**Act No. 91 (H.927). An act relating to technical corrections for the 2026 legislative session**

**Subjects: Government operations; Vermont Statutes Annotated; 2026 technical corrections**

This act contains technical corrections proposed primarily by the Office of Legislative Counsel. They include updates and corrections related to terminology and nomenclature; gender neutrality; statutory cross-references; grammar, punctuation, and style; drafting conventions and formatting; Legislative Branch and Executive Branch entities; and statutory errors and omissions. The amendments affect 19 of the 33 titles of the Vermont Statutes Annotated. The act also includes one substantive amendment, which concerns the Joint Carbon Emissions Reduction Committee. Specifically, the amendment requires political diversity with respect to membership on this legislative oversight committee.

Effective Date: April 30, 2026
