Act 250 Exempt Priority Housing Projects

7/1/2014 through 12/31/2023

Total Units: 3,813

JO # / PRS	Project Name/Location	Town	Date Issued	Description	Designation	Total Units
JO 4-285	Butternut Station Condominiums 32 Malletts Bay Avenue	Winooski	3/9/2021	Construction of a new multifamily condominium building - a total of 20 residential condominiums within a single building footprint. The overall project parcel is currently owned by the City of Winooski and is the current location of the O'Brien Community Center, library, community health center, and other tenants. Champlain Housing Trust (CHT) will be acquiring about 0.47 acre for construction of the new multifamily condominium building, out of the 2.94 acre overall parcel. No existing buildings will be demolished for construction of the new building. CHT will sell each of the 20 two and three bedroom dwelling units, each of which will be subject to the CHT Condominium Housing Subsidy Covenant.	Neighborhood Development Area	20
JO 4-288	Burlington Town Center Bank, College, St. Paul, and Pine Streets	Burlington	3/25/2021	Redesign of the downtown Burlington redevelopment project known as CityPlace Burlington (formerly known as the Burlington Town Center project). Previous versions of this project were reviewed under JO 4-248 and JO 4-255. The redesigned project proposes 700,000 square feet of mixed use space, including 426 residential units, restaurant, retail, community space, co-working and meeting space. The project includes 422 parking spaces in a structured garage. As found by the Burlington Development Review Board, the project continues to conform to Burlington Inclusionary Zoning requirements regarding affordable housing. The proposal is 25% smaller in overall square footage than that reviewed in the most recent JO 4-255, dated May 5, 2017.	Downtown Development District	426
JO 4-297	79 Pine Street	Burlington	6/14/2021	"Construction of a nine story, 49-unit rental residential building at 79 Pine in Burlington, Vermont. The project is located on a vacant lot within a Designated Downtown Development District and is mixed income housing.	Downtown Development District	49
JO 4-302	157 South Champlain Street	Burlington	5/27/2022	Construction of a 5-story, 38,000 sf, 48-unit rental apartment building at 157 South Champlain Street in Burlington, Vermont. The project is proposed to be mixed income under 10 VSA 6001(27)(B) and is located within a Designated Downtown Development District.	Downtown Development District	48
JO 4-303	Champlain Housing Trust 66 Zephyr Road	Williston	8/20/2021	The project includes the conversion of two hotel buildings consisting of 99-rooms into 72 studio and one-bedroom apartments. Exterior changes include the removal of the hotel sign, removal of existing fire pits and grills, construction of new sidewalks and exterior bicycle racks. The project is located at 66 Zephyr Road in Williston, Vermont within Williston's designated Growth Center. Champlain Housing Trust represents that 66 of these apartments will be perpetually restricted to households whose incomes are below 60% area median income ("AMI") and 6 apartments will be perpetually restricted to households whose incomes are below 80% AMI. Champlain Housing Trust indicates that the rents would range between \$800 to \$1,000 per month including utilities. There are no association fees associated with the project. To date, Williston reportedly has a population between 6,000 and 9,999. The project will remain below the unit cap included in 10 V.S.A. 6001(3)(A)(iv)(I).	Growth Center	72
JO 4-308	EIV Technical Services 340 Main Street	Winooski	9/28/2021	Construction of a 4 story, 24-unit apartment building at 340 Main Street in Winooski, VT. The project is located within a Neighborhood Development Area. 100% of the gross floor area (15,800 square feet) is devoted to residential space. At least 20% of the units will be affordable (rented to households not making more than 80% of MSA) where cost of housing including rent, utilities and fees is no greater than 30% of gross annual household income. Five of the twenty-four units will be affordable as per 10 VSA 6001(3)(A)(iv)(I). Starting rent to meet this affordable requirement will be no greater than \$1,535.00 and will be adjusted over time to meet the requirements of 10 VSA 6001(3)(A)(iv)(I). JO 4-328	Champlain Housing Trust/Evernorth	Burlington	7/20/2022	Proposed mixed-use commercial and residential building located at 176 South Winooski Avenue, Burlington Vermont. A new five-story building will be constructed. The redeveloped property is mixed use – commercial (~6500sf) on the first floor and four floors of multifamily affordable housing above (~38 units) and some parking on site.	Downtown Development District	38
JO 4-357	Market Street	South Burlington	06/26/2023	Jurisdictional Opinion to determine whether a phased mixed use project located off Market Street within the City of South Burlington meets the definition of a Priority Housing Project (PHP). Construction on three mixed use buildings is currently underway, with construction on a residential building planned to commence within the next month. The project continues to be located entirely within a State designated New Town Center. The primary purpose of requesting an updated Jurisdictional Opinion is to recognize the increase in the total number of dwelling units anticipated for construction. Note that the increase in the proposed number of dwelling units includes a reduction in the portion of the project devoted to commercial use.	New Town Center	785
JO 4-365	Burlington Town Center Bank, College, St. Paul, and Pine Streets	Burlington	09/14/2023	Jurisdictional Opinion to determine whether a hotel use within a portion of the north building in the CityPlace Burlington project still allows the project to meet the definition of a Priority Housing Project (PHP). JO 6-016	City of St. Albans	St. Albans City	4/12/2019	The City of St. Albans, in partnership with a private developer, Congress & Main, LLC, and Champlain Housing Trust (CHT), proposes to develop a mixed-use project within its state-designated Downtown Development District on a City-owned site of slightly less than one acre. The project includes approximately 55,664 square feet of rental housing for a total of 54 residential units and approximately 24,270 square feet of commercial space for a total square footage of 79,934 across three separate buildings. Of the 54 total residential units, 30 will be affordable housing and 24 will be market-rate.	Downtown Development District	54
JO 6-028	15-21 Lower Newton Street	Saint Albans City	10/17/2023	Jurisdictional opinion to determine whether the construction of a 33-unit senior housing project and an 87-unit development for workforce housing meets the definition of a Priority Housing Project (PHP).	Growth Center	120
JO 7-323	Rural Edge	St. Johnsbury	3/31/2022	Rehabilitate 5 existing units of housing located at 138 Cherry Street, St. Johnsbury, as further identified in the JO Request and Exhibits on the Act 250 Database (see Project Number JO 7-323). Based on NRB mapping of Act 250 land use permits, the property is not subject to Act 250 jurisdiction via previously issued Act 250 permit. The project is located in a designated downtown development district, and appears to be a priority housing project. The project does not create any new or additional units of housing.	Downtown Development District	5
JO 8-269	ROSCAR, LLC	Bennington	12/2/2021	Proposed mixed use commercial and residential building located at 113 Depot Street in Bennington. The project will include approximately 13,000 square feet of commercial space located on the first floor, and approximately 60 residential units for rental. The residential units will consist of studio apartments, 1-bedroom units, and two-bedroom units. Twenty percent (20%) of the housing units will meet the definition of "affordable housing" under 10 V.S.A. § 6001(29). The project is located within a State Designated Downtown and Designated Growth Center. The developer of the project is ROSCAR, LLC.	Downtown Development District	60
JO 8-278	Chris Gilbert	Bennington	10/27/2022	Renovations to the former Mount Anthony Union Middle School located at 650 Main Street, Bennington to: 1) create 15 affordable rental units; 2) create 23-27 market rate rental units for such uses as a daycare and commercial space; and 3) use another area of the existing building for the YMCA (using the current gymnasium and other space for a weight room), a senior center, meals on wheels, and possibly a makers space. The existing building is roughly 100,000 SF (gross), with roughly 36,000 SF proposed for commercial use and 64,000 SF proposed for mixed income housing which is roughly 64% of the Gross Area, which exceeds the 40% minimum mixed income housing required for a Priority Housing Project. There will be no industrial use. The project is located in a designated downtown area. The population of Bennington was 15,303 in 2021. The building will not be demolished, but will be repurposed. The applicant is also seeking Historic Preservation Tax Credits for the project.	Downtown Development District	15
