

1 H.796

2 SHORT FORM

3 Introduced by Representative Campbell of St. Johnsbury

4 Referred to Committee on

5 Date:

6 Subject: Highways; electric vehicle supply equipment; standards of service

7 Statement of purpose of bill as introduced: This bill proposes to require that

8 all publicly available electric vehicle supply equipment (EVSE) shall (1)

9 accept multiple forms of payment, including credit cards; (2) display

10 prominently an explanation of all fees and charges that may be incurred for use

11 of the EVSE, including charges for parking or remaining at the EVSE after the

12 vehicle has completed charging; (3) make its real-time status available to the

13 public, including whether the EVSE is available, in use, or out of service; and

14 (4) comply with any other requirements that the Secretary of Transportation

15 determines, by rule, are necessary to provide reliable service to drivers of

16 battery electric vehicles.

17 An act relating to public electric vehicle supply equipment standards of
18 service

19 It is hereby enacted by the General Assembly of the State of Vermont:
