A municipality that is delegated authority under this section shall incorporate the requirements of the Secretary's general permit for potable water supply and wastewater system connections into a municipal connection approval, including deference to applications for connections certified by a licensed designer.

(2) If a municipality submits a request for delegation of authority under this subsection, the Secretary shall delegate authority to the municipality to implement and administer the provisions of this chapter governing municipal potable water supply and wastewater system connections, provided that the municipality:

(iii) design flows greater than 2,000 and less than or equal to 6,500 gpd: \$3,000.00 per application;

(iv) design flows greater than 6,500 and less than or equal to 10,000 gpd: \$7,500.00 per application; or

(v) design flows greater than 10,000 gpd: \$13,500.00 per application.

(B) Minor amendments: \$150.00.

(C) Minor projects: \$270.00.

As used in this subdivision (j)(4)(C), “minor project” means a project that meets the following: there is an increase in design flow but no construction is required; there is no increase in design flow but construction is required, excluding replacement potable water supplies and wastewater systems; or there is no increase in design flow and no construction is required, excluding applications that contain designs that require technical review.

~~(D) Notwithstanding the other provisions of this subdivision, when a project is located in a Vermont neighborhood, as designated under 24 V.S.A. chapter 76A, the fee shall be no more than \$50.00 in situations in which the application has received an allocation for sewer capacity from an approved municipal system. This limitation shall not apply in the case of fees charged as part of a duly delegated municipal program. [Repealed.]~~

(f)(1) The Secretary shall give deference to a certification by a licensed designer with respect to the engineering design or judgment exercised by the designer in order to minimize Agency review of certified designs. Nothing in this section shall limit the responsibility of the licensed designer to comply with all standards and rules, or the authority of the Secretary to review and comment on design aspects of an application or to enforce Agency rules with respect to the design or the design certification. This section shall allow the Secretary to issue a permit under this chapter based on the certification by a licensed designer of record drawings or the design of a wastewater system or potable water supply without individual review of each certification by the Secretary.

~~(2) The Secretary shall issue a permit for a new or modified connection to a water main and a sewer main or indirect discharge system from a building or structure in a designated downtown development district upon submission of an application under subsection (b) of this section that consists solely of the certification of a licensed designer, in accordance with subsection (d) of this section, and a letter from the owner of the water main and sewer main or indirect discharge system allocating the capacity needed to accommodate the new or modified connection. However, this subdivision (2) shall not apply if the Secretary finds one of the following:~~

~~(B) As a result of an audit of the application performed on a random basis or in response to a complaint, the system is not designed in accordance with the rules adopted under this chapter. When the Secretary issues a permit for a new or modified connection to an existing permitted indirect discharge system, the approval of the connection shall not require reissuance, reevaluation, or modification of the existing permitted indirect discharge system permit.~~

(k)(1) The Secretary shall adopt a general permit for both potable water supply and wastewater system connections that require a permit under this chapter. Under the general permit, the Secretary may give deference to applications for connections certified by a licensed designer. The Secretary shall publish a manual providing guidance to licensed designers implementing the general permit for potable water supply or wastewater system connections. The manual shall include guidance for determining or defining the capacity of a public water system or pollution abatement facility for purposes of approving a potable water supply or wastewater system connection.

(5) The Secretary may adopt a general permit for the permitting under this chapter of wastewater systems that:

(A) have a design flow of less than 1,000 gallons per day; and

(B) do not require a variance, a hydrogeologic analysis, or innovative or alternative technologies unless such technologies are allowed by the Secretary.

(l) When issuing a permit for an indirect discharge system, the Secretary shall require an easement or other permanent legal access only to the indirect discharge system and the disposal area. An easement or other permanent legal

access shall not be required prior to issuance of the permit for every potential service connection from a building or structure to the indirect discharge system.

§ 1983. ISOLATION DISTANCES

(a) The minimum horizontal isolation distance between all components of a wastewater system and a potable water supply, including a public water source, shall be 75 feet unless, based on the specific site conditions, the Secretary determines that a greater isolation distance or larger isolation zone is necessary to:

(1) prevent the potential subsurface flow of effluent from impacting a potable water supply;

(2) prevent the potable water supply from impacting the performance of a wastewater system; or

(3) protect human health and the environment from a threat or potential threat of contamination posed by the construction techniques or materials used in the wastewater system or the potable water supply.

(b) The maximum horizontal isolation distance or isolation zone that the Secretary can approve under subsection (a) of this section is 200 feet.

An act relating to the fiscal year 2027 Transportation Program and miscellaneous changes to laws related to transportation

The Senate proposes to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Legislative Findings * * *

Sec. 1. LEGISLATIVE FINDINGS

The General Assembly finds that:

(1) State fiscal year 2025 Transportation Fund revenues came in nearly \$7,400,000.00 below the revenue forecast.

(2) In July 2025, the revenue forecast for the Transportation Fund was downgraded for State fiscal years 2026–2030 because of reductions in the projected revenues from the purchase and use tax and Department of Motor Vehicles fees.

(3) Revenues from the taxes on gasoline and diesel fuel are projected to gradually decrease in State fiscal years 2026–2030. That trend is expected to continue because of improving vehicle fuel efficiency among all vehicles and increasing adoption of electric vehicles.

(4) The July 2025 consensus revenue forecast estimates a 1.33 percent compound annual growth rate in Transportation Fund revenues between 2026 and 2030, which is far below recent inflation levels.

(5) In contrast with the slow growth in Transportation Fund revenues, the National Highway Construction Cost Index increased by approximately 62 percent between 2020 and 2025.

(6) In addition to rising construction costs, salaries and benefits have also increased significantly in recent years, creating significant ongoing cost pressure on the Transportation Fund.

(7) To address budget shortfalls in the past year, the Agency has been forced to eliminate 62 permanent positions.

(8) Continuing deficits in the Transportation Fund threaten the State’s ability to provide the required match for federal funds, which make up more than half of the State’s annual transportation budget.

(9) Municipalities face the same cost pressures as the State. However, State aid for town highways has only increased by 2.7 percent, which places increasing pressure on chronically underfunded town highway programs and puts pressure on the property tax.

(10) If Vermont is unable to keep up with the maintenance and capital needs of its transportation system, the infrastructure will continue to deteriorate, and restoring the system to a state of good repair will cost significantly more.

(11) Prompt legislative action is necessary to ensure the future health and stability of the Transportation Fund and to enable the Agency of Transportation to keep Vermont’s transportation system in a state of good repair.

Sec. 3. FISCAL YEAR 2027 TRANSPORTATION INVESTMENTS
INTENDED TO REDUCE TRANSPORTATION-RELATED
GREENHOUSE GAS EMISSIONS, REDUCE FOSSIL FUEL
USE, AND SAVE VERMONT HOUSEHOLDS MONEY

This act includes the State’s fiscal year 2027 transportation investments intended to reduce transportation-related greenhouse gas emissions, reduce fossil fuel use, and save Vermont households money in furtherance of the policies articulated in 19 V.S.A. § 10b and the goals of the Comprehensive Energy Plan and the Vermont Climate Action Plan and to satisfy the Executive and Legislative Branches’ commitments to the Paris Agreement climate goals. In fiscal year 2027, these efforts will include the following:

(1) Park and Ride Program. This act provides for a fiscal year expenditure of \$1,976,211.00, which will fund three park and ride projects.

(2) Bike and Pedestrian Facilities Program. This act provides for a fiscal year expenditure, including local match, of \$24,576,873.00, which will fund 34 bike and pedestrian construction projects; 18 bike and pedestrian design, right-of-way, or design and right-of way projects for construction in future fiscal years; and eight scoping studies. The construction projects include the creation, improvement, and rehabilitation of walkways, sidewalks, shared-use paths, bike paths, and cycling lanes. Projects are funded in Arlington, Bennington, Bethel, Brattleboro, Burke, Burlington, Castleton, Chester, Danville, Essex Town, Fairfax, Greensboro, Guilford, Hartford, Huntington, Hyde Park, Irasburg, Jamaica, Johnson, Lunenburg, Middlebury, Montpelier, Moretown, Morristown, Newfane, Newport City, Northfield, Pownal, Royalton, Rutland City, Rutland Town, Sheldon, South Burlington, Springfield, St. Albans City, Swanton, Wallingford, Warren, Waterbury, West Rutland, Williston, Wilmington, and Wolcott. This act also provides funding for:

(A) some of Local Motion's operation costs to run the bike ferry on the Colchester Causeway, which is part of the Island Line Trail;

(B) grant awards for State-aid construction projects;

(C) projects funded through the Safe Routes to School Program; and

(D) community grants along the Lamoille Valley Rail Trail (LVRT).

(3) Transportation Alternatives Program. This act provides for a fiscal year expenditure of \$4,514,362.00, including local funds, which will fund 22 transportation alternatives construction projects; 28 transportation alternatives design, right-of-way, or design and right-of-way projects; and one scoping study. Of these 51 projects, 18 involve environmental mitigation related to clean water or stormwater concerns, or both clean water and stormwater concerns, and 30 involve bicycle and pedestrian facilities. Projects are funded in Athens, Bennington, Bethel, Brandon, Brattleboro, Bristol, Burke, Burlington, Derby, Enosburg Falls, Fairlee, Ferrisburgh, Glover, Guilford, Hinesburg, Hyde Park, Jericho, Londonderry, Ludlow, Lyndon, Montgomery, Newark, Putney, Rockingham, Rutland City, Shoreham, South Burlington, Springfield, Swanton, Warren, Weathersfield, Williston, Wilmington, and Windham.

(4) Public Transit Program. This act provides for a fiscal year expenditure of \$57,855,144.00 for public transit uses throughout the State. Included in the authorization are:

(A) Go! Vermont, with an authorization of \$380,000.00. This authorization supports transportation demand management (TDM) strategies, including the State's Trip Planner and commuter services, to promote the use of carpools and vanpools.

(B) Mobility and Transportation Innovations (MTI) Grant Program, with an authorization of \$315,000.00 in federal funds. This authorization continues to support projects that improve both mobility and access to services for transit-dependent Vermonters, reduce the use of single-occupancy vehicles, and reduce greenhouse gas emissions.

(5) Rail Program. This act provides for a fiscal year expenditure of \$60,289,410.00, including local funds and \$34,688,907.00 in federal funds, for intercity passenger rail service, including funding for the Ethan Allen Express and Vermonter Amtrak services, and rail infrastructure that supports freight rail as well. Moving freight by rail instead of trucks lowers greenhouse gas emissions by up to 75 percent, on average.

Sec. 13. AUTHORITY TO ISSUE TRANSPORTATION
INFRASTRUCTURE BONDS; FISCAL YEARS 2028–2032

(a) The State Treasurer is authorized to issue transportation infrastructure bonds pursuant to 32 V.S.A. § 972 for State fiscal years 2028–2032 in an amount approved by the General Assembly.

(b) For State fiscal years 2028–2032, the Capital Debt Affordability Advisory Committee (CDAAC) shall annually report to the House and Senate Committees on Transportation on or before September 30 of the preceding fiscal year an estimate of the maximum amount of transportation infrastructure bonds that prudently may be authorized for the next fiscal year.

(c) The Treasurer, in consultation with the CDAAC, shall review annually any requested issuance of transportation infrastructure bonds pursuant to 32 V.S.A. § 1001 as part of its net State tax-supported debt analysis provided to the Governor and the General Assembly.

Sec. 14. 2028 PROPOSED TRANSPORTATION PROGRAM;
TRANSPORTATION INFRASTRUCTURE BOND PROPOSAL;
REPORT

(a) The Agency of Transportation shall, when preparing the 2028 Transportation Program, prepare both:

(1) a Transportation Program proposal that includes the use of transportation infrastructure bond proceeds to fund eligible projects pursuant to 32 V.S.A. § 972(d); and

(2) a Transportation Program proposal that does not include the use of transportation infrastructure bond proceeds.

(b)(1) The Agency of Transportation shall, in consultation with the State Treasurer and at the same time as the Agency submits the proposed State fiscal year 2028 Transportation Program to the General Assembly, submit a written report to the House and Senate Committees on Transportation that identifies projects proposed for the State fiscal year 2028 Transportation Program that are eligible to be funded with the proceeds from the issuance of transportation infrastructure bonds pursuant to the provisions of 32 V.S.A. § 972(d).

(2) The report shall include:

(A) an analysis comparing the present value of the estimated cost to pay for the identified projects using transportation infrastructure bond proceeds to the cost to pay for the projects on a pay-as-you-go basis; and

(B) a comparison of the projects' schedules if funded with transportation infrastructure bonds to the projects' schedules if funded on a pay-as-you-go basis.

* * * Mileage-Based User Fee * * *

Sec. 15. FINDINGS AND INTENT

(a) Findings. The General Assembly finds that:

(1) Vermont adopted its first tax on gasoline in 1923.

(2) In 1923, the most common motor vehicle in the Unites States was the Ford Model T, whose annual production peaked at more than 2,000,000 new vehicles that year.

(3) Because of the limited variety of mass-produced vehicles available when it was adopted, the gasoline tax, and the later-adopted diesel fuel tax, served as use fees that required drivers of light-duty motor vehicles to contribute to the State's Transportation Fund in an amount that reflected the amount of miles that each vehicle was driven on Vermont's surface transportation system.

(4) Since 1923, the variety of mass-produced light-duty motor vehicles available to consumers has expanded greatly, resulting in a wide variety of internal combustion engine and vehicle types and designs with significant differences in vehicle fuel efficiency.

(5) Improvements in fuel efficiency among light-duty motor vehicles and the increasing adoption of hybrid, plug-in hybrid, and battery electric vehicles (BEVs) is leading to reduced fuel consumption among newer vehicles.

(6) BEVs do not require gasoline and diesel fuel, and the \$89.00 annual infrastructure fee paid by owners and lessees of BEVs registered in Vermont is less than the average amount of fuel taxes collected in relation to a light-duty motor vehicle with an internal combustion engine.

(7) As a result of differences in fuel consumption between different types and ages of light-duty motor vehicles, the current system for funding Vermont's surface transportation system through fuel taxes has become inequitable when the impacts of each vehicle on the transportation system are considered.

(8) In contrast to the current system, a mileage-based user fee imposes a per-mile fee for usage of the State's highways and ensures that owners and lessees of motor vehicles contribute to the Transportation Fund in an equitable manner.

(9) Vermont's taxes on gasoline and on diesel fuel were last increased in 2014, and the federal taxes on gasoline and on diesel fuel were last increased in 1993.

(10) Reduced fuel consumption and unchanged gasoline and diesel tax rates have resulted in stagnant fuel tax revenues that have not kept pace with inflation or the needs of Vermont's transportation system.

(11) In addition to Vermont's stagnant fuel tax revenues, Vermont's demographic constraints and changes in vehicle ownership and usage have limited the growth of fee revenues to the Transportation Fund.

(12) The July 2025 consensus revenue forecast estimates a 1.33 percent compound annual growth rate in Transportation Fund revenues between 2026 and 2030.

(13) In comparison, highway construction costs, as measured by the National Highway Construction Cost Index, have increased by 62 percent, nationally, since 2020.

(b) Intent. It is the intent of the General Assembly to:

(1) implement a mileage-based user fee for BEVs, which will replace the existing infrastructure fee beginning on January 1, 2027, to ensure that owners and lessees of BEVs contribute to the Transportation Fund in an amount that reflects the annual miles traveled by each vehicle;

(2) ensure that owners and lessees of all light-duty motor vehicles contribute to the Transportation Fund in an amount that reflects the annual miles traveled by each vehicle by expanding the mileage-based user fee to fuel-efficient light-duty motor vehicles, such as plug-in hybrids, hybrids, and vehicles with efficient internal combustion engines on or before January 1, 2029, and to all light-duty motor vehicles on or before January 1, 2031; and

(3) develop and implement the mileage-based user fee in a manner that does not discourage ownership and use of BEVs and fuel-efficient vehicles, consistent with the intent of the Global Warming Solutions Act and the State’s Climate Action Plan.

Sec. 16. 23 V.S.A. chapter 43 is added to read:

CHAPTER 43. MILEAGE-BASED USER FEE

§ 4301. DEFINITIONS

As used in this chapter:

(1) “Account manager” means a person that the Agency of Transportation or Department of Motor Vehicles contracts with to administer and manage the mileage-based user fee.

(2) “Annual vehicle miles traveled” means the total number of miles that a covered vehicle is driven during a mileage reporting period.

(3) “Covered vehicle” means a battery electric vehicle pleasure car.

(4) “Mileage-based user fee” or “MBUF” means the fee charged for the annual vehicle miles traveled by a covered vehicle pursuant to section 4302 of this chapter.

(5) “Mileage-based user fee rate” means the per-mile usage fee charged to the owner or lessee of a covered vehicle pursuant to section 4302 of this chapter.

(6) “Mileage reporting period” means:

(A) the time period between required annual inspections;

(B) the time period between an initial odometer reading related to the purchase of a covered vehicle or beginning of a lease of a covered vehicle and an annual inspection; or

(C) the time period between the most recent annual inspection and a terminating event.

(7) “Terminating event” means any of the following:

(A) the registration of a covered vehicle that had been registered in Vermont in a different state;

(B) a change in ownership or lesseeship of a covered vehicle; or

(C) the termination of a covered vehicle's registration in Vermont.

§ 4302. MILEAGE-BASED USER FEE; ASSESSMENT; CALCULATION; PAYMENT; EXEMPTIONS

(a) Assessment and payment of mileage-based user fee (MБУF).

(1) Options for payment of MBUF. The owner or lessee of a covered vehicle may elect to pay the MBUF according to one of the following options:

(A) annual payment of the MBUF as a lump sum following the conclusion of each mileage reporting period as set forth in subdivision (2) of this subsection (a);

(B) pay-as-you-go installment payments of the MBUF during a mileage reporting period as set forth in subdivision (3) of this subsection (a), provided that the Commissioner, in the Commissioner's sole discretion, elects to make a pay-as-you-go option available;

(C) estimated payments of the MBUF in annual, quarterly, or monthly installments as set forth in subdivision (4) of this subsection (a); or

(D) a flat rate of \$178.00.

(2) Annual mileage-based user fee payment option.

(A) For an owner or lessee who opts to pay the MBUF as a lump sum at the end of each mileage reporting period, the Commissioner shall, within 14 days after the conclusion of the covered vehicle's mileage reporting period, calculate the amount of the MBUF pursuant to subsection (d) of this section and mail an assessment of the amount to the owner or lessee.

(B) The owner or lessee shall remit the amount due to the Commissioner on or before the sooner of:

(i) the next required registration renewal for the covered vehicle;

(ii) the termination of the covered vehicle's Vermont registration;

or

(iii) the sale of the covered vehicle or termination of the lease of the covered vehicle, as appropriate.

(3) Pay-as-you-go option.

(A) Owners and lessees who opt into the pay-as-you-go mileage-based user fee option shall report the mileage shown on the odometer of the owner's or lessee's covered vehicle at times and in a manner required by the Commissioner.

(B) As soon as practicable after receiving each report, the Commissioner shall calculate pursuant to subsection (d) of this section the applicable MBUF due for the covered vehicle and mail to the owner or lessee a statement of the amount of the mileage-based user fee assessed.

(C) The owner or lessee of the covered vehicle shall remit the full amount due to the Commissioner within not more than 30 days after the assessment is mailed.

(D) At the end of each mileage reporting period, the amount paid by the owner or lessee shall be reconciled against the actual mileage driven as set forth in subdivision (5) of this subsection.

(4) Estimated payment option.

(A) An owner or lessee who elects to make estimated payments shall be assessed upon registration of the covered vehicle, or registration renewal, an estimated mileage-based user fee equal to the rate established pursuant to subsection (e) of this section multiplied by the average annual vehicle miles traveled by pleasure cars registered in Vermont.

(B) The owner or lessee shall either:

(i) pay the estimated MBUF as a lump sum not more than 45 days after the date of registration or registration renewal; or

(ii) enter into an agreement with the Commissioner to pay the estimated amount in monthly or quarterly installments.

(C) At the end of each mileage reporting period, the amount paid by the owner or lessee shall be reconciled against the actual mileage driven as set forth in subdivision (5) of this subsection.

(5) Reconciliation of mileage for pay-as-you-go and estimated payment options.

(A) At the conclusion of each mileage reporting period for a covered vehicle whose owner or lessee has elected either the pay-as-you-go or the estimated payment option, the Commissioner shall determine if the amount of the MBUF for the actual miles traveled by the covered vehicle during the mileage reporting period is greater than or less than the amount of the payments made by the owner or lessee during that period.

(B) If the actual MBUF is less than the amount paid, the owner or lessee of the covered vehicle shall receive a credit equal to the difference between the amount paid and the actual amount, which shall be applied to reduce the amount of future fees due from the owner or lessee for the covered vehicle pursuant to this subsection (a).

(C) If the actual MBUF is more than the amount paid, the owner or lessee of the covered vehicle shall be assessed an amount equal to the difference between the actual MBUF and the amount paid, which shall be added to the next amount due from the owner or lessee pursuant to this subsection (a).

(6) Flat-rate option.

(A) The Commissioner shall send an owner or lessee who elects the flat-rate option an assessment for the flat fee due at the conclusion of each mileage reporting period. The owner or lessee shall remit the amount due to the Commissioner on or before the sooner of:

- (i) the next required registration renewal for the covered vehicle;
- (ii) the termination of the covered vehicle's Vermont registration;

or

(iii) the sale of the covered vehicle or termination of the lease of the covered vehicle, as appropriate.

(B) An owner or lessee enrolled in the flat-rate option shall not be required to report vehicle mileage to the Commissioner pursuant to the provisions of this chapter. Nothing in this subdivision (6)(B) shall be construed to exempt an owner or lessee enrolled in the flat-rate option from any other requirements in State law related to vehicle inspections or odometer disclosures.

(b) Newly registered vehicles. The owner or lessee of a newly registered covered vehicle shall pay the MBUF during the initial year of registration pursuant to:

(1) the pay-as-you-go option set forth in subdivision (a)(3) of this section;

(2) the estimated payment option set forth in subdivision (a)(4) of this section; or

(3) the flat-rate option set forth in subdivision (a)(6) of this section.

(c) Election of different payment option. An owner or lessee of a covered vehicle may select a different option for payment of the MBUF pursuant to

subsection (a) of this section by providing notice to the Commissioner in the time and manner prescribed by the Commissioner.

(d) Calculation of the mileage-based user fee.

(1) The Commissioner shall calculate the mileage-based user fee of each covered vehicle by multiplying the miles traveled by the covered vehicle during the applicable period by the rate established pursuant to subsection (e) of this section. The number of miles traveled shall be equal to:

(A) for a mileage reporting period, the difference between the mileage shown on the covered vehicle's odometer at the end of the mileage reporting period and the mileage shown on the covered vehicle's odometer at the beginning of the mileage reporting period; and

(B) for a report filed by an owner or lessee as part of the pay-as-you-go mileage-based user fee program pursuant to subdivision (a)(3) of this section, the difference between the mileage reported by the owner or lessee and the most recent prior mileage reported for the covered vehicle.

(2) Notwithstanding any provision of subdivision (1) of this subsection to the contrary, the mileage-based user fee assessed for a mileage reporting period shall not exceed \$178.00.

(e) Mileage-based user fee rate. The mileage-based user fee rate shall be \$0.014 per mile traveled by a covered vehicle during its mileage reporting period.

(f) Exemptions. The mileage-based user fee assessed pursuant to this section shall not apply to:

(1) covered vehicles owned or operated by the government of the United States;

(2) covered vehicles owned or operated by the State of Vermont; or

(3) covered vehicles that are used for short-term rentals.

(g) Fee in addition to other fees and taxes. A mileage-based user fee assessed pursuant to this section shall be in addition to any other fees and taxes imposed by this title.

(h) Review of amount assessed. A person may, within 45 days after an assessment is mailed pursuant to subsection (a) of this section, appeal the amount of the assessment to the Commissioner. The Commissioner shall establish procedures for filing and hearing appeals pursuant to this subsection that are consistent with the provisions of sections 105–107 of this title. The

procedures shall include a process by which an appellant can resolve the dispute prior to the issuance of a final administrative decision on the appeal.

(i) Refunds. Notwithstanding subdivision (a)(5)(B) of this section, upon occurrence of a terminating event, the Commissioner shall issue a refund to the owner or lessee of a covered vehicle for any amounts paid by the owner or lessee that are in excess of the amount due pursuant to this chapter.

§ 4303. REPORTS

(a) Upon completion of an inspection of a covered vehicle pursuant to section 1222 of this title, an inspection mechanic shall report the mileage shown on the covered vehicle's odometer to the Department in the manner required by the Commissioner.

(b) Upon the occurrence of a terminating event, the owner or lessee of a covered vehicle shall report the mileage shown on the covered vehicle's odometer at the time of the terminating event to the Department in the time and manner required by the Commissioner.

§ 4304. FAILURE TO FILE REPORT OR OBTAIN INSPECTION; DEFAULT RATE

(a) The Commissioner shall charge the owner or lessee of a covered vehicle a default rate of \$178.00 if the Commissioner is unable to determine the annual vehicle miles traveled for the owner's or lessee's covered vehicle because the owner or lessee:

(1) failed to file a report required by section 4303 of this chapter within a reasonable period of time after the report is due;

(2) failed to have the covered vehicle inspected as required pursuant to section 1222 of this title within a reasonable period of time after the inspection is due at either the commencement or conclusion of a mileage reporting period; or

(3) failed to have the covered vehicle inspected at any time during or within a reasonable time after the conclusion of a mileage reporting period.

(b)(1) The default amount required pursuant to subsection (a) of this section shall be assessed when the owner or lessee of the covered vehicle next renews the vehicle's registration following the mileage reporting period.

(2) After being assessed the default amount pursuant to this subsection, the owner or lessee of the covered vehicle may obtain an inspection within 90 days after the date on which the vehicle's registration is renewed. If the covered vehicle's mileage is such that the mileage-based user fee would have been less than the default amount, the owner or lessee shall receive a credit for

the difference that is applied to reduce the amount of the next mileage-based user fee due for the covered vehicle.

§ 4305. REGISTRATION; SUSPENSION OR REFUSAL

(a) Suspension of registration. The Commissioner may suspend or refuse to renew the registration of a covered vehicle if the Commissioner determines, following notice and an opportunity for a hearing as provided pursuant to subsection (b) of this section, that the owner or lessee of the covered vehicle:

(1) failed to file a report required pursuant to section 4303 of this chapter;

(2) filed a report containing an intentional misrepresentation, misstatement, or omission of material information required by this chapter; or

(3) is delinquent at the time of renewal in the payment of any amount due pursuant to the provisions of this chapter.

(b) Notice and opportunity for hearing. The Commissioner shall provide the owner or lessee of a covered vehicle with not less than 15 days' notice of the intent to suspend or not to renew the registration of the covered vehicle pursuant to the provisions of this section. The owner or lessee shall be provided with the opportunity for a hearing and shall be permitted to be represented by counsel at the hearing.

§ 4306. POWERS OF THE COMMISSIONER

(b) Additional powers. In addition to any powers or authority specifically granted to the Commissioner pursuant to the provisions of this chapter, the Commissioner may do the following:

(1) adopt rules pursuant to 3 V.S.A. chapter 25 as the Commissioner determines necessary to administer and enforce the provisions of this chapter;

(2) prescribe forms appropriate to the purposes of this chapter; and

(3) contract with an account manager to administer and manage the mileage-based user fee.

§ 4307. APPEALS; JUDICIAL REVIEW

(a) Administrative appeal. An aggrieved person may appeal any final decision, order, or finding of the Commissioner under this chapter within not more than 45 days after the decision is issued or the order or finding is made. The Commissioner shall establish procedures for filing and hearing appeals

pursuant to this subsection that are consistent with the provisions of sections 105–107 of this title.

(b) Appeal to Superior Court. Following a final decision on an appeal pursuant to subsection (a) of this section or subsection 4302(h) of this chapter, the appellant may appeal the decision pursuant to Rule 74 of the Vermont Rules of Civil Procedure. The appeal shall be to the Washington Superior Court or, in the discretion of the appellant, to the Superior Court in the county where the appellant resides or has a principal place of business.

(c) Exclusivity of remedies. The appeals provided by this section and subsection 4302(h) of this chapter shall be the exclusive remedies available to any person for review of an assessment, decision, or order or finding of the Commissioner under this chapter.

(d) The annual and biennial ~~EV~~ infrastructure fees collected in subsection (c) of this section shall be ~~allocated to~~ deposited in the Transportation Fund ~~for programs administered by the Agency of Commerce and Community Development to increase Vermonters' access to level 1 and 2 electric vehicle supply equipment (EVSE) charging ports at workplaces or multiunit dwellings, or both.~~

Sec. 18. MILEAGE-BASED USER FEE; INITIAL TRANSITION

(a) Notwithstanding any provision of 23 V.S.A. § 4302 to the contrary, during calendar years 2027 and 2028, the owner or lessee of a covered vehicle shall pay the mileage-based user fee for the covered vehicle's first mileage reporting period as provided pursuant to the provisions of either subsection (b) or (c) of this section.

(b)(1)(A) For a covered vehicle that has a valid Vermont registration on December 31, 2026, the vehicle's initial mileage reporting period shall commence with its first annual inspection occurring on or after January 1, 2027.

(B) For a covered vehicle that is newly registered in Vermont on or after January 1, 2027, the vehicle's initial mileage reporting period shall commence on the date of registration.

(2) For an initial registration or a registration renewal of a covered vehicle that occurs on or after January 1, 2027, and prior to the completion of the initial mileage reporting period, the owner or lessee of the covered vehicle shall pay a one-time road usage charge of \$89.00 for a one-year registration or \$178.00 for a two-year registration.

(3) At the conclusion of a covered vehicle's initial mileage reporting period, the mileage-based user fee for the vehicle shall be calculated as provided pursuant to the annual mileage-based user fee payment option set forth in 23 V.S.A. § 4302(a)(2).

(4)(A) The amount of the covered vehicle's mileage-based user fee calculated pursuant to subdivision (3) of this subsection shall be reduced by:

(i) the amount of any road usage charge paid pursuant to subdivision (2) of this subsection (b); or

(ii) for a covered vehicle whose owner or lessee did not pay the road usage charge pursuant to subdivision (2) of this subsection (b) but paid the EV infrastructure fee required pursuant to 23 V.S.A. § 361 at the most recent registration or registration renewal of the vehicle prior to January 1, 2027, an amount equal to the amount of the EV infrastructure fee paid at the most recent registration.

(B) Any amounts remaining after the initial mileage-based user fee has been paid shall be carried forward and applied as a credit to reduce the amount of future mileage-based user fees due in relation to the covered vehicle.

(c) As an alternative to paying the mileage-based user fee as set forth in subsection (b) of this section, the owner or lessee of a covered vehicle may elect to pay a flat fee of \$178.00 for the initial mileage reporting period. The provisions of 23 V.S.A. § 4302(a)(6) shall apply to an owner or lessee who elects to pay a flat fee pursuant to this subsection.

(d) As used in this section, "covered vehicle" has the same meaning as in 23 V.S.A. § 4301.

established pursuant to 23 V.S.A. chapter 43 to build public awareness and understanding of the program and to solicit public feedback regarding the program. The strategy shall include the following:

(1) printed materials, web-based materials, mailings, and local media outreach that describes the purpose of the mileage-based user fee, the transportation funding challenges that the mileage-based user fee is intended to help address, and how the mileage-based user fee will be implemented with respect to battery electric vehicles and, later, other light-duty vehicles;

(2) prior to implementation, direct mailing of informational materials to owners and lessees of battery electric vehicles that are currently registered in Vermont that:

(A) outline the goals and design of the mileage-based user fee;

(B) set forth the timeline for implementation of the mileage-based user fee;

(C) provide information regarding compliance with the mileage-based user fee, including the options that will be available to each owner and lessee; and

(D) provide information on how to obtain additional information regarding the mileage-based user fee, including how to obtain informational resources provided by the Agency, the availability of user support resources, and how to determine how the mileage-based user fee may apply to a user's specific circumstances;

(3) prior to initial implementation of the mileage-based user fee in January 2027, Agency engagement with owners and lessees of various types of light-duty motor vehicles registered in Vermont to obtain feedback on the design of the user experience for the mileage-based user fee, with particular attention to universal accessibility and specific needs for translated materials and services;

(4) survey and focus group work prior to and following implementation of the mileage-based user fee with owners and lessees whose vehicles are subject to the mileage-based user fee to aid in evaluating the implementation of the initial phase of the mileage-based user fee and in developing recommended programmatic and statutory changes; and

(5) ongoing engagement and collaboration with relevant stakeholders, including the Vermont Vehicle and Automotive Distributors Association and Drive Electric Vermont, to obtain feedback on the mileage-based user fee program and to educate members of the public about the mileage-based user fee and program design.

(b) The Agency and Department shall, on or before September 15, 2026, submit to the Joint Transportation Oversight Committee a report summarizing the public outreach, education, and communications strategy required pursuant to subsection (a) of this section.

Sec. 20. MILEAGE-BASED USER FEE TRANSITION PLAN;
REPORT

(a)(1) The Agency of Transportation and the Department of Motor Vehicles, in consultation with the Agency of Digital Services, shall develop a plan to expand the mileage-based user fee (MБУF) program to all light-duty motor vehicles to ensure that each vehicle contributes an amount that bears a direct relation to the estimated demands and impacts that the vehicle places upon public infrastructure, as determined on the basis of vehicle miles traveled.

(2) The plan shall provide that:

(A) plug-in hybrid electric, hybrid electric, and fuel-efficient light-duty motor vehicles shall begin participating in the MБУF program on or before January 1, 2029; and

(B) all light-duty motor vehicles shall begin participating in the MБУF program on or before January 1, 2031.

(3) The plan shall provide methods for ensuring that contributions to the Transportation Fund are proportionate to the number of miles traveled in Vermont by each vehicle, including:

(A) additional payment and mileage tracking options for vehicle owners or lessees to select from, including methods for differentiating between miles traveled in Vermont and miles traveled outside Vermont; and

(B) a system of fuel tax credits for vehicles that use gasoline or diesel fuel based on the vehicle's fuel economy as estimated by the U.S. Environmental Protection Agency to ensure that all covered vehicles contribute to Vermont's transportation system in an equitable manner.

(b) In developing the plan, the Agency and the Department shall:

(1) analyze the amounts paid by vehicles of different engine-fuel types and classifications with respect to the diesel fuel tax pursuant to 23 V.S.A. chapter 27, the gasoline tax pursuant to 23 V.S.A. chapter 28, and the infrastructure fee imposed pursuant to 23 V.S.A. § 361(c), as applicable;

(2) develop a proposed schedule for the inclusion of plug-in hybrid electric, hybrid electric, and fuel-efficient light-duty vehicles in the MБУF program on or before January 1, 2029;

(3) identify any other light-duty vehicles that currently contribute less to the Transportation Fund than they would under the mileage-based user fee for inclusion in the MBUF program on or before January 1, 2029;

(4) consider possible methods to account for and differentiate between in-state and out-of-state vehicle miles traveled by vehicles registered in Vermont and vehicles registered in another state;

(5) examine the potential for integrating alternative mileage reporting methods into the mileage-based user fee program and related costs;

(6) evaluate the potential to include medium- and heavy-duty electric vehicles in the mileage-based user fee program and potential rate designs based on vehicle weights; and

(7) examine the relationship between expansion of the mileage-based user fee program and fuel tax rates, Transportation Fund revenue sustainability, and Vermont's carbon reduction targets.

(c) The Agency and Department shall also track the implementation costs and operating expenses of and revenues generated by the mileage-based user fee for State fiscal years 2027–2031. The Agency and Department shall submit an annual report of these amounts to the House Committees on Transportation and on Ways and Means and the Senate Committees on Transportation and on Finance on or before each December 31 beginning on December 31, 2027, and continuing until December 31, 2031.

(d)(1) On or before January 31, 2027, the Agency of Transportation and the Department of Motor Vehicles shall submit to the House Committees on Transportation and on Ways and Means and the Senate Committees on Transportation and on Finance an initial plan and recommendation for legislative action to:

(A) incorporate plug-in hybrid electric, hybrid electric, and fuel-efficient light-duty vehicles into the MBUF program;

(B)(i) provide at least two additional options for determining the number of vehicle miles traveled by a covered vehicle, including:

(I) an option that would utilize vehicle systems or an aftermarket device to track vehicle miles traveled; and

(II) an option that would enable vehicle owners and lessees to track and differentiate between miles traveled in Vermont and miles traveled outside Vermont, with the MBUF only applying to miles traveled in Vermont; and

(ii) identify data privacy protections and best practices that should be implemented to protect data obtained from owners and lessees who elect to utilize the options identified pursuant to this subdivision (B);

(C)(i) recommend whether to retain a flat-rate option for the MBUF and, if so, recommend the appropriate amount of the flat fee; and

(ii) recommend how to apply the flat fee to plug-in hybrid, hybrid, and internal combustion engine vehicles, including whether to provide different flat fees based on vehicle type or to provide credits against the amount of the flat fee based on vehicle fuel efficiency;

(D) provide at least one option to enable vehicle owners and lessees to track and differentiate between miles traveled in Vermont and miles traveled outside Vermont, with the MBUF only applying to miles traveled in Vermont; and

(E) recommend a maximum amount by which the mileage-based user fee rate can increase from year to year after all light-duty vehicles are subject to the mileage-based user fee.

(2) On or before July 30, 2028, the Agency shall submit to the Joint Transportation Oversight Committee and the House and Senate Committees on Transportation a draft copy of the final report required to be submitted to the Federal Highway Administration pursuant to the terms of the Agency's federal Strategic Innovation for Revenue Collection grant.

(3) On or before September 15, 2028, the Agency of Transportation and the Department of Motor Vehicles shall submit to the House Committees on Transportation and on Ways and Means and the Senate Committees on Transportation and on Finance:

(A) a final plan and proposal for legislative action necessary to expand the MBUF program to all light-duty motor vehicles on or before January 1, 2031;

(B) a report of all findings made pursuant to subsection (b) of this section; and

(C) any additional recommendations for legislative action.

(3) “Plug-in electric vehicle” has the same meaning as in 23 V.S.A. § 4(85).

(4) “Reasonable restriction” is a restriction that does not significantly increase the cost of the EVSE or significantly decrease the efficiency or specified performance of the EVSE.

(b)(1) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in a common interest community, and any provision of a governing document associated with a common interest community, such as a declaration, bylaw, or rule, that either effectively prohibits or unreasonably restricts the installation of EVSE within the boundaries of a unit owner’s unit or limited common element or the unit owner’s exclusively designated parking space or the use of such EVSE for noncommercial purposes by a unit owner or the occupants of the unit owner’s unit or is in conflict with this section is void and unenforceable.

(2) This subsection shall not apply to provisions that impose reasonable restrictions on EVSE. However, it is the policy of the State to promote, encourage, and remove obstacles to the use of plug-in electric vehicles, including access to EVSE at home.

(5) comply with any other reasonable restrictions the association may impose.

(d) Notwithstanding any provision to the contrary in the association's governing documents, if the executive board of the association determines that the cumulative or additional use of electricity due to the installation and use of EVSE requires infrastructure improvements to provide a sufficient supply of electricity for the EVSE, the association may assess the cost of the required improvements against the unit of each unit owner that has installed, or will install, EVSE.

(e) If approval is required for the installation or use of EVSE, the application for approval shall be processed and approved by the association in the same manner as an application for approval of an architectural modification to the common interest community and shall not be intentionally avoided or delayed. The approval or denial of an application shall be in writing. If an application is not denied in writing within 60 days from the date of receipt of the application, the application shall be deemed approved, unless that delay is the result of a reasonable request for additional information.

(f) The unit owner and each successive owner of the EVSE shall be responsible for all of the following:

(1) costs for damage to the EVSE, common element, or limited common element resulting from the installation, maintenance, repair, removal, or replacement of the EVSE;

S. 193

An act relating to establishing a forensic facility for certain criminal justice-involved persons

Rep. LaLonde of South Burlington, for the Committee on Judiciary, recommends that the House propose to the Senate that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

It is the intent of the General Assembly that the Secretary of Human Services shall establish and operate a locked secure forensic facility for the competency restoration, evaluation, stabilization, treatment, and care of persons who have been found not competent to stand trial or not guilty by reason of insanity for serious criminal offenses. The Department of Corrections shall not operate or staff the forensic facility, with the exception that employees of the Department of Corrections may provide security services for the facility at the admitting area of and around the outside perimeter of a forensic facility if it is co-located on the grounds of a correctional facility.

Sec. 2. 13 V.S.A. § 4815a is added to read:

§ 4815a. COMPETENCY RESTORATION SERVICES WITHIN
FORENSIC FACILITY

(a) A person shall be placed at the forensic facility established in section 4826 of this title if the person:

(1) has been charged with an offense punishable by a life sentence;

(2)(A) has been held without bail pursuant to section 7553 of this title;

or

(B) if the person is not held without bail pursuant to section 7553 of this title, has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person;

(3) is not currently:

(A) receiving treatment through an order of hospitalization pursuant to 18 V.S.A. § 7619 or section 4822 of this title; or

(B) subject to an order of commitment to the Commissioner of Disabilities, Aging, and Independent Living issued under 18 V.S.A. § 8845 or

section 4823 of this title, unless the person is detained in a correctional facility pending trial; and

(4) has been found not competent to stand trial.

(b)(1) The forensic facility shall cause the person to be evaluated for competency to stand trial:

(A) six months from the date of admission, and thereafter every six months from the issuance of an order for continued competency restoration treatment under subdivision (3)(B) of this subsection (b); and

(B) at any time upon the determination by the Agency of Human Services Medical Director that the person is likely competent to stand trial or that it is unlikely that the person's competency can be restored.

(2) The court shall hold a hearing after the competency evaluation, and prior to the hearing, the results of all evaluations shall be supplied to the court and the parties to the underlying criminal action.

(3)(A) If the court finds after the hearing that the person is competent to stand trial, the court shall immediately notify the State's Attorney and the person's counsel in the criminal case.

(B) If the court finds after the hearing that the person is not competent to stand trial, the court shall order continued competency restoration treatment at the facility pursuant to this section.

(4) Notwithstanding any other provision of law or rule, witnesses at hearings held pursuant to this section shall be permitted to provide testimony remotely.

(c)(1) At the request of a party or the Agency of Human Services Medical Director, the court may order that a competency evaluation conducted pursuant to subsection (b) of this section include an opinion on whether the person's competency can be restored. If a request is made pursuant to this subsection, the forensic facility shall cause the person to be evaluated for restorability to competence prior to the hearing.

(2) If the court finds that the person's competency can be restored, the court shall order continued competency restoration treatment at the facility pursuant to this section.

(3)(A) If the court finds that the person's competency cannot be restored, the court shall hold a hearing within 60 days unless that period is extended by the court for good cause.

(B) Prior to the date of the hearing, the court shall order that a forensic risk assessment of the person be conducted that includes:

(i) the person's history and present dangerousness;

(ii) a description of any tests that were employed and the results of the tests;

(iii) the examiner's findings;

(iv) the examiner's opinion as to whether the person's release would create a substantial risk of bodily injury to another person;

(v) recommendations for evidence-based treatment and supervision that would support the person's success and mitigate risk of aggression and violence;

(vi) the examiner's opinion as to whether the person is a person in need of custody, care, and habilitation as defined in 18 V.S.A. § 8839; and

(vii) the examiner's opinion as to whether the person is competent to stand trial.

(C) The results of all evaluations shall be supplied to the court and the parties to the underlying criminal action.

(4)(A) If the State's Attorney demonstrates by clear and convincing evidence at a hearing held pursuant to subdivision (3)(A) of this subsection (c) or (B) of this subdivision (4) that the person has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person, the court shall order continued commitment of the person consistent with the person's forensic risk assessment. The court shall order treatment of the person, which may include appropriate supervision and supervised housing, in the least restrictive setting consistent with the person's forensic risk assessment and treatment needs.

(B) If continued commitment is ordered pursuant to subdivision (A) of this subdivision (4), the person's commitment shall be reviewed by the court:

(i) every 12 months; and

(ii) at any time upon the determination by the Agency of Human Services Medical Director that the person no longer has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person.

(5)(A) If the State's Attorney does not demonstrate by clear and convincing evidence at a hearing held pursuant to subdivision (3)(A) or (4)(B)

of this subsection (c) that the person has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person, the court shall:

(i) order the release of the person under a prescribed regimen of medical, psychiatric, or psychological care or treatment, housing, and supervision by the Commissioner of Mental Health; the Department of Disabilities, Aging, and Independent Living; or the Department of Health, that the Agency of Human Services Medical Director has certified as appropriate; and

(ii) order, as an explicit condition of supervision, that the person comply with the prescribed regimen of medical, psychiatric, or psychological care or treatment, housing, and supervision by the Commissioner of Mental Health; the Department of Disabilities, Aging, and Independent Living; or the Department of Health, together with any other conditions appropriate to protect the public.

(B) A person's release pursuant to this subdivision (5) shall be reviewed by the court every 12 months. The person shall be released from the supervision of the Commissioner of Mental Health; the Department of Disabilities, Aging, and Independent Living; or the Department of Health unless the State's Attorney demonstrates by clear and convincing evidence at the hearing that continued treatment and supervision is necessary to prevent the person from becoming a substantial risk of bodily injury to another person.

(C)(i) The State's Attorney shall make a reasonable effort to provide the victim with prior notice of any hearing held pursuant to this subdivision (5). The court may continue the hearing if the victim has not been provided with the notice required by this subdivision (C)(i).

(ii) At any hearing under this subdivision (5), the court shall ask if the victim is present and, if so, shall offer the victim the opportunity to be heard. The court may consider any views offered at the hearing by the victim, including the victim's views concerning the offense and preferences for the person's placement and care. If the victim is not present at the hearing, the court shall ask whether the victim has expressed oral or written views concerning the offense and preferences for the person's placement and care, and, if so, the court may consider those views.

(6)(A) If the court finds that the person's competency cannot be restored, and finds by clear and convincing evidence that the person is a person in need of custody, care, and habilitation as defined in 18 V.S.A. § 8839, the court shall issue an order of commitment for up to one year directed to the Commissioner of Disabilities, Aging, and Independent Living for placement in

a designated program in the least restrictive environment consistent with the person's need for custody, care, and habilitation. The order of commitment shall have the same force and effect as an order issued under 18 V.S.A. chapter 206, subchapter 3 and persons committed under the order shall have the same status, and the same rights, including the right to receive care and habilitation, to be examined and discharged, and to apply for and obtain judicial review of their cases, as persons ordered committed under 18 V.S.A. chapter 206, subchapter 3.

(B)(i) The Commissioner shall provide appropriate custody, care, and habilitation in a designated program to a person committed under subdivision (A) of this subdivision (6).

(ii) The court may order continued treatment at the forensic facility for a period not to exceed one year if the court finds that the Commissioner is not currently able to provide appropriate custody, care, and habilitation in a designated program. For good cause shown the court may extend the one-year period by an additional period not to exceed six months.

(C)(i) The court shall review an order of continued treatment issued pursuant to subdivision (B)(ii) of this subdivision (6) every 90 days.

(ii) If the court finds at the review that that appropriate custody, care, and habilitation can be provided to the person in a designated program, the court shall vacate the order for continued treatment and order the person committed to the custody of the Commissioner pursuant to subdivision (A) of this subdivision (6).

(iii) If the court finds at the review that that appropriate custody, care, and habilitation cannot be provided to the person in a designated program, the court shall order continued treatment at the forensic facility pursuant to subdivision (B)(ii) of this subdivision (6).

(D) The Commissioner may at any time certify to the court that appropriate custody, care, and habilitation can be provided to the person in a designated program, and after such a certification the court shall vacate the order for continued treatment and order the person committed to the custody of the Commissioner pursuant to subdivision (A) of this subdivision (6).

(E) As used in this subdivision (6), "Commissioner" means the Commissioner of Disabilities, Aging, and Independent Living.

(d) Except as provided in subdivisions (c)(4)(A), (c)(5), and (c)(6)(A) of this section, the person shall remain at the forensic facility until the person is restored to competency or until there is a final disposition of the charges against the person.

(e) The person shall receive competency restoration services while at the forensic facility according to a plan approved by the Agency of Human Services Medical Director. Such services shall include any appropriate combination of medication, education, accommodations, habilitation, or other services identified as necessary or proper to achieve and maintain competency to stand trial. The person's refusal to receive competency restoration services shall not be grounds for release or dismissal from the forensic facility.

(f) Competency restoration services shall be provided to the person at the forensic facility, or at another location as part of a discharge plan, until the person is restored to competency or until there is a final disposition of the charges against the person.

(g)(1) As appropriate for the needs of the person, the Commissioner of Mental Health; of Health; or of Disabilities, Aging, and Independent Living shall actively monitor compliance with orders issued pursuant to subdivision (c)(5) of this section. Upon request from the commissioner monitoring the person, the court shall immediately order return of a person to the forensic facility if:

(A) the person was released from the facility pursuant to subdivision (c)(5) of this section; and

(B) the Agency of Human Services Medical Director has reason to believe that, due to a qualifying condition, the person's continued release would create a substantial risk of bodily injury to another person.

(2) The commissioner monitoring the person shall notify the court where the person was committed upon return of the person to the forensic facility. Upon readmission, the court shall hold a hearing at which the State's Attorney shall have the burden of establishing by clear and convincing evidence that the person has a qualifying condition that, if the person's release continues, would create a substantial risk of bodily injury to another person. If the State's Attorney meets its burden, the court shall order the person readmitted to the forensic facility for treatment pursuant to this section. If the State's Attorney does not meet its burden, the court shall order the person restored to the status the person had when the person was returned to the facility.

(h) The Agency of Human Services Medical Director shall receive prior approval of the Criminal Division of the Superior Court where the person's underlying criminal charge is pending for any competency restoration plan involving involuntary medication. The court shall not approve involuntary medication unless the State's Attorney establishes by clear and convincing evidence that:

(1) the involuntary medication is medically appropriate;

(2) the involuntary medication serves the important governmental interests of bringing to trial an individual accused of a serious crime and ensuring a fair, timely prosecution;

(3) the involuntary medication significantly furthers these important governmental interests by making it substantially likely to render the defendant competent to stand trial; and

(4) any alternative, less intrusive treatments are unlikely to achieve the same results.

(i) When an evaluation is required of the person's competency or restorability under this section, the defense shall be entitled to conduct an independent evaluation and introduce the results at the hearing.

Sec. 3. 13 V.S.A. § 4817 is amended to read:

§ 4817. COMPETENCY TO STAND TRIAL; DETERMINATION;

DISMISSAL

* * *

(e)(1) When a person has been found incompetent to stand trial for an alleged misdemeanor offense, the charges against the person shall be dismissed without prejudice if, after the finding of incompetence, the case remains inactive for a continuous period of time equal to or greater than the maximum sentence for the offense. Dismissal under this section shall not be required if the court finds that dismissing the case would be contrary to the interests of justice.

(2)(A) If the offense is not a qualifying crime under subdivision 7601(4) of this title, the court shall hold a hearing prior to dismissing a case under this subsection (e). The State's Attorney shall make a reasonable effort to provide the victim with prior notice of the hearing, and the court may continue the hearing if the victim has not been provided with the notice required by this subdivision (2)(A).

(B) At the hearing, the court shall ask if the victim is present and, if so, shall offer the victim the opportunity to be heard. The court may consider any views offered at the hearing by the victim, including the victim's views concerning the offense and the interests of justice. If the victim is not present at the hearing, the court shall ask whether the victim has expressed oral or written views concerning the offense and the interests of justice, and, if so, the court may consider those views.

Sec. 4. 13 V.S.A § 4819a is added to read:

§ 4819a. FORENSIC FACILITY PLACEMENT FOR PERSONS

NOT GUILTY BY REASON OF INSANITY FOR CERTAIN
CRIMES

(a)(1) A person who is charged with an offense punishable by a life sentence and is found not guilty only by reason of insanity at the time of the offense charged shall be committed to a forensic facility pursuant to this section. This section shall not be construed to prohibit the temporary transfer of a person requiring inpatient treatment through an order of hospitalization pursuant to 18 V.S.A. § 7619 or section 4822 of this title.

(2) The committing court shall retain jurisdiction over the person for all proceedings under this section.

(b)(1) A hearing shall be held by the court where the person was tried within 60 days following admission to the forensic facility, unless that period is extended by the court.

(2) Prior to the date of the hearing, the court shall order that a forensic risk assessment of the person be conducted that includes:

(A) the person's history and present dangerousness;

(B) a description of any tests that were employed and the results of the tests;

(C) the examiner's findings;

(D) the examiner's opinion as to whether the person's release would create a substantial risk of bodily injury to another person; and

(E) recommendations for evidence-based treatment and supervision that would support the individual's success and mitigate risk of aggression and violence.

(3) The results of all evaluations shall be supplied to the court and the parties to the underlying criminal action.

(4)(A) At the hearing, the court shall order the person committed to the forensic facility if the State's Attorney establishes by clear and convincing evidence that the person has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person.

(B) If the State's Attorney does not establish by clear and convincing evidence that the person has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person, the

court shall enter an order releasing the person pursuant to subdivisions (e)(3)(A) and (B) of this section.

(C) Notwithstanding any other provision of law or rule, witnesses at the hearing shall be permitted to provide testimony remotely.

(c) A person committed to the forensic facility pursuant to this section shall not be released until the court finds pursuant to subsection (e) of this section that the person no longer has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person.

(d) The Agency of Human Services Medical Director shall, taking into account public safety and the least restrictive conditions applicable, provide adequate care and individualized treatment at the forensic facility to persons ordered committed pursuant to this section. In order that the Medical Director may adequately determine the nature of the person's condition and needs, all persons committed pursuant to this section shall be promptly examined by qualified personnel in order to provide a proper evaluation, diagnosis, and treatment plan.

(e)(1)(A)(i) The State's Attorney shall petition the committing court for review of the person's commitment:

(I) six months after the date that the person is committed pursuant to subdivision (b)(4)(A) of this section;

(II) three years after a commitment order issued following a review under subdivision (I) of this subdivision (i);

(III) every fifth year after a commitment order issued following a review under subdivision (II) of this subdivision (i); and

(IV) at any time upon certification at any time to the Secretary of Human Services by the Agency of Human Services Medical Director that the person no longer has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person.

(ii) The Secretary of Human Services shall provide all reports required under this section to the State's Attorney, who shall file them with the petition.

(B)(i) A person committed pursuant to subdivision (b)(4)(A) of this section may petition the committing court for release on the grounds that the person no longer has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person.

(ii) A petition shall not be filed pursuant to this subdivision (B):

(I) until at least 90 days after the issuance of the commitment order pursuant to subdivision (b)(4)(A) of this section; and

(II) more frequently than once during each applicable period set forth in subdivision (A)(i) of this subdivision (e)(1).

(2) If the State's Attorney establishes by clear and convincing evidence that the person has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person, the court shall deny the petition and order the person committed to the forensic facility for continued treatment pursuant to this section.

(3) If the State's Attorney does not establish by clear and convincing evidence that the person has a qualifying condition that, upon the person's release, would create a substantial risk of bodily injury to another person, the court shall:

(A) order the release of the person under a prescribed regimen of medical, psychiatric, or psychological care or treatment, including supervision and housing, that the Agency of Human Services Medical Director has certified as appropriate; and

(B) order, as an explicit condition of supervision, that the person comply with the prescribed regimen of evidence-informed medical, psychiatric, or psychological care or treatment, including supervision and housing, together with any other conditions appropriate to protect the public.

(f) As appropriate for the needs of the person, the Commissioner of Mental Health; of Health; or of Disabilities, Aging, and Independent Living shall actively monitor compliance with orders issued pursuant to subdivision (e)(2) of this section. Upon request from the commissioner monitoring the person, the court shall immediately order return of the person to the forensic facility if the Agency of Human Services Medical Director determines that the person is noncompliant with the order and that the noncompliance may create a risk of bodily injury to another person. The commissioner monitoring the person shall notify the court where the person was committed upon return of the person to the forensic facility. Upon readmission, the court shall hold a hearing at which the State's Attorney shall have the burden of establishing by clear and convincing evidence that the person was noncompliant with the court's order for conditional release and that the noncompliance creates a risk of bodily injury to another person.

(g)(1) The State's Attorney shall provide the victim with prior notice of any hearing held pursuant to this section. The court may continue the hearing

if the victim has not been provided with the notice required by this subdivision.

(2) At any hearing under this section, the court shall ask if the victim is present and, if so, shall offer the victim the opportunity to be heard. The court may consider any views offered at the hearing by the victim, including the victim's views concerning the offense and preferences for the person's placement and care. If the victim is not present at the hearing, the court shall ask whether the victim has expressed oral or written views concerning the offense and preferences for the person's placement and care, and, if so, the court may consider those views.

(1) the records shall be made available to the parties in the underlying criminal case upon request; and

(2) the person's health care providers may, with the person's permission, view forensic facility records of the person's psychiatric assessments at the facility, including assessments of the person's competency to stand trial and criminal responsibility.

(10) the physical and staff security plan within and around the perimeter of a forensic facility, including therapeutic design and clinical supervision that reflect best practices, which shall not involve the Department of Corrections, with the exception that employees of the Department of Corrections may provide security services for the facility at the admitting area and around the outside perimeter of the facility if it is co-located on the grounds of a correctional facility;

Sec. 27a. COMMERCIAL CANNABIS COMPACT; INTENT

The General Assembly finds that the medical and commercial cannabis industry has grown significantly throughout the United States since Vermont transitioned to a recreational cannabis market in 2022. The General Assembly further finds that recent statements from federal officials, including provisions of Executive Order 14370, 90 F.R. 60541, “Increasing Medical Marijuana and Cannabidiol Research,” indicate a shifting federal posture on regulated cannabis markets. Accordingly, it is the intent of the General Assembly to prepare for the possibility of regional or interstate cannabis markets by authorizing the Governor to form agreements with other states that have commercial cannabis markets.

Sec. 27b. 7 V.S.A. § 834 is added to read:

§ 834. COMMERCIAL CANNABIS COMPACT

(3) “Foreign licensee” means the holder of a cannabis license issued pursuant to the laws of another State that has entered into an agreement pursuant to this section.

(4) “Vermont license” means a cannabis license issued by the Board.

(2) with respect to the interstate transportation of cannabis or cannabis products, the agreement prohibits the following:

(A) the transportation of cannabis and cannabis products by any means other than those authorized under the laws of the contracting state and the regulations of the Board; and

(B) the transportation of cannabis and cannabis products through the jurisdiction of a state, district, commonwealth, territory, or possession of the United States that does not authorize that transportation.

(c) Notwithstanding any other law, a foreign licensee may engage in commercial cannabis activity with a Vermont licensee and a Vermont licensee may engage in commercial cannabis activity with a foreign licensee, subject to the requirements and limitations set forth in this section.

(d) A foreign licensee shall not engage in commercial cannabis activity within the boundaries of this State without a Vermont license, or engage in commercial cannabis activity within a local jurisdiction without proper authorization issued by the local jurisdiction.

(2) mandatory participation in a system administered by this State to regulate and track cultivation, manufacturing, distribution, transportation, sale, and destruction of cannabis and cannabis products from seed to sale;

(g) An agreement shall provide for collection of all taxes applicable to the medical or commercial cannabis activity.

(h) An agreement shall include provisions requiring the Board and any other appropriate regulatory authorities of the contracting state to address public health and welfare emergencies concerning cannabis or cannabis products that are sold or intended for sale within this State, including for prompt recall or embargo of adulterated or misbranded cannabis products.

(i) An agreement shall include provisions requiring appropriate regulatory authorities of each state to investigate instances of alleged noncompliance with the commercial cannabis regulatory rules and regulations upon request by the other state and in accordance with mutually agreed-upon procedures. An agreement shall include provisions requiring the contracting state to reasonably cooperate with this State's investigations concerning foreign licensees and requiring the Board to reasonably cooperate with investigations by the contracting state concerning persons or entities holding Vermont licenses.

(j) An agreement shall include appropriate provisions reflecting Board programs and efforts to promote the inclusion and support of individuals and communities in the cannabis industry who are linked to populations and neighborhoods that were negatively or disproportionately impacted by cannabis criminalization.

(4) the Attorney General issues a written opinion that implementation of agreements entered into under this section will not result in significant legal risk to this State based on review of federal judicial decisions and administrative action.

(m) The Board shall notify the Governor and the General Assembly upon the occurrence of an event described in subsection (l) of this section and shall post the notification on the Board's website.

(n) The Board may adopt emergency rules pursuant to 3 V.S.A. § 844 governing the procedures for admission of a foreign licensee to conduct commercial cannabis activities within the State. Notwithstanding 3 V.S.A. § 844(b), the Board’s emergency rules shall be effective for one year from the date of adoption. Within 90 days after adopting the emergency rules, the Board shall report to the House Committee on Government Operations and Military Affairs and the Senate Committee on Economic Development, Housing and General Affairs concerning its recommendations for necessary updates to Vermont’s cannabis laws and a proposal for permanent rules governing commercial cannabis activities subject to an agreement.

(b) As used in this section, “restraint” has the same meaning as in 33 V.S.A. §5130.

Sec. 11. USE OF FORCE POLICY

The Vermont Criminal Justice Council, in consultation with the Department of Vermont State’s Attorneys and Sheriffs; the Office of the Child, Youth, and Family Advocate; Disability Rights Vermont; and the Departments for Children and Families and of Disabilities, Aging, and Independent Living shall conduct a formal review to determine whether its use of force policy should include an appendix to adequately address the transportation by law enforcement of children under 18 years of age that is in alignment with the public policy considerations for the transport of children in the custody of the Department for Children and Families pursuant to 33 V.S.A. § 5123.

* * * Restraint and Seclusion * * *

Sec. 12. 33 V.S.A. § 5130 is added to read:

§ 5130. NON-TRANSPORT RELATED RESTRAINT AND SECLUSION

(a) As used in this section:

(1) “Chemical restraint” means any medication used to manage behavior or restrict freedom of movement that is not a standard treatment or dosage for the individual’s condition.

(2) “Child” or “children” means a child or children in the Department’s custody or receiving care or services in a program regulated or licensed by the Department.

(3) “Mechanical restraint” means a type of restraint using a mechanical device, material, or equipment, or garment attached to the child’s body, that restricts freedom of movement or immobilizes or reduces the ability of a child to move the child’s arms, legs, body, or head freely.

(4) “Physical restraint” means a type of restraint using a manual or physical hold that restricts freedom of movement or immobilizes or reduces the ability of a child to move the child’s arms, legs, body, or head freely. A physical restraint shall not include a light touch to encourage a response or to provide direction or guidance, provided the child is able to move away freely.

(5) “Prone restraint” means a physical intervention technique where an individual is held face down on the individual’s stomach. “Prone restraint” does not include a physical restraint that involves a momentary initial hold in a prone position while transitioning to an evidence-based, safer form of restraint that is not considered to be a prohibited form of physical restraint.

(6) “Seclusion” means involuntary confinement of a child in a segregated room or area from which the child is prevented or from which the child reasonably believes that the child is prevented from leaving, whether the door is locked or not. “Seclusion” does not include a voluntary time out under staff supervision for a short period of time in an unlocked room at the child’s request.

(7) “Strip search” means a search that requires a child to remove or arrange some clothing so as to permit a visual inspection of the child’s breasts, buttocks, or genitalia. “Strip search” does not include a pat down through the child’s clothing to determine whether contraband is present.

(8) “Least restrictive” means the minimum intervention necessary to prevent harm to the child or to another, maximizing a child’s autonomy, ensuring that restrictions are proportionate to the risk of harm, and ensuring involuntary measures are only permitted as a last resort when less intrusive methods have failed.

(9) “Soft restraint” means a mechanical restraint device that uses soft material or fabric that is padded and designed to safely fit around the limbs of an individual to limit mobility in order to prevent self-harm or harm to others.

(10) “Secure residential program” means a secure residential treatment program that employs locked or inoperable doors and windows to prevent a child from leaving the building.

(b) The Department shall not use or authorize the use of prone restraints, mechanical restraints, chemical restraints, or strip searches on a child.

(c) Seclusion or physical restraint shall not be used for punishment, disciplinary purposes, the protection of property, or any other reason other than as a safety measure of last resort to prevent a serious and immediate risk of harm to the child or others.

(d) A staff member shall use other less restrictive interventions, unless less restrictive interventions have failed or would be ineffective in stopping imminent danger of physical injury or property damage.

(e) After attempting to use less restrictive interventions, a staff member trained in accordance with rule may physically restrain a child or place a child in seclusion if the staff member:

(1) determines that the child's behavior poses a serious and immediate risk of physical harm to the child or others;

(2) conducts the physical restraint or seclusion in a manner that respects the child's privacy and limits physical and psychological trauma; and

(3) after initiation of the intervention, explains to the child the reasons for the physical restraint or seclusion and informs the child of the circumstances that allow release from the physical restraint or seclusion.

(f) If a child is placed in physical restraint or seclusion pursuant to subsection (e) of this section, the child shall be released immediately when there is no longer a serious and immediate risk of physical harm to the child or others.

(g)(1) Restraint or seclusion lasting more than 10 minutes shall require supervisory approval and oversight. Restraint or seclusion lasting more than 30 minutes shall require clinical and administrative consultation, approval, and oversight. A child shall not be held for more than one hour in restraint or seclusion without an in-person assessment by a clinician and authorization by the administrator on duty.

(2) A child in seclusion shall be provided constant uninterrupted supervision by a qualified staff member employed by the program who is familiar to the child.

(h) Nothing in this section shall be construed to:

(1) include a locked bedroom during regular sleeping hours in a secure residence as seclusion; or

(2) conflict with any law providing greater or additional protections to minors.

(i) Notice of the use of restraint or seclusion on a child in the Department's custody shall be provided to the Department; the child's parent or guardian; the child's guardian ad litem; and the child's attorney, if applicable, within 24 hours.

(j) The program or staff member using seclusion or restraint shall document its use and provide a copy of each recorded use of seclusion or restraint, including a copy of any audio or visual recording, to the Commissioner. Upon request, the audio or video shall be provided through secure means of transmission and shall include blurring to protect the identity of any other children in the program who are not in custody of the Department. The documentation shall include a description of the child's specific behaviors justifying the use of the intervention. The Department shall forward complete

documentation of each use of restraint or seclusion to the Office of the Child, Youth, and Family Advocate within two business days.

(k) The Department shall collect the following data on the use of seclusion and physical restraint, by placement type; program name; and the age, gender, and racial background of the child:

(1) the specific types of the seclusion or physical restraint used; and

(2) the length of time a child was secluded or physically restrained, as applicable.

(1)(1) Prior to contracting with any program for the care of a child in the Department's custody, the Department shall conduct a review of any records, from the prior five years regarding the safety of children in the program's care, including any violations of the program's licensing status and any resulting remediation.

(2) The Department shall remove any Vermont child from risk of harm and shall initiate a search for alternative providers if an out-of-state residential provider is determined to be in violation of the standards in the contract regarding restraint and seclusion or in violation of its state's licensing entity.

(m) Notwithstanding subsection (b) of this section, a child detained in a secure residential program may be restrained with mechanical restraints for a momentary initial hold to enable relocation of the child to a less restrictive method of intervention if necessitated to prevent serious and immediate harm to the child or others, except that under no circumstances shall a garment adjacent to the child's body that restricts freedom of movement or immobilizes or reduces the ability of a child to move the child's arms, legs, body, or head freely be utilized. The procedures and standards established under this section, including notice and reporting requirements, shall apply.

(n) Notwithstanding subsection (b) of this section, a child detained in a secure residential program may be subjected to a strip search if a pat search has led to probable cause to believe that the child has possession of contraband that poses a threat of serious bodily harm to the child or others and the child has refused to voluntarily turn over the contraband. The child shall be given the opportunity before and at any time after the commencement of a search to voluntarily relinquish the suspected contraband, whereupon the search will be discontinued. Notice and reporting requirements shall be the same as for use of restraint or seclusion under this section. Body cavity searches shall not be permitted under any circumstances.

(o) The Department shall post on the Family Division's scorecard or another prominent location on its website the rates of restraint and seclusion

used on children in licensed programs and the number of uses of secure transport and of restraint used during transport. The Department shall update this information at least annually.

(p) The Department shall develop and adopt rules pursuant to 3 V.S.A. chapter 25, in collaboration with the Office of the Child, Youth, and Family Advocate and in consultation with stakeholders implementing this section, including requirements for staff training; standards for supervisory oversight, recordkeeping, and reporting by residential programs; oversight responsibilities of the Department; and any other necessary standards.

Sec. 13. 33 V.S.A. § 5130(1) is amended to read:

(1)(1) Prior to contracting with any program for the care of a child in the Department's custody, the Department shall conduct a review of any records, from the prior five years regarding the safety of children in the program's care, including any violations of the program's licensing status and any resulting remediation.

(2) When contracting with an out-of-state program, the Department shall include a requirement that the program adhere to the provisions of this section.

(3) The Department shall remove any Vermont child from risk of harm and shall initiate a search for alternative providers if an out-of-state residential provider is determined to be in violation of the standards in the contract regarding restraint and seclusion or in violation of its state's licensing entity.

Governor's Veto

H. 674

An act relating to the creation of the Vermont Sister State Program

Text of Veto Message

The text of the communication from His Excellency, the Governor, whereby

he vetoed and returned unsigned **House Bill No. H. 674** to the House is as follows:

May 18, 2026

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives
State House
Montpelier, VT 05633

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning unsigned and without my approval, in the time permitted by the Constitution, H.674, *An act relating to the creation of the Vermont Sister State Program*.

This bill would create a 9-person Sister State Program Committee, allocate significant authority to the Committee for choosing Sister State applicants for recommendation to the Governor, and would have sole authority to terminate partnerships with a simple majority vote of those present at a meeting.

Chapter II, Section 20 of the Vermont Constitution provides: "The Governor is to correspond with other states, [and] transact business with officers of government, civil and military..." The Committee's sole authority to terminate partnerships in the bill becomes Constitutionally impermissible as it usurps the Governor's express Constitutional authority to transact business with officers of government.

I understand the value of these partnerships and could support a bill provided it removes the termination provision while keeping the remaining sections.

Sincerely,

Philip B. Scott
Governor

A request for information will not be treated as a seat-change request for purposes of reserving a seat against other requests.
4. Requests for vacant seats will be accepted in the order received.
5. A vacant seat is one that was held at the end of the 2026 session by a member who has publicly announced they do not plan to run or has not filed to run for reelection to the House, who is not so reelected, or who has changed seats for 2027-28.

Joint Rules 16a–16d provide the procedure for the General Assembly to adopt concurrent resolutions pursuant to the Consent Calendar. Here are the steps for Representatives to introduce an H.C.R. and to have it ceremonially read during a House session:

1. Meet with or email Legislative Counselor Michael Chernick regarding your H.C.R. draft request. Come prepared with an idea and any relevant supporting documents.
2. Have a date in mind if you want a ceremonial reading. You should communicate with Counselor Chernick **at least two weeks prior** to the week you want your ceremonial reading to happen.
3. Counselor Chernick will draft your H.C.R., and Resolutions Editor and Coordinator Jill Pralle will edit it. Upon completion of this process, a paper or electronic copy will be released to you. If a paper copy is released to you, a sponsor sign-out sheet will also be included.
4. Please submit a final sponsor list (with all sponsors listed) to Counselor Chernick by paper *or* electronically, but not both.
5. The final list of sponsors needs to be submitted, by email *or* on a paper sign-out sheet, to Counselor Chernick **not later than 1:00 p.m. the Wednesday of the week prior** to the H.C.R.'s appearance on the Consent Calendar.
6. The Office of Legislative Counsel will then send your H.C.R. to the House Clerk's Office for incorporation into the Consent Calendar and House Calendar Addendum for the following week.

Your H.C.R. can be ceremonially read during a House session once it is adopted, meaning it must have been adopted through the House Consent Calendar not later than the week prior to your requested ceremonial reading date. Contact Second Assistant Clerk Courtney Reckord to confirm your requested ceremonial reading date.
9. **A Note:** If there is a **specific date, week, or month that your resolution must be read** (e.g. to designate a specified period of time or to recognize a group on a certain day), please inform Second Assistant Clerk Courtney

Reckord as soon as possible, so she can reserve that date in advance. You do not need to have the resolution drafted by then.
