Sec. 13. LEGISLATIVE INTENT; SALISBURY FISH HATCHERY

It is the intent of the General Assembly that:

- (1) The State shall maintain or increase its current fish stocking capacity.
- (2) To the extent practicable, the Salisbury fish hatchery shall, subject to annual appropriations, continue operating through December 31, 2027.
- (3) The Agency of Natural Resources shall examine potential options for continuing the operation of the Salisbury fish hatchery after fiscal year 2027, including maintaining any necessary permits.

(4) The Agency of Natural Resources shall examine options for maintaining or increasing the State’s current fish stocking capacity following the potential closure of the Salisbury fish hatchery, including:

(A) replacing the stocking capacity of the Salisbury fish hatchery with increased stocking capacity at one or more State-operated or federally operated fish hatcheries;

(B) transferring fish stocking capacity from the Salisbury hatchery to other State fish hatcheries;

(C) establishing additional egg production at other State fish hatcheries to compensate for any lost egg production; and

(D) utilizing other innovative or more cost-effective approaches for replacing any lost stocking capacity.

(5) The Agency of Natural Resources shall examine options for limiting any negative economic impact from the potential closure of the Salisbury fish hatchery, including impacts from reduced fish stocking on fishing and tourism, and impacts from the loss of staff positions at the Salisbury fish hatchery.

(6) The Salisbury fish hatchery shall not close without prior approval of the General Assembly, which shall be provided if:

(A) the hatchery is unable to secure the necessary permits to continue operating after December 31, 2027; or

(B) the stocking capacity of the hatchery can be replaced in a manner that is more cost-effective than the up-front and operating costs of the capital improvements necessary for the hatchery to obtain the necessary permits to continue operating after December 31, 2027.

Sec. 14. SALISBURY FISH HATCHERY FEASIBILITY STUDY

(a) The Commissioner of Fish and Wildlife shall update the July 9, 2013 Facility Modernization Discharge Requirements Feasibility Study for the Salisbury Fish Hatchery and shall, on or before December 15, 2024, report to the House Committee on Corrections and Institutions and the Senate Committee on Institutions regarding the feasibility of continuing operations at the Salisbury Fish Hatchery after December 31, 2027, of transferring the production capacity of the Salisbury Fish Hatchery to the State's hatchery system, and of alternative options for replacing the production capacity of the Salisbury Fish Hatchery.

(b) The report shall:

(1) identify the repairs, improvements, and other work necessary to enable the Salisbury Fish Hatchery to obtain any permits necessary to continue operating after December 31, 2027 and provide a detailed analysis of the associated costs and a plan for accomplishing the work;

(2) identify any repairs, improvements, and other work necessary to enable the production capacity of the Salisbury Fish Hatchery to be transferred

to the State's hatchery system and provide a detailed analysis of the associated costs and a plan for accomplishing the work; and

(3) examine alternative approaches to maintaining the State's fish production capacity, including an analysis of associated costs and work necessary to successfully implement each identified alternative approach.

(4) The Committee shall cease to exist on February 28, 2025.

**Sec. 22. SOUTHEAST STATE CORRECTIONAL FACILITY; POTENTIAL
LAND TRANSFER; REPORT**

(a) The Department of Fish and Wildlife, in consultation with the Department of Buildings and General Services, shall evaluate the potential transfer of a portion of the former Southeast State Correctional Facility property to the Department of Fish and Wildlife for inclusion in the adjacent wildlife management area. The evaluation shall:

(1) delineate the portions of the former Southeast State Correctional Facility property that could be used for future redevelopment of the site, taking into account any necessary setbacks from wetlands, streams, or wildlife habitat;

(2) identify any portions of the property that could be transferred into the adjacent wildlife management area and potential impacts on the redevelopment or sale of the property from the transfer of the identified portions; and

(3) identify any rights of way or easements that will be necessary for the potential future redevelopment of any retained portion of the property.

(b) On or before January 15, 2025, the Commissioner of Fish and Wildlife and the Commissioner of Buildings and General Services shall report to the House Committee on Corrections and Institutions and the Senate Committee on Institutions regarding the evaluation and any legislative action that may be necessary to facilitate a proposed transfer or redevelopment of the property.

Sec. 23. SOUTHERN STATE CORRECTIONAL FACILITY; TRANSFER
OF PARCEL

(a) The Commissioner of Buildings and General Services is authorized to transfer to the Town of Springfield a portion of the Southern State Correctional Facility Property consisting of approximately 10 acres to be used as the location of a new Town garage.

(b) The transfer shall be contingent on:

(1) the State obtaining State and local zoning and subdivision approvals that are necessary for the transfer; and

(2) the negotiation of an agreement between the State and the Town of Springfield regarding the maintenance and upkeep of the access road and the water and sewer service lines for the Correctional Facility and the transferred parcel.

(c) The transferred parcel shall not include any brownfields on the Southern State Correctional Facility Property.

(d) In the event the Town does not utilize the transferred parcel for a new Town garage, the Town shall consult with the Commissioner of Buildings and General Services regarding any proposed alternative uses of the parcel.

(e) The transfer authority provided pursuant to this section shall expire on July 1, 2027.

Sec. 24. FORENSIC FACILITY; NEEDS; REVIEW; REPORT

(a) The Commissioner of Buildings and General Services, in consultation with the Commissioners of Mental Health and of Disabilities, Aging, and Independent Living, shall review the programming needs and facility requirements of individuals who will be housed in a proposed forensic facility.

The review shall be performed during fiscal year 2025 using funds from the Department of Buildings and General Service's base appropriation as the Commissioner determines to be appropriate. The Commissioner shall report, on or before February 1, 2025, to the Senate Committees on Appropriations and on Institutions and to the House Committees on Appropriations and on Corrections and Institutions regarding the findings of the review.

(b) It is the intent of the General Assembly that the fiscal year 2026 capital construction and State bonding act shall include funding for the design and development of the proposed forensic facility.

Sec. 25. SOUTHEAST STATE CORRECTIONAL FACILITY;

POTENTIAL REUSE BY THE STATE; POTENTIAL TO

DEACTIVATE BUILDINGS; REPORT

(a) The Commissioner of Buildings and General Services shall:

(1) update previous reports on the potential to repurpose the former

Southeast State Correctional Facility for a State purpose and determine

whether the location of the former Facility can be used for:

(A) another future State facility;

(B) emergency or backup space to address State needs for temporary facility space or temporary office space; or

(C) other State purposes; and

(2) whether some or all of the structures at the former Southeast State Correctional Facility could be temporarily deactivated or winterized to reduce ongoing maintenance costs until the facility is utilized for another State purpose, and the costs related to deactivation or winterization.

(b) The Commissioner shall, on or before January 15, 2025, report to the House Committees on Appropriations and on Corrections and Institutions and the Senate Committees on Appropriations and on Institutions regarding the Commissioner's findings pursuant to subsection (a) of this section.

(c) It is the intent of the General Assembly that it shall not authorize the sale of the parcel on which the former Southeast State Correctional Facility

was located unless the State has determined that the site is not needed for use as the location for a State facility or other State purpose.

Sec. 26. DEPARTMENT FOR CHILDREN AND FAMILIES YOUTH

LONG-TERM LEASE; AUTHORIZATION

Notwithstanding any provisions of 29 V.S.A. § 165(h) or 29 V.S.A. § 166(a) to the contrary, the Commissioner of Buildings and General Services is authorized to enter into a long-term ground lease agreement at a below-market rate for an initial term of not more than 20 years with not more than four five-year renewal options for the Department for Children and Families Youth Short Term Stabilization and Treatment Center. At the end of the term and any renewals, the ground lease shall terminate.

Sec. 27. CAPITOL COMPLEX FLOOD RECOVERY; SPECIAL
COMMITTEE

(a) The Special Committee on Capitol Complex Flood Recovery is established. The Special Committee shall comprise the Joint Fiscal Committee and the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions.

(b)(1) The Special Committee shall meet at the call of the Chair of the Joint Fiscal Committee, in consultation with the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions.

(2)(A) The Special Committee shall meet to review and recommend alterations to proposals and plans for Capitol Complex flood recovery.

(B) The Special Committee may, as necessary, grant approval to proposals and plans for Capitol Complex flood recovery.

(c) The Commissioner of Buildings and General Services shall provide quarterly updates to the Special Committee on the planning process for Capitol Complex flood recovery.

(d) The Special Committee shall be entitled to per diem and expenses as provided in 2 V.S.A. § 23.

Sec. 28. STATE HOUSE; IMPROVEMENTS; DESIGN; SPECIAL
COMMITTEE

(a)(1) To allow the Department of Buildings and General Services to begin the design development phase, it is the intent of the General Assembly to approve a schematic design plan for accessibility, life safety, and mechanical systems improvements to the State House identified in Scenario 1, as approved by the Joint Legislative Management Committee on December 15, 2023 and excluding any improvements that would impact committee rooms.

(2) The Commissioner of Buildings and General Services shall provide the Special Committee established pursuant to subsection (b) of this section with a draft schematic design plan for the work identified pursuant to

subdivision (1) of this subsection on or before July 15, 2024 and a final schematic design plan on or before September 15, 2024.

(b)(1) A Special Committee to be called the Special Committee on State House Improvements consisting of the Joint Legislative Management Committee and the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions is established.

(2) The Special Committee is authorized to meet to:

(A) review and recommend alterations to the draft schematic design to be submitted on or before July 15, 2024 as described in subsection (a) of this section at a regularly scheduled Joint Legislative Management Committee meeting; and

(B) review and approve the final schematic design to be submitted on or before September 15, 2024 as described in subsection (a) of this section at a regularly scheduled Joint Legislative Management Committee meeting.

(c) In making its decision, the Special Committee shall consider:

(1) how the design impacts the ability of the General Assembly to conduct legislative business;

(2) whether the design allows for public access to citizens;

(3) the financial consequences to the State of approval or disapproval of the proposal; and

(4) whether any potential alternatives are available.

(d) The Special Committee shall be entitled to per diem and expenses as provided in 2 V.S.A. § 23.

Sec. 29. 2023 Acts and Resolves No. 69, Sec. 28 is amended to read:

Sec. 28. REPLACEMENT WOMEN’S FACILITIES; SITE LOCATION
PROPOSAL; DESIGN INTENT

(a) Site location proposal.

(1)(A) ~~Site location proposal.~~ On or before January 15, ~~2024~~ 2025, the Commissioner of Buildings and General Services shall submit a site location proposal for replacement women’s **reentry and correctional** facilities for justice-involved women to the House Committee on Corrections and Institutions and the Senate Committee on Institutions.

(B) It is the intent of the General Assembly that:

(i) when evaluating site locations, preference shall be given to State-owned property; and

(ii) the site location, regardless of whether it is on State-owned land or land proposed to be purchased by the State, shall be:

(I) near support services, programming, and work opportunities needed to facilitate successful reentry into the community; and

(II) in a reasonable proximity to the existing workforce to facilitate retention and continuity of experienced staff.

(C)(i) The proposal shall consider both collocating facilities in a campus-style approach for operational efficiencies and the need for separate facilities at different locations.

(ii) The proposal shall consider the proximity of existing and potential future public transit services.

(c) As used in this section, “reentry facility” means a facility that:

(1) is for incarcerated individuals preparing to transition back into the community following release;

(2) provides the lowest level of security;

(3) has a flexible design that is distinct from other existing secure correctional facilities;

(4) provides the individuals housed in the facility with continual access to services and supports, including counseling and treatment; and

(5) is designed in a flexible manner to support programs like work release and day-reporting.

Sec. 30. REPLACEMENT WOMEN’S FACILITIES; AUTHORITY TO PURCHASE LAND; INTENT; REPORT

(a) Contingent authority to purchase land. In the event that the Commissioner of Buildings and General Services, in consultation with the Commissioner of Corrections, is unable to identify appropriate State-owned

site locations for the replacement reentry and correctional facilities for justice-involved women, the Commissioner is authorized to purchase land in a location that is:

(1) near support services, programming, and work opportunities needed to facilitate successful reentry into the community;

(2) in a reasonable proximity to the existing workforce to facilitate retention and continuity of experienced staff; and

(3) near existing or potential future public transit services.

(b) Reports. Beginning in July 2024 and ending in January 2025, the Commissioner of Buildings and General Services, in consultation with the Commissioner of Corrections, shall report at least once per calendar quarter to the House Committee on Corrections and Institutions and the Senate Committee on Institutions regarding the progress in identifying State-owned property and, if necessary, purchasing property on which to locate the replacement facilities for justice-involved women.

(c) As used in this section, “reentry facility” means a facility that:

(1) is for incarcerated individuals preparing to transition back into the community following release;

(2) provides the lowest level of security;

(3) has a flexible design that is distinct from other existing secure correctional facilities;

(4) provides the individuals housed in the facility with continual access to services and supports, including counseling and treatment; and

(5) is designed in a flexible manner to support programs like work release and day-reporting.

Sec. 31. POTENTIAL REUSE OF CHITTENDEN REGIONAL

CORRECTIONAL FACILITY SITE; FEASIBILITY; REPORT

(a) On or before December 15, 2025, the Commissioner of Buildings and General Services, in consultation with the Commissioner of Corrections, shall report to the House Committee on Corrections and Institutions and the Senate Committees on Institutions and on Judiciary regarding the feasibility of utilizing the site of the Chittenden Regional Correctional Facility for a reentry facility for eligible justice-involved men following the construction of replacement facilities for justice-involved women.

(b) The report shall:

(1)(A) evaluate the condition and structure of the existing facility to determine if it can be repurposed as a reentry facility in a manner that supports the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices; and

(B) if it can be repurposed as a reentry facility, the improvements and other work necessary to support the programmatic goals of the Department of

Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices and the estimated cost of performing the work;

(2)(A) evaluate whether a new reentry facility could be constructed on the site following the demolition of some or all of the existing facility;

(B) identify potential designs for a newly constructed reentry facility at the site that supports the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices; and

(C) identify any site work, improvements, and other work necessary to construct a new reentry facility on the site, including the cost of any such work; and

(3) if the existing facility cannot be repurposed as a reentry facility and a new reentry facility cannot be constructed on the site, identify other potential sites for a male reentry facility that are near:

(A) support services, programming, and work opportunities needed to facilitate successful reentry into the community; and

(B) existing or potential future public transit services.

(c) As used in this section, “reentry facility” means a facility that:

(1) is for incarcerated individuals preparing to transition back into the community following release;

(2) provides the lowest level of security;

(3) has a flexible design that is distinct from other existing secure correctional facilities;

(4) provides the individuals housed in the facility with continual access to services and supports, including counseling and treatment; and

(5) is designed in a flexible manner to support programs like work release and day-reporting.

(d) It is the intent of the General Assembly that the fiscal year 2026 capital construction and State bonding act shall include funding for the preparation of the report required pursuant to this section.
