

1 S.36

2 An act relating to the delivery and payment of certain services provided  
3 through the Agency of Human Services, services for persons who are  
4 incapacitated, and Human Services Board proceedings

5 It is hereby enacted by the General Assembly of the State of Vermont:

6 Sec. 1. 33 V.S.A. § 1901n is added to read:

7 § 1901n. HIGH-INTENSITY RESIDENTIAL TREATMENT FOR  
8 SUBSTANCE USE DISORDER AND CO-OCCURRING  
9 MENTAL CONDITIONS

10 (a) The Agency of Human Services shall provide coverage for medically  
11 necessary high-intensity, medically monitored residential treatment episodes to  
12 Medicaid beneficiaries with substance use disorder and a co-occurring mental  
13 health condition when medically necessary high-intensity, medically  
14 monitored residential treatment episodes are prescribed by a health care  
15 professional employed by a residential treatment program who is practicing  
16 within the scope of the health professional's license and the residential  
17 treatment program is participating in Vermont's Medicaid program.

18 (b) Coverage provided under this section shall be for the entire length of  
19 stay prescribed by a health care professional employed by a residential  
20 treatment program, who shall take into account current best practices for each  
21 level of care within the substance use continuum of care.

1 Sec. 2. 33 V.S.A. § 1901o is added to read:

2 § 1901o. LOW-INTENSITY RESIDENTIAL TREATMENT FOR  
3 SUBSTANCE USE DISORDER AND CO-OCCURRING  
4 MENTAL CONDITIONS

5 (a) The Agency of Human Services shall provide coverage for medically  
6 necessary low-intensity, clinically managed residential treatment episodes to  
7 Medicaid beneficiaries with substance use disorder and a co-occurring mental  
8 health condition when medically necessary low-intensity, clinically managed  
9 residential treatment episodes are prescribed by a health care professional  
10 employed by a residential treatment program who is practicing within the  
11 scope of the health care professional's license and the residential treatment  
12 program is participating in Vermont's Medicaid program.

13 (b) Coverage provided under this section shall be for the entire length of  
14 stay prescribed by a health care professional employed by a residential  
15 treatment program, who shall take into account current best practices for levels  
16 of care within the substance use continuum of care.

17 Sec. 3. REPORT; MEDICAID PAYMENT MODEL FOR RESIDENTIAL  
18 SUBSTANCE USE DISORDER TREATMENT SERVICES

19 The Agency of Human Services shall conduct a review of the Medicaid  
20 payment model for residential substance use disorder treatment services with  
21 special consideration given to the actual cost of providing residential treatment

1 services, commensurate with length of stay, co-occurring physical and mental  
2 health needs, and postresidential treatment service needs. The results of the  
3 review shall be submitted to the House Committee on Human Services and the  
4 Senate Committee on Health and Welfare on or before December 1, 2025. The  
5 review shall include recommendations and proposed legislation to:

6 (1) align the Medicaid payment model with the clinical needs of  
7 individuals receiving residential substance use disorder treatment services; and  
8 (2) ensure coordinated transitions between residential substance use  
9 disorder treatment providers offering varying acuity of care.

10 Sec. 4. REPEAL

1       Sec. 6. REPORTS; SERVICES AND PROGRAMMING FOR PERSONS

2               WHO ARE INCAPACITATED

3               (a)(1) The Departments of Health and of Mental Health's existing plan to  
4               expand services and programming for persons who are incapacitated pursuant  
5               to 18 V.S.A. § 4810 shall prioritize Chittenden County.

6               (2) On or before February 15, 2026, the Departments of Health and of  
7               Mental Health shall jointly provide a presentation to the House Committees on  
8               Health Care and on Human Services and to the Senate Committee on Health  
9               and Welfare describing efforts to expand services and programming for  
10              persons who are incapacitated pursuant to subdivision (1) of this subsection.

11              (b) On or before February 15, 2026, the Department of Corrections shall  
12              provide a presentation to the House Committees on Corrections and  
13              Institutions, on Health Care, and on Human Services and to the Senate  
14              Committees on Institutions and on Health and Welfare describing efforts to  
15              reinstate the practice of connecting persons who are in a correctional facility  
16              due to incapacitation pursuant to 18 V.S.A. § 4810 with appropriate  
17              community-based substance use recovery providers.

18       Sec. 7. REPORTS; HUMAN SERVICES BOARD PROCEEDINGS

19              (a) On or before December 15, 2025, the Agency of Human Services, in  
20              consultation with the Human Services Board, Office of the Attorney General,  
21              each of the Agency's departments with cases before the Human Services

1 Board, community partners, and individuals with lived experience as  
2 appellants before the Board, shall submit a written report to the House  
3 Committees on Health Care and on Human Services and to the Senate  
4 Committee on Health and Welfare providing the following information and  
5 recommendations regarding proceedings before the Board:

6 (1) a proposal that attorneys representing the Agency or departments  
7 participate in training that balances the attorney's ethical obligation to  
8 zealously represent the attorney's client with the respectful, trauma-informed  
9 treatment of appellants;

10 (2) an analysis of varying appeals processes specific to the Agency and  
11 each department with cases before the Board, including proposals and any  
12 legislative action necessary to improve consistency;

13 (3) a proposal to identify and collect currently unavailable data in a  
14 manner that ensures uniform data collection across the Agency and  
15 departments with cases before the Board, including data regarding cases  
16 resolved prior to reaching the stage of hearing officer or full Board  
17 involvement;

18 (4) recommendations for resolving potential appeals prior to reaching  
19 the Board; and

20 (5) any other recommendation requiring legislative action.

1       (b) On or before December 15, 2025, the Human Services Board, in  
2       collaboration with the Agency of Human Services, each of the Agency's  
3       departments with cases before the Board, the Office of the Attorney General,  
4       community partners, and individuals with lived experience as appellants before  
5       the Board, shall submit a written report to the House Committees on Health  
6       Care and on Human Services and to the Senate Committee on Health and  
7       Welfare providing the following information and recommendations regarding  
8       proceedings before the Board:

9               (1) a proposal to improve understanding of Board processes and  
10              accessibility to appellants, including the use of media and graphics to explain  
11              what the Board is and how it operates;

12              (2) a proposal for the exchange of periodic feedback as part of a  
13              continual quality improvement process between the Board, Agency,  
14              departments appearing before the Board, Office of the Attorney General,  
15              Vermont Legal Aid, and other relevant stakeholders;

16              (3) an analysis of how to enable an appellant to present a personal  
17              narrative without jeopardizing the appellant's case or disrupting the legal  
18              obligations of the Board and the attorneys representing the Agency or  
19              departments appearing before the Board; and

20              (4) recommendations to improve the reporting and analysis of data to  
21              the General Assembly, including information related to appeal requests
