Sec. 27a. COMMERCIAL CANNABIS COMPACT; INTENT

The General Assembly finds that the medical and commercial cannabis industry has grown significantly throughout the United States since Vermont transitioned to a recreational cannabis market in 2022. The General Assembly further finds that recent statements from federal officials, including provisions of Executive Order 14370, 90 F.R. 60541, "Increasing Medical Marijuana and

Cannabidiol Research,” indicate a shifting federal posture on regulated cannabis markets. Accordingly, it is the intent of the General Assembly to prepare for the possibility of regional or interstate cannabis markets by authorizing the Governor to form agreements with other states that have commercial cannabis markets.

Sec. 27b. 7 V.S.A. § 834 is added to read:

§ 834. COMMERCIAL CANNABIS COMPACT

(4) “Vermont license” means a cannabis license issued by the Board.

(B) the transportation of cannabis and cannabis products through the jurisdiction of a state, district, commonwealth, territory, or possession of the United States that does not authorize that transportation.

(c) Notwithstanding any other law, a foreign licensee may engage in commercial cannabis activity with a Vermont licensee and a Vermont licensee

may engage in commercial cannabis activity with a foreign licensee, subject to the requirements and limitations set forth in this section.

(d) A foreign licensee shall not engage in commercial cannabis activity within the boundaries of this State without a Vermont license, or engage in commercial cannabis activity within a local jurisdiction without proper authorization issued by the local jurisdiction.

(f) An agreement shall require that the contracting state impose restrictions upon advertising, marketing, labeling, or sale within the contracting state that meet or exceed restrictions established pursuant to this title and the rules adopted by the Board.

(g) An agreement shall provide for collection of all taxes applicable to the medical or commercial cannabis activity.

(h) An agreement shall include provisions requiring the Board and any other appropriate regulatory authorities of the contracting state to address

public health and welfare emergencies concerning cannabis or cannabis products that are sold or intended for sale within this State, including for prompt recall or embargo of adulterated or misbranded cannabis products.

(i) An agreement shall include provisions requiring appropriate regulatory authorities of each state to investigate instances of alleged noncompliance with the commercial cannabis regulatory rules and regulations upon request by the other state and in accordance with mutually agreed-upon procedures. An agreement shall include provisions requiring the contracting state to reasonably cooperate with this State's investigations concerning foreign licensees and requiring the Board to reasonably cooperate with investigations by the contracting state concerning persons or entities holding Vermont licenses.

(j) An agreement shall include appropriate provisions reflecting Board programs and efforts to promote the inclusion and support of individuals and communities in the cannabis industry who are linked to populations and neighborhoods that were negatively or disproportionately impacted by cannabis criminalization.

(m) The Board shall notify the Governor and the General Assembly upon the occurrence of an event described in subsection (l) of this section and shall post the notification on the Board's website.

(n) The Board may adopt emergency rules pursuant to 3 V.S.A. § 844 governing the procedures for admission of a foreign licensee to conduct commercial cannabis activities within the State.
