE

13 Compact, the licensee shall:

6 (7) Pay any applicable fees, including any state fee, for the compact

16 (b) The compact privilege is valid until the expiration date of the home
17 state license. The licensee must comply with the requirements of subsection

9 may be ineligible for a compact privilege in any state until the specific time for
10 removal has passed and all fines are paid.

11 (f) If a home state license is encumbered, the licensee shall lose the

9 (4) the compact privileges are reinstated by the Commission, and the
10 compact data system is updated to reflect reinstatement.

11 (i) If a licensee’s compact privilege in any remote state is removed due to
12 an erroneous charge, privileges shall be restored through the compact data
13 system.

14 (j) Once the requirements of subsection (h) of this section have been met,
15 the licensee must meet the requirements in subsection (a) of this section to
16 obtain a compact privilege in a remote state.

17 § 3370. OBTAINING A NEW HOME STATE LICENSE BY VIRTUE OF

18 COMPACT PRIVILEGE

19 (a) An occupational therapist or occupational therapy assistant may hold a
20 home state license, which allows for compact privileges in member states, in
21 only one member state at a time.

1 (b) If an occupational therapist or occupational therapy assistant changes
2 primary state of residence by moving between two member states:

3 (1) The occupational therapist or occupational therapy assistant shall file
4 an application for obtaining a new home state license by virtue of a compact
5 privilege, pay all applicable fees, and notify the current and new home state in
6 accordance with applicable rules adopted by the Commission.

7 (2) Upon receipt of an application for obtaining a new home state
8 license by virtue of compact privilege, the new home state shall verify that the
9 occupational therapist or occupational therapy assistant meets the pertinent
10 criteria outlined in section 3369 of this title via the data system, without need
11 for primary source verification except for:

12 (A) an FBI fingerprint based criminal background check if not
13 previously performed or updated pursuant to applicable rules adopted by the
14 Commission in accordance with Public Law 92-544;

15 (B) other criminal background check as required by the new home
16 state; and

17 (C) submission of any requisite jurisprudence requirements of the
18 new home state.

19 (3) The former home state shall convert the former home state license
20 into a compact privilege once the new home state has activated the new home
21 state license in accordance with applicable rules adopted by the Commission.

1 (4) Notwithstanding any other provision of this Compact, if the
2 occupational therapist or occupational therapy assistant cannot meet the criteria
3 in section 3369 of this title, the new home state shall apply its requirements for
4 issuing a new single-state license.

5 (5) The occupational therapist or the occupational therapy assistant shall
6 pay all applicable fees to the new home state in order to be issued a new home
7 state license.

8 (c) If an occupational therapist or occupational therapy assistant changes
9 primary state of residence by moving from a member state to a nonmember
10 state, or from a nonmember state to a member state, the state criteria shall
11 apply for issuance of a single-state license in the new state.

12 (d) Nothing in this compact shall interfere with a licensee's ability to hold a
13 single-state license in multiple states; however, for the purposes of this
14 Compact, a licensee shall have only one home state license.

15 (e) Nothing in this Compact shall affect the requirements established by a
16 member state for the issuance of a single-state license.

17 § 3371. ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

18 Active duty military personnel, or their spouses, shall designate a home
19 state where the individual has a current license in good standing. The
20 individual may retain the home state designation during the period the service
21 member is on active duty. Subsequent to designating a home state, the

1 individual shall only change the individual's home state through application
2 for licensure in the new state or through the process described in section 3370
3 of this title.

4 § 3372. ADVERSE ACTIONS

5 (a) A home state shall have exclusive power to impose adverse action
6 against an occupational therapist's or occupational therapy assistant's license
7 issued by the home state.

8 (b) In addition to the other powers conferred by state law, a remote state
9 shall have the authority, in accordance with existing state due process law, to:

10 (1) Take adverse action against an occupational therapist's or
11 occupational therapy assistant's compact privilege within that member state.

12 (2) Issue subpoenas for both hearings and investigations that require the
13 attendance and testimony of witnesses as well as the production of evidence.
14 Subpoenas issued by a licensing board in a member state for the attendance
15 and testimony of witnesses or the production of evidence from another member
16 state shall be enforced in the latter state by any court of competent jurisdiction,
17 according to the practice and procedure of that court applicable to subpoenas
18 issued in proceedings pending before it. The issuing authority shall pay any
19 witness fees, travel expenses, mileage, and other fees required by the service
20 statutes of the state in which the witnesses or evidence are located.

1 (c) For purposes of taking adverse action, the home state shall give the
2 same priority and effect to reported conduct received from a member state as it
3 would if the conduct had occurred within the home state. In so doing, the
4 home state shall apply its own state laws to determine appropriate action.

5 (d) The home state shall complete any pending investigations of an
6 occupational therapist or occupational therapy assistant who changes primary
7 state of residence during the course of the investigations. The home state,
8 where the investigations were initiated, shall also have the authority to take
9 appropriate action(s) and shall promptly report the conclusions of the
10 investigations to the Occupational Therapy Compact Commission Data
11 System. The Occupational Therapy Compact Commission Data System
12 administrator shall promptly notify the new home state of any adverse actions.

13 (e) A member state, if otherwise permitted by state law, may recover from
14 the affected occupational therapist or occupational therapy assistant the costs
15 of investigations and disposition of cases resulting from any adverse action
16 taken against that occupational therapist or occupational therapy assistant.

17 (f) A member state may take adverse action based on the factual findings of
18 the remote state, provided that the member state follows its own procedures for
19 taking the adverse action.

20 (g) Joint investigations

1 (1) In addition to the authority granted to a member state by its
2 respective state Occupational Therapy laws and regulations or other applicable
3 state law, any member state may participate with other member states in joint
4 investigations of licensees.

5 (2) member states shall share any investigative, litigation, or compliance
6 materials in furtherance of any joint or individual investigation initiated under
7 the Compact.

8 (h) If an adverse action is taken by the home state against an occupational
9 therapist's or occupational therapy assistant's license, the occupational
10 therapist's or occupational therapy assistant's compact privilege in all other
11 member states shall be deactivated until all encumbrances have been removed
12 from the state license. All home state disciplinary orders that impose adverse
13 action against an occupational therapist's or occupational therapy assistant's
14 license shall include a statement that the occupational therapist's or
15 occupational therapy assistant's compact privilege is deactivated in all member
16 states during the pendency of the order.

17 (i) If a member state takes adverse action, it shall promptly notify the
18 administrator of the data system. The administrator of the data system shall
19 promptly notify the home state of any adverse actions by remote states.

20 (j) Nothing in this Compact shall override a member state's decision that
21 participation in an alternative program may be used in lieu of adverse action.

1 § 3373. ESTABLISHMENT OF THE OCCUPATIONAL THERAPY

3 (a) The Compact member states hereby create and establish a joint public

8 services.

9 (3) The Commission may levy on and collect an annual assessment from
10 each member state or impose fees on other parties to cover the cost of the
11 operations and activities of the Commission and its staff, which must be in a
12 total amount sufficient to cover its annual budget as approved by the
13 Commission each year for which revenue is not provided by other sources.

14 The aggregate annual assessment amount shall be allocated based upon a
15 formula to be determined by the Commission, which shall promulgate a rule
16 binding upon all member states.

17 (4) The Commission shall not incur obligations of any kind prior to
18 securing the funds adequate to meet the same, nor shall the Commission pledge
19 the credit of any of the member states, except by and with the authority of the
20 member state.

1 (5) The Commission shall keep accurate accounts of all receipts and
2 disbursements. The receipts and disbursements of the Commission shall be
3 subject to the audit and accounting procedures established under its bylaws.
4 However, all receipts and disbursements of funds handled by the Commission
5 shall be audited yearly by a certified or licensed public accountant, and the
6 report of the audit shall be included in and become part of the annual report of
7 the Commission.

8 (g) Qualified immunity, defense, and indemnification.

9 (1) The members, officers, executive director, employees, and
10 representatives of the Commission shall be immune from suit and liability,
11 either personally or in their official capacity, for any claim for damage to or
12 loss of property or personal injury or other civil liability caused by or arising
13 out of any actual or alleged act, error, or omission that occurred, or that the
14 person against whom the claim is made had a reasonable basis for believing
15 occurred within the scope of Commission employment, duties, or
16 responsibilities, provided that nothing in this subdivision shall be construed to
17 protect any such person from suit and/or liability for any damage, loss, injury,
18 or liability caused by the intentional or willful or wanton misconduct of that
19 person.

20 (2) The Commission shall defend any member, officer, executive
21 director, employee, or representative of the Commission in any civil action

1 seeking to impose liability arising out of any actual or alleged act, error, or
2 omission that occurred within the scope of Commission employment, duties, or
3 responsibilities, or that the person against whom the claim is made had a
4 reasonable basis for believing occurred within the scope of Commission
5 employment, duties, or responsibilities, provided that nothing herein shall be
6 construed to prohibit that person from retaining the person's own counsel, and
7 provided further that the actual or alleged act, error, or omission did not result
8 from that person's intentional or willful or wanton misconduct.

9 (3) The Commission shall indemnify and hold harmless any member,
10 officer, executive director, employee, or representative of the Commission for
11 the amount of any settlement or judgment obtained against that person arising
12 out of any actual or alleged act, error, or omission that occurred within the
13 scope of Commission employment, duties, or responsibilities, or that such
14 person had a reasonable basis for believing occurred within the scope of
15 Commission employment, duties, or responsibilities, provided that the actual
16 or alleged act, error, or omission did not result from the intentional or willful
17 or wanton misconduct of that person.

18 § 3374. DATA SYSTEM

19 (a) The Commission shall provide for the development, maintenance, and
20 utilization of a coordinated database and reporting system containing licensure,

1 adverse action, and investigative information on all licensed individuals in
2 member states.

3 (b) A member state shall submit a uniform data set to the data system on all
4 individuals to whom this Compact is applicable (utilizing a unique identifier)
5 as required by the rules of the Commission, including:

6 (1) identifying information;

7 (2) licensure data;

8 (3) adverse actions against a license or compact privilege;

9 (4) nonconfidential information related to alternative program
10 participation;

11 (5) any denial of application for licensure, and the reason(s) for such
12 denial;

13 (6) other information that may facilitate the administration of this
14 Compact, as determined by the rules of the Commission; and

15 (7) current significant investigative information.

16 (c) Current significant investigative information and other investigative
17 information pertaining to a licensee in any member state will only be available
18 to other member states.

19 (d) The Commission shall promptly notify all member states of any adverse
20 action taken against a licensee or an individual applying for a license. Adverse

1 action information pertaining to a licensee in any member state will be
2 available to any other member state.

3 (e) Member states contributing information to the data system may
4 designate information that may not be shared with the public without the
5 express permission of the contributing state.

6 (f) Any information submitted to the data system that is subsequently
7 required to be expunged by the laws of the member state contributing the
8 information shall be removed from the data system.

9 § 3375. RULEMAKING

10 (a) The Commission shall exercise its rulemaking powers pursuant to the
11 criteria set forth in this section and the rules adopted thereunder. Rules and
12 amendments shall become binding as of the date specified in each rule or
13 amendment.

14 (b) The Commission shall promulgate reasonable rules in order to
15 effectively and efficiently achieve the purposes of the Compact.

16 Notwithstanding the foregoing, in the event the Commission exercises its
17 rulemaking authority in a manner that is beyond the scope of the purposes of
18 the Compact, or the powers granted hereunder, then such an action by the
19 Commission shall be invalid and have no force and effect.

20 (c) If a majority of the legislatures of the member states rejects a rule, by
21 enactment of a statute or resolution in the same manner used to adopt the

1 Compact within four years of the date of adoption of the rule, then such rule
2 shall have no further force and effect in any member state.

3 (d) Rules or amendments to the rules shall be adopted at a regular or
4 special meeting of the Commission.

5 (e) Prior to promulgation and adoption of a final rule or rules by the
6 Commission, and at least 30 days in advance of the meeting at which the rule
7 will be considered and voted upon, the Commission shall file a Notice of

8 Proposed Rulemaking:

9 (1) on the website of the Commission or other publicly accessible
10 platform; and

11 (2) on the website of each member state occupational therapy licensing
12 board or other publicly accessible platform or the publication in which each
13 state would otherwise publish proposed rules.

14 (f) The Notice of Proposed Rulemaking shall include:

15 (1) the proposed time, date, and location of the meeting in which the
16 rule will be considered and voted upon;

17 (2) the text of the proposed rule or amendment and the reason for the
18 proposed rule;

19 (3) a request for comments on the proposed rule from any interested
20 person; and

1 (4) the manner in which interested persons may submit notice to the
2 Commission of their intention to attend the public hearing and any written
3 comments.

4 (g) Prior to adoption of a proposed rule, the Commission shall allow
5 persons to submit written data, facts, opinions, and arguments, which shall be
6 made available to the public.

7 (h) The Commission shall grant an opportunity for a public hearing before
8 it adopts a rule or amendment if a hearing is requested by:

9 (1) at least 25 persons;

10 (2) a state or federal governmental subdivision or agency; or

11 (3) an association or organization having at least 25 members.

12 (i) If a hearing is held on the proposed rule or amendment, the Commission
13 shall publish the place, time, and date of the scheduled public hearing. If the
14 hearing is held via electronic means, the Commission shall publish the
15 mechanism for access to the electronic hearing.

16 (1) All persons wishing to be heard at the hearing shall notify the
17 executive director of the Commission or other designated member in writing of
18 their desire to appear and testify at the hearing not less than five business days
19 before the scheduled date of the hearing.

1 (2) Hearings shall be conducted in a manner providing each person who
2 wishes to comment a fair and reasonable opportunity to comment orally or in
3 writing.

4 (3) All hearings will be recorded. A copy of the recording will be made
5 available on request.

6 (4) Nothing in this section shall be construed as requiring a separate
7 hearing on each rule. Rules may be grouped for the convenience of the
8 Commission at hearings required by this section.

9 (j) Following the scheduled hearing date, or by the close of business on the
10 scheduled hearing date if the hearing was not held, the Commission shall
11 consider all written and oral comments received.

12 (k) If no written notice of intent to attend the public hearing by interested
13 parties is received, the Commission may proceed with promulgation of the
14 proposed rule without a public hearing.

15 (l) The Commission shall, by majority vote of all members, take final
16 action on the proposed rule and shall determine the effective date of the rule, if
17 any, based on the rulemaking record and the full text of the rule.

18 (m) Upon determination that an emergency exists, the Commission may
19 consider and adopt an emergency rule without prior notice, opportunity for
20 comment, or hearing, provided that the usual rulemaking procedures provided
21 in the Compact and in this section shall be retroactively applied to the rule as

1 soon as reasonably possible, in no event later than 90 days after the effective
2 date of the rule. For the purposes of this provision, an emergency rule is one
3 that must be adopted immediately in order to:

4 (1) meet an imminent threat to public health, safety, or welfare;

5 (2) prevent a loss of Commission or member state funds;

6 (3) meet a deadline for the promulgation of an administrative rule that is
7 established by federal law or rule; or

8 (4) protect public health and safety.

9 (n) The Commission or an authorized committee of the Commission may
10 direct revisions to a previously adopted rule or amendment for purposes of
11 correcting typographical errors, errors in format, errors in consistency, or
12 grammatical errors. Public notice of any revisions shall be posted on the
13 website of the Commission. The revision shall be subject to challenge by any
14 person for a period of 30 days after posting. The revision may be challenged
15 only on grounds that the revision results in a material change to a rule. A
16 challenge shall be made in writing and delivered to the chair of the
17 Commission prior to the end of the notice period. If no challenge is made, the
18 revision will take effect without further action. If the revision is challenged,
19 the revision may not take effect without the approval of the Commission.

20 § 3376. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

21 (a) Oversight.

1 (1) The executive, legislative, and judicial branches of state government
2 in each member state shall enforce this Compact and take all actions necessary
3 and appropriate to effectuate the Compact’s purposes and intent. The
4 provisions of this Compact and the rules promulgated hereunder shall have
5 standing as statutory law.

6 (2) All courts shall take judicial notice of the Compact and the rules in
7 any judicial or administrative proceeding in a member state pertaining to the
8 subject matter of this Compact that may affect the powers, responsibilities, or
9 actions of the Commission.

10 (3) The Commission shall be entitled to receive service of process in
11 any such proceeding and shall have standing to intervene in such a proceeding
12 for all purposes. Failure to provide service of process to the Commission shall
13 render a judgment or order void as to the Commission, this Compact, or
14 promulgated rules.

15 (b) Default, technical assistance, and termination.

16 (1) If the Commission determines that a member state has defaulted in
17 the performance of its obligations or responsibilities under this Compact or the
18 promulgated rules, the Commission shall:

19 (A) provide written notice to the defaulting state and other member
20 states of the nature of the default, the proposed means of curing the default,
21 and/or any other action to be taken by the Commission; and

1 (B) provide remedial training and specific technical assistance
2 regarding the default.

3 (2) If a state in default fails to cure the default, the defaulting state may
4 be terminated from the Compact upon an affirmative vote of a majority of the
5 member states, and all rights, privileges, and benefits conferred by this
6 Compact may be terminated on the effective date of termination. A cure of the
7 default does not relieve the offending state of obligations or liabilities incurred
8 during the period of default.

9 (3) Termination of membership in the Compact shall be imposed only
10 after all other means of securing compliance have been exhausted. Notice of
11 intent to suspend or terminate shall be given by the Commission to the
12 governor, the majority and minority leaders of the defaulting state's legislature,
13 and each of the member states.

14 (4) A state that has been terminated is responsible for all assessments,
15 obligations, and liabilities incurred through the effective date of termination,
16 including obligations that extend beyond the effective date of termination.

17 (5) The Commission shall not bear any costs related to a state that is
18 found to be in default or that has been terminated from the Compact, unless
19 agreed upon in writing between the Commission and the defaulting state.

20 (6) The defaulting state may appeal the action of the Commission by
21 petitioning the United States District Court for the District of Columbia or the

1 federal district where the Commission has its principal offices. The prevailing
2 member shall be awarded all costs of such litigation, including reasonable
3 attorney's fees.

4 (c) Dispute resolution.

5 (1) Upon request by a member state, the Commission shall attempt to
6 resolve disputes related to the Compact that arise among member states and
7 between member and nonmember states.

8 (2) The Commission shall promulgate a rule providing for both
9 mediation and binding dispute resolution for disputes as appropriate.

10 (d) Enforcement.

11 (1) The Commission, in the reasonable exercise of its discretion, shall
12 enforce the provisions and rules of this Compact.

13 (2) By majority vote, the Commission may initiate legal action in the
14 United States District Court for the District of Columbia or the federal district
15 where the Commission has its principal offices against a member state in
16 default to enforce compliance with the provisions of the Compact and its
17 promulgated rules and bylaws. The relief sought may include both injunctive
18 relief and damages. In the event judicial enforcement is necessary, the
19 prevailing member shall be awarded all costs of such litigation, including
20 reasonable attorney's fees.

1 (3) The remedies herein shall not be the exclusive remedies of the
2 Commission. The Commission may pursue any other remedies available under
3 federal or state law.

4 § 3377. DATE OF IMPLEMENTATION OF THE INTERSTATE

5 COMMISSION FOR OCCUPATIONAL THERAPY PRACTICE

6 AND ASSOCIATED RULES, WITHDRAWAL, AND

7 AMENDMENT

8 (a) The Compact shall come into effect on the date on which the Compact
9 statute is enacted into law in the tenth member state. The provisions, which
10 become effective at that time, shall be limited to the powers granted to the
11 Commission relating to assembly and the promulgation of rules. Thereafter,
12 the Commission shall meet and exercise rulemaking powers necessary to the
13 implementation and administration of the Compact.

14 (b) Any state that joins the Compact subsequent to the Commission's initial
15 adoption of the rules shall be subject to the rules as they exist on the date on
16 which the Compact becomes law in that state. Any rule that has been
17 previously adopted by the Commission shall have the full force and effect of
18 law on the day the Compact becomes law in that state.

19 (c) Any member state may withdraw from this Compact by enacting a
20 statute repealing the same.

1 (1) A member state’s withdrawal shall not take effect until six months
2 after enactment of the repealing statute.

3 (2) Withdrawal shall not affect the continuing requirement of the
4 withdrawing state’s occupational therapy licensing board to comply with the
5 investigative and adverse action reporting requirements of this Compact prior
6 to the effective date of withdrawal.

7 (d) Nothing contained in this Compact shall be construed to invalidate or
8 prevent any Occupational Therapy licensure agreement or other cooperative
9 arrangement between a member state and a nonmember state that does not
10 conflict with the provisions of this Compact.

11 (e) This Compact may be amended by the member states. No amendment
12 to this Compact shall become effective and binding upon any member state
13 until it is enacted into the laws of all member states.

14 § 3378. CONSTRUCTION AND SEVERABILITY

15 This Compact shall be liberally construed so as to effectuate the purposes
16 thereof. The provisions of this Compact shall be severable and if any phrase,
17 clause, sentence, or provision of this Compact is declared to be contrary to the
18 constitution of any member state or of the United States or the applicability
19 thereof to any government, agency, person, or circumstance is held invalid, the
20 validity of the remainder of this Compact and the applicability thereof to any
21 government, agency, person, or circumstance shall not be affected thereby. If

1 this Compact shall be held contrary to the constitution of any member state, the
2 Compact shall remain in full force and effect as to the remaining member
3 states and in full force and effect as to the member state affected as to all
4 severable matters.

5 § 3379. BINDING EFFECT OF COMPACT AND OTHER LAWS

6 (a) A licensee providing Occupational Therapy in a remote state under the
7 compact privilege shall function within the laws and regulations of the remote
8 state.

9 (b) Nothing herein prevents the enforcement of any other law of a member
10 state that is not inconsistent with the Compact.

11 (c) Any laws in a member state in conflict with the Compact are
12 superseded to the extent of the conflict.

13 (d) Any lawful actions of the Commission, including all rules and bylaws
14 promulgated by the Commission, are binding upon the member states.

15 (e) All agreements between the Commission and the member states are
16 binding in accordance with their terms.

17 (f) In the event any provision of the Compact exceeds the constitutional
18 limits imposed on the legislature of any member state, the provision shall be
19 ineffective to the extent of the conflict with the constitutional provision in
20 question in that member state.

1 Sec. 3. 3 V.S.A. § 123(j)(1) is amended to read:
