H.458

Introduced by Committee on Energy and Digital Infrastructure

Date:

Subject: Executive; Agency of Digital Services

Statement of purpose of bill as introduced: This bill proposes to revise the reporting requirements required of the Agency of Digital Services and to require the Agency to provide publicly available information containing details regarding information technology projects.

An act relating to the Agency of Digital Services

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. INTENT

The intent of this act is for the Agency of Digital Services to provide the General Assembly and the public with more transparency about the scope, budget, and overall status of certain information technology projects being managed by the Agency. This act requires the Agency to include more details about information technology projects it manages in its annual reporting as well as on its publicly available website in the form of a current projects inventory.

1 Sec. 2. 3 V.S.A. § 3303 is amended to read:

2 § 3303. REPORTING, RECORDS, AND REVIEW REQUIREMENTS

3 (a) Annual report and budget. The Secretary shall submit to the ~~General~~
4 Assembly House Committee on Energy and Digital Infrastructure and the
5 Senate Committee on Institutions, concurrent with the Governor's annual
6 budget request required under 32 V.S.A. § 306, an annual report for
7 information technology and cybersecurity. The report shall reflect the
8 priorities of the Agency and shall include:

9 (1) performance metrics and trends, including baseline and annual
10 measurements, for each division of the Agency;

11 (2) a financial report of revenues and expenditures to date for the current
12 fiscal year;

13 (3) costs avoided or saved as a result of technology optimization for the
14 previous fiscal year;

15 (4) ~~an outline summary of information, including scope, schedule,~~
16 ~~budget, and status for information technology projects with total costs of~~
17 ~~\$500,000.00 or greater~~ a summary of each active information technology
18 project managed by the Agency's Enterprise Project Management Office,
19 including each project's:

20 (A) scope;

21 (B) budget;

1 (C) timeline; and

2 (D) status, which includes:

3 (i) project closure details;

4 (ii) project changes over time; and

5 (iii) other indicators of the project being on time and on budget;

6 (5) an annual update to the strategic plan prepared pursuant to
7 subsection (c) of this section;

8 (6) a summary of independent reviews as required by subsection (d) of
9 this section, including any uses of the waiver authority by the Chief

10 Information Officer pursuant to subdivision (d)(3) of this section;

11 (7) the Agency budget submission;

12 (8) an annual update to the inventory required by section 3305 of this
13 title; and-

14 (9) a report on the expenditures of the Technology Modernization
15 Special Fund, a list of projects receiving funding from the Fund in the prior
16 fiscal year, and a list of prioritized recommendations for projects to be funded
17 from the Fund in the next fiscal year.

18 (b) Records. The Agency shall maintain the following records for
19 information technology projects ~~with a total cost of \$500,000.00 or greater~~

20 managed by the Agency's Enterprise Project Management Office:

1 Officer if, in ~~his or her~~ the Chief Information Officer's judgment, such a
2 review would be duplicative of one or more reviews that have been, or will be,
3 conducted under a separate federal or State requirement. If waived, such
4 waiver shall be in writing and in accordance with procedures established by the
5 Chief Information Officer.

6 (e) Current projects inventory. The Agency shall maintain a project
7 inventory on its publicly accessible website that displays the status of all
8 current information technology projects managed by the Agency's Enterprise
9 Project Management Office. The inventory shall be updated at least monthly
10 and include the:

11 (1) State government business partner for each project;

12 (2) name of each project;

13 (3) start date of each project;

14 (4) estimated date of completion at the start of the implementation phase
15 of each project along with an indicator as to whether the project is on time;

16 (5) estimated project cost at the start of the implementation phase of
17 each project along with an indicator as to whether the project is on budget;

18 (6) current estimated date of completion of each project; and

19 (7) current estimated cost of each project.

20 Sec. 3. EFFECTIVE DATE

21 This act shall take effect on July 1, 2025.
