SHORT FORM

Introduced by Representatives Donahue of Northfield, Burrows of West  
Windsor, Christie of Hartford, Cina of Burlington, and LaMont  
of Morristown

Referred to Committee on

Date:

Subject: Health; health equity; community health center pilot program

Statement of purpose of bill as introduced: This bill proposes to appropriate  
\$500,000.00 to the Department of Health for the purpose of establishing a  
community health center pilot program that issues grants for the development  
and provision of health and wellness programming and targeted services to  
marginalized communities experiencing health disparities. It further proposes  
to require the Department to seek and consider input from the Health Equity  
Advisory Commission in the creation and administration of a community  
health center pilot program.

An act relating to establishing a community health center pilot program

It is hereby enacted by the General Assembly of the State of Vermont:
