5 (ii) the financial impacts on the hospital both of maintaining the
6 service and of eliminating the service; and

9 (2) The Agency of Human Services shall evaluate the information
10 provided by the hospital in its preliminary notice of intent pursuant to
11 subdivision (1) of this subsection, the financial impact of the proposed
12 elimination on Vermont's health care system, and the impact of the proposed
13 elimination on access to health care services in the region.

14 (3)(A) The Agency and the Green Mountain Care Board may consult
15 with a hospital that has submitted a preliminary notice of intent pursuant to
16 subdivision (1) of this subsection (a) regarding the proposed elimination in
17 order to explore opportunities to maintain the service or otherwise to address
18 the circumstances that prompted the proposed elimination.

19 (B) A hospital that is considering eliminating any service other than
20 those listed in subdivisions (1)(A)(i)-(viii) of this subsection (a) may choose to
21 provide a preliminary notice of intent to the Agency of Human Services and

1 the Green Mountain Care Board that includes the information described in

5 (4) All information and materials related to a preliminary notice of
6 intent and related consultation pursuant to this subsection, including all
7 materials provided by the hospital to the Agency or the Board, shall be exempt
8 from public inspection and copying under the Public Records Act and shall be
9 kept confidential, except that the Agency and the Board shall provide access to
10 information and materials related to the proposed elimination of a service
11 described in subdivisions (1)(A)(i)–(viii) of this subsection to the Office of the
12 Health Care Advocate, which shall not further disclose this confidential
13 information.

14 (b)(1) If a hospital elects to proceed with the proposed elimination of a
15 service described in subdivisions (a)(1)(A)(i)–(viii) of this section after
16 engaging in the processes set forth in subsection (a) of this section, then within
17 90 days after the hospital provided the preliminary notice of intent required by
18 subdivision (a)(1) of this section or upon the conclusion of the confidential
19 consultation process set forth in subdivisions (a)(3) and (4) of this section,
20 whichever occurs first, the hospital shall provide a notice of intent to the
21 Agency of Human Services, the Green Mountain Care Board, the Office of the

5 (A) explain the rationale for the proposed elimination;

6 (B) set forth a proposed timeline for the proposed elimination and a
7 transition plan;

8 (C) be provided not less than 60 days prior to the effective date of the
9 proposed elimination;

10 (D) be posted on the hospital's website; and

12 service area within 10 days after notice is provided pursuant to subdivision (1)
13 of this subsection (b).

14 (3) In addition to the notice of intent required by subdivision (1) of this
15 subsection, the hospital shall conduct a public engagement process, including
16 holding one or more public hearings in the county in which the hospital is
17 located and soliciting and responding to public comments, regarding the
18 proposed service elimination. The public engagement process shall continue
19 for not less than 30 days following the notice required pursuant to subdivision
20 (1) of this subsection. The hospital shall provide a summary of the
21 community's response to the proposal, including the public comments

1 received, to the Agency of Human Services, the Green Mountain Care Board,
2 and the Office of the Health Care Advocate following the conclusion of the
3 public engagement process.

4 (c) If a hospital elects to proceed with eliminating a service described in
5 subdivisions (a)(1)(A)(i)–(viii) of this section after completing the processes
6 set forth in subsections (a) and (b) of this section, then within five business
7 days after making the decision to proceed, the hospital shall notify the Agency
8 of Human Services to inform the Agency’s health care system transformation
9 efforts and the Statewide Health Care Delivery Strategic Plan and the Green
