SHORT FORM

Introduced by Representatives Waszazak of Barre City and Galfetti of Barre
Town

Referred to Committee on

Date:

Subject: Internal security and public safety; emergency management;
miscellaneous amendments relating to flood response and resilience

Statement of purpose of bill as introduced: This bill proposes to require the
Agency of Natural Resources to implement flood resiliency projects, including
floodway creation, selective debris clearing from waterways, restoring flood-
retaining systems, and supporting riverbank naturalization projects to reduce
erosion and improve floodwater absorption. This bill also proposes to allow
the Agency to expedite the permitting of cost-effective flood mitigation
solutions for faster project implementation and reduced costs.

An act relating to flood response and the duties of the Agency of Natural
Resources

It is hereby enacted by the General Assembly of the State of Vermont:
