

**STATE OF VERMONT**  
OFFICE OF LEGISLATIVE COUNSEL

**MEMORANDUM**

To: Senate Committee on Transportation  
From: Donna Russo-Savage  
Date: March 11, 2024  
Subject: Reports due to Committees on Transportation

2 V.S.A. § 20(d) provides:

*(d) It is the intent of the General Assembly that, except for reports required by interstate compacts and except as otherwise provided by law, whenever an agency is required by law to submit an annual, biennial, or other periodic report to the General Assembly, that requirement shall no longer be required after five years or after five years from the last date that the statutory or session law section containing the report was amended, whichever date is later. In each biennial session, the Office of Legislative Counsel shall prepare for the General Assembly's review a list of the reports subject to this subsection. A report requirement shall only expire pursuant to legislative enactment.*

I have reviewed the table dated December 7, 2023 prepared by Legislative Council and have grouped the reports into the following categories.

For ease of reference, you may want to mark each row in the table as #1 through #33.

I. Review to decide if they should continue to be provided annually – All reports in this category have been copied and pasted into the companion document dated 02/27/24

- #1 – 23 V.S.A. § 1607(e) – Automated License Plate Recognition Systems (current session law will repeal § 1607 on July 1, 2024; S.184 would repeal the repeal and keep § 1607 in statute)
- #2 – 10 V.S.A. § 1941(f) – Petroleum Cleanup Fund & Program (table lists it as subsection (e))
- #3 – 10 V.S.A. § 1942(a) – Balance of Motor Fuel Account
- #7 – 19 V.S.A. § 7(k) – Provides Prompt Summary of Federal Earmarks to Transportation Committees (2/27/24: ***The Committee discussed amending or repealing subsection (k) – what additional information do you need to make the decision?***)
- #8 – 19 V.S.A. § 42(b) – Annual Consolidated Transportation System and Activities Report (2/27/24: ***The Committee discussed repealing this requirement***)

- #9 – 10 V.S.A. § 1389a – Clean Water Investment Report
- #17 – Act 55, Sec. 30(b) (2021) – Electric Vehicle Supply Equipment Maps
- #26 – 19 V.S.A. § 2905 – Effectiveness of Vehicle Incentive Programs
- #27 – Act 62, Sec. 21(h) – Reporting Requirements of § 2905 (#26 above)  
Applies to the Electrify Your Fleet Program
- #30 – 19 V.S.A. § 2404 (*table says 2904*), Complete Streets (due annually beginning September 1, 2025)

II. Reports that are due for a set number of years, with a final date of 2024 or later –All reports in this category have been copied and pasted into the companion document dated 02/27/24.

- #15 – 19 V.S.A. § 2615 – Public-Private Partnership Pilot (section to be repealed July 1, 2026)
- #18 – Act 55, Sec. 33(f) (2021) – PEV Electric Distribution Utility Rate Design (due January 2022, 2023, 2024, and 2025)
