H.947

SHORT FORM

Introduced by Representative Burrows of West Windsor

Referred to Committee on

Date:

Subject: Housing; internal security and public safety; Executive; Division of
Fire Safety; residential building codes; universal design

Statement of purpose of bill as introduced: This bill proposes to require the
Division of Fire Safety within the Department of Public Safety to initiate
rulemaking to implement a residential universal design building code and to
require that a housing development that utilizes State funding incorporate
housing designs that meet the residential universal design building code
adopted by the Division.

An act relating to the requirement to implement a residential universal
design building code

It is hereby enacted by the General Assembly of the State of Vermont:
