SHORT FORM

Introduced by Representative Mrowicki of Putney

Referred to Committee on

Date:

Subject: Public service; energy; renewable energy; Affordable Heat Act; Clean

Heat Standard

Statement of purpose of bill as introduced: This bill proposes to authorize the

Clean Heat Standard rules to be adopted with a price cap on the cost of clean

heat credits. The price cap shall ensure that the cost of the Clean Heat

Standard Program will not raise the delivered cost of fossil heating fuels more

than \$0.10 per gallon for the first five years.

An act relating to authorizing the Clean Heat Standard rules

It is hereby enacted by the General Assembly of the State of Vermont:
