Sec. 1. FINDINGS AND PURPOSE

(a) The General Assembly finds that Vermont's judges, prosecutors, law enforcement officers, and other public servants play an essential role in the functioning of the government of the State of Vermont and that the nature of their official duties regularly places them in danger of death, serious physical injury, and other reprisals from members of the public.

(b) Violence to and intimidation of such public servants and their families is on the rise and public access to the personal information of these individuals can be and has been used to facilitate violence and intimidation. The personal

information of these individuals is of negligible value to the public interest or public discourse.

(c) Accordingly, the provisions of this act are both necessary and appropriate to protect the privacy, safety, and security of public servants and to prevent interference in the administration of justice and the operation of government in the State of Vermont.

Sec. 2. 9 V.S.A. chapter 62 is amended to read:

(2) Upon a data broker receiving physical or electronic notice from a covered person, or an authorized agent of the covered person, requesting that the data broker cease disclosing or redisclosing protected information of the covered person, the data broker shall cease disclosing the protected information not later than 15 days after receipt of the notice and shall not disclose or redisclose the protected information after that time.

(3) The notice as set forth in subdivision (2) of this subsection shall be in a form and manner provided by the Attorney General, except that:

(B) no prior verification of a covered person's or authorized agent's status shall be required for the notice; and

(C) the notice shall include a disclaimer that ceasing disclosure of a covered person's protected information may:

(i) complicate certain business transactions; and

(ii) not result in the covered person's protected information being totally removed from the internet.

(c) Penalties for violations.

(1) Attorney General enforcement.

(A) A data broker that receives a notice from a covered person or the authorized agent of the covered person pursuant to subdivision (b)(2) of this section that discloses or rediscloses the covered person's protected information more than 15 days after receiving the notice is in violation of this section and shall be assessed a civil penalty of not more than \$10,000.00 for each violation.

(C) The Attorney General shall create a form on its website where a covered person or an authorized agent of the covered person is able to provide notice to the Attorney General that more than 15 days have passed since the covered person or an authorized agent of the covered person submitted a notice to a data broker pursuant to subdivision (b)(2) of this section and that the data broker continues to disclose or has redisclosed the covered person's protected information. (iv) any other preliminary and equitable relief as the court determines to be appropriate.

(B) A data broker that ceases disclosing the protected information of a covered person not more than 15 days after being served with process in a civil suit brought by the covered person pursuant to subdivision (A) of this subdivision (2) shall only be liable to the covered person for reasonable attorney's fees and court costs in the civil action. A data broker is not eligible for the exception provided this subdivision (B) if the data broker:

(i) more than 15 days after receiving notice from a covered person or the authorized agent of a covered person pursuant to subdivision (b)(2) of this section discloses additional protected information of the covered person; or

(ii) rediscloses protected information of the covered person after having received notice pursuant to subdivision (b)(2) of this section.

(3) Standard of fault. In any judicial proceeding pursuant to this section, the standard of fault shall be ordinary negligence. It shall not be a defense to liability in a judicial proceeding that the covered person's protected information is or was available to the public from other sources, on the internet or otherwise, or available by inspection of public records.

(d) Accessing information. A covered person or an authorized agent accessing a data broker's website or other public application for the purpose of determining whether the covered person's protected information is being disclosed shall not, as a result of such access, be deemed to have agreed on

(1) A disclosure of protected information shall not constitute a violation of this section if the disclosure is:

(A) made with the express or standing authorization of the covered person, provided that the authorization is provided subsequent to the relevant nondisclosure request; or

(B) for the sole purpose of facilitating a transaction initiated by the covered person.

(2) This section does not apply to a data broker in a disclosure pursuant to subdivision (1) of this subsection.

(3) Nothing in this section shall be construed as prohibiting an employer from providing employee information to the Vermont Labor Relations Board or to employee organizations that is required under Vermont law.

(4) Nothing in this section shall be construed to require a data broker to delete protected information.

Sec. 3. FORM OF NOTICE

The Attorney General shall publish the form of notice pursuant to 9 V.S.A. § 2448(b)(3) not later than 90 days after July 1, 2025, provided that until such form is published, covered persons and their authorized agents may use their own form of written notice that:

(1) references this section;

(2) identifies the sender as a covered person or an authorized agent acting on behalf of a covered person;

(3) provides the covered person's full name along with the specific protected information of the covered person that is being disclosed by the data broker; and

(4) requests that the data broker cease disclosing the specific protected information of the covered person.

Sec. 4. STUDY AND REPORT ON PUBLIC AGENCY COMPLIANCE

(a) Study. The Agency of Digital Services, in consultation with the Agency of Administration, the Office of the Secretary of State, the Office of the Attorney General, and with other State agencies as requested by the Agency, shall conduct a study to determine the various considerations and impacts on State public agencies if public agencies were required to conform

to the disclosure policies set forth in this act. The Agency shall meet with and receive input from relevant stakeholders in conducting its study, including the Vermont League of Cities and Towns and the Vermont Municipal Clerks' and Treasurers' Association. The Agency shall consider the following in its study:

(1) if public agencies were required to cease disclosing the protected information of covered persons:

(A) the extent to which public agencies would currently be able to accommodate these requests;

(B) the fiscal and resource impact on public agencies;

(C) whether additional staffing or training would be needed to comply;

(D) the degree to which risk can be mitigated through State or local policy; and

(E) determining which statutes, regulations, and administrative policies require amending in order to accomplish the goal of public agencies being able to cease the disclosure of protected information of covered persons;

(2) how other states have implemented similar requirements on their public agencies, including the types of penalties levied for noncompliance;

(3) the feasibility of creating a State office to manage all statewide requests to cease disclosing protected information; and

(4) any additional related areas of study as determined by the Agency.

(b) Report. On or before December 1, 2026, the Agency of Digital Services shall submit a written report to the House Committee on Government Operations and Military Affairs and the Senate Committee on Government Operations with a summary of its findings pursuant to the study set forth in subsection (a) of this section. The Agency shall also include in its report its recommendations for legislative action and policy modification as well as a suggested timeline for the implementation of the disclosure policies on public agencies.

**Rep. Boutin of Barre City** provided the following vote explanation:

“Madam Speaker:

I voted yes. However, I need to express my deep concern with safe injection sites. My yes vote is not a yes to safe injection sites and I want to make that very clear.”

**Rep. Coffin of Cavendish** provided the following vote explanation:

“Madam Speaker:

I cannot with good conscience support this bill. Although I agree with much of this bill, I believe that the 1.1 million dollars for the safe injection site (overdose prevention center) could be better used by funding beds for true drug addiction recovery and transitional housing. The additional 1.1 million

dollars toward recovery would serve those with addiction better than providing people a place to continue to use illegal drugs. We should consider that there is a difference between just being alive and really living a full life.”

**Rep. Dodge of Essex** provided the following vote explanation:

“Madam Speaker:

I vote yes in favor of Gaetano and all the many family and friends who miss you every single day.”

**Rep. Greer of Bennington** provided the following explanation:

“Madam Speaker:

Though I have my reservations with a particular item in H.218, I want to thank the Committee on Human Services for working to organize the Opioid Abatement Special Fund. Too many Vermonters and Americans have been devastated by the opioid crisis, and this fund will support many important provisions.”

**Rep. Logan of Burlington** provided the following explanation:

“Madam Speaker:

I vote yes in memory of my sister.”

**Rep. McCoy of Poultney** provided the following explanation:

“Madam Speaker:

While disappointed that the safe injection site funding remains in this bill, I vote yes for all of the prevention programs that will be funded in this bill with the Opioid Settlement Fund money.”

**Rep. McGill of Bridport** provided the following explanation:

“Madam Speaker:

I voted yes because we must act with compassion and urgency to save our neighbors from preventable deaths and to meet people where they are with dignity and care. I voted yes with unwavering support of this investment in public health in our communities, and in the inherent worth of every Vermonter.”

**Rep. Micklus of Milton** provided the following explanation:

“Madam Speaker:

While I don’t agree with everything in this bill, the majority of programs this does fund makes it worth my yes.”

**Rep. Steady of Milton** provided the following explanation:

“Madam Speaker:

My no vote is due to Section 1 Subdivision (a)(5) regarding the City of Burlington’s overdose prevention center. I support Governor Scott’s veto of this bill last session. I believe the millions of dollars being appropriated for the safe injection site would be better used on recovery sites and/or centers to help people with addiction – many loved ones may be here today. However, I agree with other pieces of the bill.”

**Rep. Taylor of Milton** provided the following explanation:

“Madam Speaker:

Although I would have rather seen the 1.1 million dollars of opioid settlement money, earmarked for the Opioid Prevention Center, go to other harm reduction methods and beds for treatment, I voted yes because this bill will fund other much needed initiatives to treat those in need.”
