### ACTION CALENDAR

#### NEW BUSINESS

##### Second Reading

##### Favorable with Recommendation of Amendment

##### S. 202.

An act relating to portable solar energy generation devices.

**Reported favorably with recommendation of amendment by Senator Watson for the Committee on Natural Resources and Energy.**

The Committee recommends that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 30 V.S.A. § 201 is amended to read:

#### § 201. DEFINITIONS

As used in this chapter:

\* \* \*

(9) “Portable solar energy generation device” means a movable photovoltaic generation device that:

(A) is designed to be connected to a building’s electrical system via an electrical cord plugged into a receptacle;

(B) includes a feature that prevents the system from energizing the building’s electrical system during a power outage;

(C) complies with UL 3700 for plug-in photovoltaic systems by UL Solutions or an equivalent certification by an equivalent Nationally Recognized Testing Laboratory for use in the United States; and

(D) is connected to a building that is connected to the electric grid.

Sec. 2. 30 V.S.A. § 256 is added to read:

#### § 256. PORTABLE SOLAR ENERGY GENERATION DEVICES

(a) A customer may install one or more portable solar energy generation devices per electric meter if the devices have a maximum combined capacity of not more than 1,200 watts. Portable solar energy generation devices shall only be connected to systems using smart meters.

(b) The installation of a portable solar energy generation device that complies with subsection (a) of this section shall not be required to comply with the requirements of section 248 of this chapter or be required to obtain an interconnection agreement with an electric distribution company.

(c) An electric distribution company shall not require a customer using a portable solar energy generation device that complies with subsection (a) of this section to:

(1) obtain the company's approval before installing or using the device;

(2) pay any fee or charge related to the device; or

(3) install any additional controls or equipment beyond what is integrated into the device.

(d) A customer with a net metering system shall not also install a portable solar energy generation device. A portable solar energy generation device shall not be eligible for net metering. Excess generation fed back into the grid by a portable solar energy generation device shall not be compensated by an electric distribution company.

(e) A portable solar energy device in a public building, as defined in 20 V.S.A. § 2730, shall be used in a manner that complies with all applicable requirements of the most recent Fire and Building Safety Code adopted by the Division of Fire Safety.

Sec. 3. 24 V.S.A. § 4413(g) is amended to read:

(g) Notwithstanding any provision of law to the contrary, a bylaw adopted under this chapter shall not:

(1) Regulate the installation, operation, and maintenance, of a portable solar energy generation device or on a flat roof of an otherwise complying structure, of a solar energy device that heats water or space or generates electricity. For the purpose of this subdivision, "flat roof" means a roof having a slope less than or equal to five degrees.

(2) Prohibit or have the effect of prohibiting the installation of solar collectors not exempted from regulation under subdivision (1) of this subsection, clotheslines, or other energy devices based on renewable resources.

Sec. 4. 27 V.S.A. § 544 is amended to read:

#### § 544. ENERGY DEVICES BASED ON RENEWABLE RESOURCES

(a) No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting solar collectors, clotheslines, or other energy devices based on renewable resources from being

installed on or, for a portable solar energy generation device as defined in 30 V.S.A. § 201, appurtenant to buildings erected on the lots or parcels covered by the deed restrictions, covenants, or binding agreements. A property owner may not be denied permission to install solar collectors or other energy devices based on renewable resources by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property with respect to residential dwellings. For purposes of this subsection, that entity may determine the specific location where solar collectors may be installed on the roof within an orientation to the south or within 45° east or west of due south, provided that this determination does not impair the effective operation of the solar collectors.

\* \* \*

(c) The legislative intent in enacting this section is to protect the public health, safety, and welfare by encouraging the development and use of renewable resources in order to conserve and protect the value of land, buildings, and resources by preventing measures that will have the ultimate effect, whether or not intended, of driving the costs of owning and operating commercial or residential property beyond the capacity of private owners to maintain. This section shall not apply to patio railings in condominiums, cooperatives, or apartments, except for a portable solar energy generation device.

#### Sec. 5. EFFECTIVE DATE

This act shall take effect on July 1, 2026.

(Committee vote: 5-0-0)

#### NOTICE CALENDAR

#### Senate Resolution for Notice

#### S.R. 20.

Senate resolution relating to adoption of a temporary Rule 44A.

**PENDING QUESTION:** Shall the resolution be adopted?

(For text of resolution, see Senate Journal for Tuesday, January 27, 2026, page 75)

#### CONFIRMATIONS

The following appointments will be considered by the Senate, as a group, under suspension of the Rules, as moved by the President *pro tempore*, for confirmation together and without debate, by consent thereby given by the Senate. However, upon request of any senator, any appointment may be

singled out and acted upon separately by the Senate, with consideration given to the report of the Committee to which the appointment was referred, and with full debate; and further, all appointments for the positions of Secretaries of Agencies, Commissioners of Departments, Judges, Magistrates, and members of the Public Utility Commission and the Cannabis Control Board, underlined below, shall be fully and separately acted upon.

Colin Owyang of Shelburne - Superior Court Judge - By Senator Vyhovsky for the Committee on Judiciary (January 20, 2026)

#### **NOTICE OF JOINT ASSEMBLY**

**Thursday, February 19, 2026 - 10:30 A.M. – House Chamber** - Election of an Adjutant and Inspector General, and of two (2) trustees for the Vermont State Colleges Corporation.

Candidates for the positions of Adjutant and Inspector General, and legislative candidates for Vermont State Colleges Corporation trustees must notify the Secretary of State in writing of their candidacies not later than Thursday, February 12, 2026, by 4:00 P.M., pursuant to the provisions of 2 V.S.A. §12(b). Otherwise their names will not appear on the ballots for these positions.

The following rules shall apply to the conduct of these elections:

First: All nominations for these offices will be presented in alphabetical order prior to voting.

Second: There will be only one nominating speech of not more than three (3) minutes and not more than two seconding speeches of not more than one (1) minute each for each nominee.

#### **FOR INFORMATION ONLY**

##### **CROSSOVER DATES**

The Joint Rules Committee established the following crossover deadlines:

(1) All **Senate/House** bills must be reported out of the last committee of reference (including the Committees on Appropriations and Finance/Ways and Means, except as provided below in (2) and the exceptions listed below) on or before **Friday, March 13, 2026**, and filed with the Secretary/Clerk so they may be placed on the Calendar for Notice the next legislative day. - Committee bills must be voted out of Committee by **Friday, March 13, 2026**.

(2) All **Senate/House** bills referred pursuant to Senate Rule 31 or House Rule 35(a) to the Committees on Appropriations and Finance/Ways and Means must be reported out by the last of those committees on or before **Friday**,

**March 20, 2026**, and filed with the Secretary/Clerk so they may be placed on the Calendar for Notice the next legislative day.

**Note:** The Senate will not act on bills that do not meet these crossover deadlines, without the consent of the Senate Rules Committee.

**Exceptions to the foregoing deadlines include the major money bills (the General Appropriations Bill (“The Big Bill”), the Transportation Capital Bill, the Capital Construction Bill, and the Fee/Revenue Bills).**
