4 Facility site; feasibility; report, by striking out subsection (c) in its entirety and  
5 inserting in lieu thereof a new subsection (c) to read as follows:

6 (c) As used in this section, “reentry facility” means a facility that:

7 (1) is for incarcerated individuals preparing to transition back into the  
8 community following release;

9 (2) provides the lowest level of security;

10 (3) has a flexible design that is distinct from other existing secure  
11 correctional facilities;

12 (4) provides the individuals housed in the facility with continual access  
13 to services and supports, including counseling and treatment; and

14 (5) is designed in a flexible manner to support programs like work  
15 release and day-reporting.
