

**No. 122. An act relating to addressing and preventing chronic absenteeism.**

(H.930)

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. FINDINGS

The General Assembly finds that:

(1) Chronic absenteeism is primarily an issue that should be addressed through preventative, restorative, and assistance-based measures designed to identify barriers to attendance and reconnect students with school. Schools should respond to chronic absenteeism through written attendance support plans, outreach to families, and appropriate academic, behavioral, and community-based supports.

(2) Truancy is distinct from chronic absenteeism and constitutes a student's failure to comply with compulsory attendance requirements under Vermont law. Truancy should serve as a legal enforcement mechanism only after reasonable school-based interventions have been attempted and have not resulted in improved attendance. Truancy proceedings should be reserved for circumstances in which school-based interventions have not been successful and formal legal enforcement is necessary to ensure compliance with compulsory attendance laws.

Sec. 2. LEGISLATIVE INTENT

It is the intent of the General Assembly that student attendance policies in Vermont schools prioritize early identification, supportive intervention, and

meaningful family engagement in order to produce consistent school attendance and student success.

Sec. 3. 16 V.S.A. chapter 25, subchapter 3 is amended to read:
