| 6  | education property tax; education income tax; education finance                 |
| 7  | Statement of purpose of bill as introduced: This bill proposes to transition    |
| 8  | from an education property tax to an education income tax in fiscal year 2027.  |
| 9  | This bill would create an education tax that is based on the income of Vermont  |
| 10 | homeowners with a rate determined by locally voted budgets. This bill           |
| 11 | proposes to impose the education tax on the income of all Vermont residents     |
| 12 | (both homeowners and renters) in fiscal year 2030. This bill would eliminate    |
| 13 | the homestead education property tax and levy the nonhomestead education        |
| 14 | property tax on all property except residential dwellings and the two-acre      |
| 15 | parcel surrounding the dwellings. This bill would continue to provide the       |
| 16 | existing renter credit and create a new renter credit against the education     |
| 17 | income tax. This bill also proposes to update the property tax credit income    |
| 18 | sensitivity measures to provide relief to a broader class of Vermont taxpayers  |
| 19 | in fiscal year 2026. This bill also proposes to address revenue lost due to the |
| 20 | expansion of the income sensitivity measures by creating a one-year new top     |
| 21 | marginal tax rate on income.                                                    |

| 11 | § 6066a. DETERMINATION OF <u>MUNICIPAL</u> PROPERTY TAX CREDIT                     |
| 12 | (a) Annually, the Commissioner shall determine the municipal property tax          |
| 13 | credit amount under section 6066 of this title, related to a homestead owned by    |
| 14 | the claimant, based on the prior taxable year's income and crediting municipal     |

| 16 | municipality in which the housesite is located of the amount of the property tax   |
| 17 | credit for the claimant for homestead municipal property tax liabilities on a      |
| 18 | monthly basis. The tax credit of a claimant who was assessed property tax by       |
| 19 | a town that revised the dates of its fiscal year, however, is the excess of the    |
| 20 | municipal property tax that was assessed in the last 12 months of the revised      |
| 21 | fiscal year, over the adjusted property tax of the claimant for the revised fiscal |

| 1  | year, as determined under section 6066 of this title, related to a homestead       |
|----|------------------------------------------------------------------------------------|
| 2  | owned by the claimant.                                                             |
| 3  | (b) The Commissioner shall include in the total property tax credit amount         |
| 4  | determined under subsection (a) of this section, for credit to the taxpayer for    |
| 5  | homestead property tax liabilities, any income tax overpayment remaining           |

| 9  | (c) The Commissioner shall notify the municipality of any claim and                |
| 10 | refund amounts unresolved by November 1 at the time of final resolution,           |
| 11 | including adjudication, if any; provided, however, that towns will not be          |
| 12 | notified of any additional credit amounts after November 1 of the claim year,      |
| 13 | and such amounts shall be paid to the claimant by the Commissioner.                |
| 14 | (d) [Repealed.]                                                                    |
| 15 | (e) At the time of notice to the municipality, the Commissioner shall notify       |
| 16 | the taxpayer of the municipal property tax credit amount determined under          |
| 17 | subdivision subsection 6066(a)(1) of this title, the amount determined under       |
| 18 | subdivision 6066(a)(3) of this title, any additional credit amounts due the        |
| 19 | homestead owner under section 6066 of this title, the amount of income tax         |
| 20 | refund, if any, allocated to payment of homestead property tax liabilities, and    |
| 21 | any late-claim reduction amount.                                                   |

| 1  | (f)(1) For taxpayers and amounts stated in the notice to towns on or before            |
|----|----------------------------------------------------------------------------------------|
| 2  | July 1, municipalities shall create and send to taxpayers a homestead property         |
| 3  | tax bill, instead of the bill required under subdivision 5402(b)(1) of this title,     |
| 4  | providing the total amount allocated to payment of homestead education                 |
| 5  | property tax liabilities and notice of the balance due. Municipalities shall           |
| 6  | apply the amount allocated under this chapter to current year property taxes in        |
| 7  | equal amounts to each of the taxpayers' property tax installments that include         |
| 8  | education taxes. Notwithstanding section 4772 of this title, if a town issues a        |
| 9  | corrected bill as a result of the notice sent by the Commissioner under                |
| 10 | subsection (a) of this section, issuance of the corrected new bill does not            |
| 11 | extend the time for payment of the original bill nor relieve the taxpayer of any       |
| 12 | interest or penalties associated with the original bill. If the corrected bill is less |
| 13 | than the original bill, and there are also no unpaid current year taxes, interest,     |
| 14 | or penalties, and no past year delinquent taxes or penalties and interest charges,     |
| 15 | any overpayment shall be reflected on the corrected tax bill and refunded to the       |
| 16 | taxpayer.                                                                              |
| 17 | (2) For property tax credit amounts for which municipalities receive                   |
| 18 | notice after November 1, municipalities shall issue a new homestead property           |
| 19 | tax bill with notice to the taxpayer of the total amount allocated to payment of       |
| 20 | homestead property tax liabilities and notice of the balance due.                      |

| 1  | (3) The property tax credit amount determined for the taxpayer shall be            |
|----|------------------------------------------------------------------------------------|
| 2  | allocated first to current year property tax on the homestead parcel, next to      |
| 3  | current year homestead parcel penalties and interest, next to any prior year       |
| 4  | homestead parcel penalties and interest, and last to any prior year property tax   |
| 5  | on the homestead parcel. No credit shall be allocated to a property tax liability  |
| 6  | for any year after the year for which the claim or refund allocation was filed.    |
| 7  | No municipal tax-reduction incentive for early payment of taxes shall apply to     |
| 8  | any amount allocated to the property tax bill under this chapter.                  |
| 9  | (4) If the property tax credit amount as described in subsection (e) of            |
| 10 | this section exceeds the property tax, penalties, and interest due for the current |
| 11 | and all prior years, the municipality shall refund the excess to the taxpayer,     |
| 12 | without interest, within 20 days of the first date upon which taxes become due     |
| 13 | and payable or 20 days after notification of the credit amount by the              |
| 14 | Commissioner of Taxes, whichever is later. [Repealed.]                             |
| 15 | (g) The Commissioner of Taxes shall pay monthly to each municipality the           |
| 16 | amount of municipal property tax credit of which the municipality was last         |
| 17 | notified related to municipal property tax on homesteads within that               |
| 18 | municipality, as determined by the Commissioner of Taxes.                          |
