6 Subject: Health; public health; aging; blue zone

7 Statement of purpose of bill as introduced: This bill proposes to require the  
8 Agency of Human Services and stakeholders to create a blue zone blueprint for  
9 implementation in Vermont after completing a public engagement campaign  
10 that includes education, media outreach, and participatory decision making.  
11 The public engagement campaign shall establish a shared definition of “blue  
12 zone” throughout the State and assess existing local strengths, assets,  
13 resources, needs, and gaps in services for the purpose of identifying  
14 opportunities to pursue blue zone status in Vermont.

15 An act relating to developing a blue zone blueprint

16 It is hereby enacted by the General Assembly of the State of Vermont:
