5 Subject: Health; health insurance; health care providers; claim edits; place of
6 service; prior authorization; primary care providers

7 Statement of purpose of bill as introduced: This bill proposes to specify that
8 otherwise applicable health insurance claim edit standards do not apply when a
9 health care service is delivered outside Vermont, unless otherwise agreed to by
10 the health insurer and the out-of-state provider. It would also modify the
11 definition of a primary care provider for purposes of determining which health
12 care providers' orders are exempt from prior authorization requirements.

13 An act relating to claim edit standards and prior authorization requirements

14 It is hereby enacted by the General Assembly of the State of Vermont:

15 Sec. 1. 18 V.S.A. § 9418a is amended to read:

16 § 9418a. PROCESSING CLAIMS, DOWNCODING, AND ADHERENCE
17 TO CODING RULES

1 (c) Adherence to the edit standards in subsection (b) of this section is not
2 required:

4 regulations, or coverage mandates; ~~or~~

5 (2) for edits that the payer determines are more favorable to providers
6 than the edit standards in subsection (b) of this section or to address new codes
7 not yet incorporated by a payer's edit management software, provided the edit
8 standards are:

9 (A) developed with input from the relevant Vermont provider
10 community and national provider organizations;

11 (B) clearly supported by nationally recognized standards, guidelines,
12 or conventions approved by the Commissioner of Financial Regulation; and

13 (C) available to providers on the plan's websites and in its
14 newsletters or equivalent electronic communications; or

15 (3) when adjudicating claims for health care services that were delivered
16 outside the State of Vermont, unless the payer and the out-of-state provider
17 agree that one or more of the edit standards set forth in subsection (b) of this
18 section will apply.
