2 Introduced by Committee on Agriculture, Food Resiliency, and Forestry

3 Date:

4 Subject: Conservation and development; land use; forestry; Act 250

5 Statement of purpose of bill as introduced: This bill proposes to clarify Act
6 250 jurisdiction over forestry by specifying that on a parcel devoted primarily
7 to forestry, that jurisdiction only attaches to the part of the property that is for
8 development. It would also exempt log and pulp concentration yards from Act
9 250. It would also clarify that forestry and logging below 2,500 feet in
10 elevation is exempt from Act 250, provided it does not violate any other Act
11 250 permit conditions.
