* * * Findings and Intent * * *

Sec. 1. FINDINGS; INTENT; PLAN

(a) The General Assembly finds that:

(1) In 1997, the first piece of law the General Assembly enacted in response to *Brigham v. State*, 166 Vt. 246 (1997) stated, “[t]he right to public education is integral to Vermont’s constitutional form of government and its guarantees of political and civil rights...[and] fundamental for the success of Vermont’s children in a rapidly-changing society and global marketplace as well as the State’s own economic and social prosperity.” 16 V.S.A. § 1.

(2) From the very first attempt at creating a basic frame of government, Vermont’s founders chose to include a right to public education, the only governmental service included in Vermont’s first Constitution of 1777.

(3) As the U.S. Supreme Court stated in *Brown v. Board of Education*, 347 U.S. 483 (1954), “education is perhaps the most important function of state and local governments...[i]t is required in the performance of our most basic public responsibilities...[i]t is the very foundation of good citizenship.”

(4) The most enduring legacy of *Brigham* is the State’s responsibility to ensure substantially equal educational opportunities for all Vermont students.

(5) The education system is still reeling from the effects of a global pandemic, yet the same challenges that have faced Vermont’s education system remain. Thirty to 40 years ago, Vermont educated more than 110,000 students each year. Today, there are approximately 84,000 students in the public education system. Many schools have lost a significant number of students and, with them, the ability to offer robust services and programs at every school. Vermont’s youth need to be prepared for a rapidly evolving future.

(6) Vermonters deserve an exceptional educational system that is stable and predictable and where a student’s home address does not dictate the quality of education they receive. School district size and boundaries, school size, and class size are all influential factors in shaping the quality of instruction and overall student outcomes. The effectiveness of our schools depends on teacher quality, resource availability, and the unique strengths of local communities. Change in our educational system is needed. Systems are made of people, so change must come carefully and thoughtfully, with meaningful engagement by all Vermonters.

(b) Intent; plan.

(1) To ensure each student is provided substantially equal educational opportunities that will prepare them to thrive in a 21st-century world, it is the intent of the General Assembly to work strategically, intentionally, and

thoughtfully to ensure that each incremental change made to Vermont's public education system provides strength and support to its only constitutionally required governmental service.

(2) It is further the intent of the General Assembly to:

(A) in the 2026 session:

(i) enact new, larger school district boundaries that would be effective July 1, 2026;

(ii) enact updates to career and technical education governance systems, both at the local and statewide levels, that are reflective of the larger public education governance transformation to new, larger school districts;

(iii) create a coordinated and coherent statewide strategy for career and technical education that is responsive to students and the State's workforce needs and that provides opportunities for more integration between career and technical education and traditional high school work;

(iv) enact student-centered updates to fully fund career and technical education within a foundation formula that does not create competition between sending schools and career and technical education programs for available funds nor exceed current spending levels;

(v) begin the process to create voting wards within each school district to ensure school board membership is apportioned in such a manner as to achieve substantially equal weighting of the votes of all voters in the election of school board members; and

(vi) establish an appropriate weight for prekindergarten students, as well as enact changes to the publicly funded prekindergarten program that ensure costs are borne by the appropriate funding source depending on the age of the student and the prekindergarten education provider;

(B) provide or enable the provision of the necessary staffing, resources, and support to the Agency of Education, the Secretary of State's Office, town clerks, and other integral parties to the election system to hold the first school board member elections within the newly created school districts in a special election in November 2027; and

(C) provide or enable the provision of the necessary staffing, resources, and support to the Agency of Education, State Board of Education, and other integral parties to ensure that the necessary guidance and funding is in place to allow for a smooth and successful transition between the operation of Vermont's current 119 school districts to the new, larger school districts, with new school districts assuming responsibility for the education of all resident students on July 1, 2028; and

(3) It is further the intent of the General Assembly to ensure that the imposition of the new statewide education tax rate contemplated by this act does not result in an increase of education property tax bills relative to Vermont's current education funding system for municipalities across Vermont. The General Assembly intends to mitigate or reduce property tax bills for Vermonters by, among other things:

(A) enacting new school district boundaries that increase the efficiency of the delivery of educational services through scale;

(B) addressing inefficiencies of education delivery through programmatic updates to prekindergarten, career and technical education, and special education;

(C) improving staffing ratios to increase sustainability and reduce costs;

(D) addressing high-cost, languishing physical school infrastructure through implementation of a new State aid for school construction program;

(E) evaluating and consolidating education governance structures to reduce administrative costs and burdens;

(F) stabilizing education property taxes by transitioning from an education funding system that funds locally varying budgets to a foundation formula that funds predictable educational opportunity payments;

(G) implementing a foundation formula with costs reflective of the most efficient method of delivery of education services to Vermont pupils of all educational needs within Vermont's existing education structure;

(H) providing a process for regular recalibration of the foundation formula to reduce costs over time as educational efficiencies are gained through the implementation of new governance and programmatic structures;

(I) reserving support for small and sparse schools for schools that are small or sparse by necessity;

(J) shifting certain education and other related costs off of the Education Fund and on to other sources of funding that do not impact the property tax bills of Vermonters;

(K) implementing equalizing measures for any local spending additional to educational opportunity payments that reserve funds within the Education Fund to reduce following-year property tax bills;

(L) imposing a cap on local spending additional to educational opportunity payments to limit property tax rate increases through the supplemental district spending tax;

(M) providing transitional measures to ease school district movement from current education spending to educational opportunity payments under the new foundation formula; and

(N) replacing the existing property tax credit with a homestead exemption that increases income sensitivity benefits to Vermonters with low and moderate income and smooths existing income sensitivity benefit cliffs.

(a) Creation. There is created the School District Voting Ward Working Group to create voting district wards within the new school districts contemplated by this act, to ensure school board membership is apportioned in such a manner as to achieve substantially equal weighting of the votes of all voters in the choice of school board members.

Sec. 5. SCALE; INTENT

It is the intent of the General Assembly to transform education in Vermont by leveraging attainable and research-based scale to increase equity of opportunity and promote efficiency and affordability.

Sec. 6. 16 V.S.A. § 165 is amended to read:

§ 165. EDUCATION QUALITY STANDARDS; EQUAL EDUCATIONAL OPPORTUNITIES; INDEPENDENT SCHOOL MEETING
EDUCATION QUALITY STANDARDS

(a) In order to carry out Vermont's policy that all Vermont children will be afforded educational opportunities that are substantially equal in quality, each Vermont public school, including each career technical center, shall meet the following education quality standards:

* * *

(9) The school complies with average class size minimum standards; provided, however, that when class size minimums apply to content areas, an individual class may be smaller than the minimum average. As used in this subdivision, "content area" means a group of courses within a specific licensing endorsement area.

(A) Class size standards.

(i) The average class size minimum for first-grade classes shall be 10 students.

(ii) The average class size minimum for grades two through five shall be 12 students.

(iii) The average class size minimum for grades six through eight in all required content areas shall be 15 students.

(iv) The average class size minimum for grades nine through 12 in all required content area classes shall be 18 students.

(v) Multiage classrooms for grades kindergarten through eight shall be limited to two grade levels per classroom.

(vi) Prekindergarten, kindergarten, career and technical education, flexible pathways, terminal courses, advanced placement courses, courses that require specialized equipment, and driver's education classes shall be excluded from the class size minimum requirements in this subdivision (9). Small group services for the purpose of providing special education, supplemental or targeted academic intervention, or English learner instruction shall also be excluded from the class size minimum requirements in this subdivision (9).

(vii) Class sizes shall not exceed the maximum occupancy limits established by local and State fire codes, including egress and safety requirements.

(B) Waivers. If a school board determines that it operates a school that is unable to comply with the class size minimum standards due to geographic isolation, or a school has developed an implementation plan to meet the standards contained in this subdivision (9) that may include consolidation or merger, the school board may ask the State Board of Education to grant it waiver from this subdivision (9). The State Board shall define what qualifies as geographic isolation in its rules adopted pursuant to subdivision (a)(3) of this section. The State Board's decision shall be final.

(C) State Board action. If the Secretary determines that a school is not meeting the class size minimum standards set forth in this subdivision (9) over the course of three consecutive school years, the Secretary may recommend to the State Board one or more of the actions listed in subsection (b) of this section, regardless of whether the school is meeting all other education quality standards. The State Board shall then follow the procedure of subsection (c) of this section.

(b) Annually, the Secretary shall determine whether students in each Vermont public school are provided educational opportunities substantially equal to those provided in other public schools. If the Secretary determines that a school is not meeting the education quality standards listed in subsection (a) of this section or that the school is making insufficient progress in improving student performance in relation to the standards for student performance set forth in subdivision 164(9) of this title, ~~he or she~~ the Secretary shall describe in writing actions that a district must take in order to meet either or both sets of standards and shall provide technical assistance to the school. If the school fails to meet the standards or make sufficient progress within two years ~~of~~ following the determination, the Secretary shall recommend to the State Board one or more of the following actions:

(1) the Agency continue to provide technical assistance for one more cycle of review;

(2) the State Board adjust supervisory union boundaries or responsibilities of the superintendency pursuant to section 261 of this title;

(3) the Secretary assume administrative control of an individual school, school district, or supervisory union, including budgetary control to ensure sound financial practices, only to the extent necessary to correct deficiencies;

(4) the State Board close an individual school or schools and require that the school district pay tuition to another public school or an approved independent school pursuant to chapter 21 of this title; or

(5) the State Board require two or more school districts to consolidate their governance structures.

(c) The State Board, after offering the school board an opportunity for a hearing, shall either dismiss the Secretary's recommendation or order that one or more of the actions listed in subsection (b) of this section be taken. The action ordered by the State Board shall be the least intrusive consistent with the need to provide students attending the school substantially equal educational opportunities. A school board aggrieved by an order of the State Board may appeal the order in accordance with the Rules of Civil Procedure.

* * *

(e) If the Secretary determines at any time that the failure of a school to meet the education quality standards listed in subsection (a) of this section is severe or pervasive, potentially results in physical or emotional harm to students or significant deprivation of equal education opportunities, and the school has either unreasonably refused to remedy the problem or its efforts have proved ineffective, ~~he or she~~ the Secretary may recommend to the State Board one or more of the actions listed in subsection (b) of this section. The State Board shall then follow the procedure of subsection (c) of this section.

* * *

Sec. 7. FAILURE TO COMPLY WITH EDUCATION QUALITY STANDARDS; STATE BOARD ACTION

Notwithstanding 16 V.S.A. § 165(b)(4) and (5) and any other provision of law to the contrary, the State Board shall be prohibited from ordering school district consolidation or school consolidation if a school fails to comply with class size minimum education quality standards and the resulting consolidation would result in school construction costs in excess of the applicable district's capital reserve account until the General Assembly establishes new school district boundaries and takes further action regarding the consequences for failure to meet education quality standards.

* * * Agency and State Board Rules and Reports * * *

Sec. 8. STATE BOARD OF EDUCATION; RULES; REPORT

The amendments shall also create a process for review by the State Board for failure to meet the class size minimum requirements and the corresponding actions the Board may take for such noncompliance; provided, however, that the Board shall provide an approved independent school a substantially similar opportunity to come into compliance with class size minimum standards that it would provide to a public school.

(3) A progress report regarding the development of clear, unambiguous guidance that would be provided to school officials and school board members regarding the business processes and transactions that would need to occur to facilitate school district mergers into larger, consolidated school districts, including the merging of data systems, asset and liability transfers, and how to address collective bargaining agreements for both educators and staff. The report shall include a detailed description of how the Agency will provide support and consolidation assistance to the field in each of these areas and an estimate of the costs associated with such work.

(4) In consultation with superintendents, directors of therapeutic independent schools, special education directors, and, in the opinion of the Agency, other experts, recommendations for the need for cooperative education services and the oversight of therapeutic schools within the school governance framework both at a State and local level.

Sec. 10. STATE BOARD OF EDUCATION; REVIEW OF RULES;
APPROPRIATION

(a) The State Board of Education shall review each rule series the State Board is responsible for and make a determination as to the continuing need for, appropriateness of, or need for updating of said rules. On or before December 1, 2026, the State Board of Education shall submit a written report to the House and Senate Committees on Education with its recommendation for rules that are no longer needed and a plan to update rules that are still necessary, including the order in which the Board proposes to update the rules and any associated costs or staffing needs.

Payment shall be accompanied by a return prescribed by the Secretary of Education. Each municipality may retain 0.225 of one percent of the total education tax collected, only upon timely remittance of net payment to the State Treasurer or to the applicable school district or districts. ~~Each municipality may also retain \$15.00 for each late property tax credit claim filed after April 15 and before September 2, as notified by the Department of Taxes, for the cost of issuing a new property tax bill.~~

~~(B) Determine the union district homestead tax rate using the base rate determined under subdivision (a)(2) of this section and a spending adjustment under subdivision 5401(13) of this title based on the per pupil education spending of the union school district.~~

~~(C) Determine a combined homestead tax rate by calculating the weighted average of the rates determined under subdivisions (A) and (B) of this subdivision (2), with weighting based upon the ratio of union school long-term membership, as defined in 16 V.S.A. § 4001(7), from the member municipality to total long-term membership of the member municipality; and the ratio of long-term membership attending a school other than the union school to total long-term membership of the member municipality. § 6066a. DETERMINATION OF HOMESTEAD PROPERTY TAX
EXEMPTION AND MUNICIPAL PROPERTY TAX CREDIT

(a) Annually, the Commissioner shall determine the homestead property tax exemption and the municipal property tax credit amount under section 6066 of this title, related to a homestead owned by the claimant, based on the prior taxable year's income and for the municipal property tax credit, crediting property taxes paid in the prior year, and for the homestead property tax exemption, exempting the housesite value in the claim year. The Commissioner shall notify the municipality in which the housesite is located of the amount of the homestead property tax exemption and municipal property tax credit for the claimant for ~~homestead~~ property tax liabilities on a monthly basis. The municipal property tax credit of a claimant who was assessed property tax by a town that revised the dates of its fiscal year, however, is the excess of the property tax that was assessed in the last 12 months of the revised fiscal year, over the adjusted property tax of the claimant for the revised fiscal year, as determined under section 6066 of this title, related to a homestead owned by the claimant.

(b) The Commissioner shall include in the total homestead property tax exemption and municipal property tax credit amount determined under subsection (a) of this section, for credit to the taxpayer for ~~homestead~~ statewide education property tax and supplemental district spending tax liabilities, any income tax overpayment remaining after allocation under section 3112 of this title and setoff under section 5934 of this title, which the taxpayer has directed to be used for payment of property taxes.

(c) The Commissioner shall notify the municipality of any claim and refund amounts unresolved by November 1 at the time of final resolution, including adjudication, if any; provided, however, that towns will not be notified of any additional credit amounts after November 1 of the claim year, and such amounts shall be paid to the claimant by the Commissioner.

(d) [Repealed.]

(e) At the time of notice to the municipality, the Commissioner shall notify the taxpayer of the homestead property tax credit exemption amount determined under subdivision 6066(a)(1) of this title, ~~the amount determined under subdivision 6066(a)(3) of this title;~~ any additional municipal property credit amounts amount due the homestead owner under ~~section~~ subdivision 6066(a)(2) of this title; the amount of income tax refund, if any, allocated to payment of ~~homestead~~ statewide education property tax liabilities; and any late-claim reduction amount.

(f)(1) For taxpayers and amounts stated in the notice to towns on or before July 1, municipalities shall create and send to taxpayers a ~~homestead~~ property tax bill, instead of the bill required under subdivision 5402(b)(1) of this title, providing the total amount allocated to payment of ~~homestead~~ statewide education property tax liabilities and notice of the balance due. Municipalities shall apply the amount of the homestead property tax exemption allocated under this chapter to current year property taxes in equal amounts to each of the taxpayers' property tax installments that include education taxes and the amount of the municipal property tax credit allocated under this chapter to current year municipal property taxes in equal amounts to each of the taxpayers' property tax installments that include municipal taxes. Notwithstanding section 4772 of this title, if a town issues a corrected bill as a result of the notice sent by the Commissioner under subsection (a) of this section, issuance of the corrected new bill does not extend the time for payment of the original bill nor relieve the taxpayer of any interest or penalties associated with the original bill. If the corrected bill is less than the original bill, and there are also no unpaid current year taxes, interest, or penalties, and no past year delinquent taxes or penalties and interest charges, any overpayment shall be reflected on the corrected tax bill and refunded to the taxpayer.

(2) For homestead property tax exemption and municipal property tax credit amounts for which municipalities receive notice after November 1, municipalities shall issue a new ~~homestead~~ property tax bill with notice to the taxpayer of the total amount allocated to payment of ~~homestead~~ property tax liabilities and notice of the balance due.

(3) The homestead property tax exemption and municipal property tax credit amount determined for the taxpayer shall be allocated first to current year housesite value and property tax on the homestead parcel, next to current-year homestead parcel penalties and interest, next to any prior year homestead parcel penalties and interest, and last to any prior year housesite value and property tax on the homestead parcel. No homestead property tax exemption or municipal credit shall be allocated to a housesite value or property tax liability for any year after the year for which the claim or refund allocation was filed. No municipal tax-reduction incentive for early payment of taxes shall apply to any amount allocated to the property tax bill under this chapter.

(4) If the homestead property tax exemption or the municipal property tax credit amount as described in subsection (e) of this section exceeds the property tax, penalties, and interest due for the current and all prior years, the municipality shall refund the excess to the taxpayer, without interest, within 20 days of the first date upon which taxes become due and payable or 20 days after notification of the exemption or credit amount by the Commissioner of Taxes, whichever is later.

(g) The Commissioner of Taxes shall pay monthly to each municipality the amount of municipal property tax credit of which the municipality was last notified related to municipal property tax on homesteads within that municipality, as determined by the Commissioner of Taxes.

§ 6067. CREDIT CLAIM LIMITATIONS

(a) Claimant. Only one individual per household per taxable year shall be entitled to a homestead exemption claim or property tax credit claim, or both, under this chapter.

(b) Other states. An individual who received a homestead exemption or credit with respect to property taxes assessed by another state for the taxable year shall not be entitled to receive a credit under this chapter.

(c) Dollar amount. No ~~taxpayer claimant~~ shall receive a renter credit under subsection 6066(b) of this title in excess of \$2,500.00. A renter credit claim shall be filed with the Commissioner on or before the due date for filing the Vermont income tax return, without extension.

(b)(1) If ~~the~~ a claimant files a municipal property tax credit claim after October 15 but on or before March 15 of the following calendar year, the municipal property tax credit under this chapter:

(1)(A) shall be reduced in amount by \$150.00, but not below \$0.00;

(2)(B) shall be issued directly to the claimant; and

(3)(C) shall not require the municipality where the claimant's property is located to issue an adjusted ~~homestead~~ property tax bill.

(2) If a claimant files a homestead property tax exemption claim under this chapter after October 15 but on or before March 15 of the following calendar year, the claimant shall pay a penalty of \$150.00 and the municipality where the claimant's property is located shall not be required to issue an adjusted property tax bill.

(c) No request for allocation of an income tax refund or for a renter credit claim may be made after October 15. No homestead property tax exemption or municipal property tax credit claim may be made after March 15 of the calendar year following the due date under subsection (a) of this section.

(a) In any case in which it is determined under the provisions of this title that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full and the Commissioner may impose a penalty equal to the amount claimed. A disallowed claim may be recovered by assessment as income taxes are assessed. Sec. 53. DEPARTMENT OF TAXES; HOMESTEAD EXEMPTION; REPORT

(a) It is the intent of the General Assembly to transition the way income-based property tax relief is provided to homestead property owners from the existing credit system towards an income-based homestead exemption.

(2) an analysis of the implications of moving to income sensitivity measures that provide benefits to households with household income of up to \$175,000.00 a year; and

(3) updates to the homestead declaration under 32 V.S.A. § 5410 to address the implementation of the proposed homestead exemption, which may be provided as a sample form.

(3) A brief description of each parcel of taxable real estate in the town, including a classification assigned pursuant to section 4152a of this title. “Parcel” As used in this subdivision, “parcel” means a separate and sellable lot or piece of real estate. Parcels may be combined to represent all contiguous land in the same ownership, together with all improvements thereon.

* * *

Sec. 61. 32 V.S.A. § 4152a is added to read:

§ 4152a. PROPERTY TAX CLASSIFICATIONS

(a) The grand list of a town shall include one or more tax classifications for each parcel of real estate. A parcel shall be classified using one of the general classes of real estate listed under subsection (b) of this section and based on the considerations set forth in this section and by guidance provided by the Division of Property Valuation and Review. The listers and assessors shall annually update the grand list to include a tax classification not later than June 1 of every year, using information submitted to the Department of Taxes pursuant to this section. The tax classification may be updated after June 1 when a taxpayer files, or corrects an erroneously filed, homestead declaration after June 1.

(b) A parcel shall be assigned one or more of the following general classes:

(1) Homestead;

(2) Nonhomestead nonresidential; and

(3) Nonhomestead residential.

(c) As used in this section:

(1) “Homestead” means a parcel, or portion of a parcel, declared as a homestead on or before October 15 in accordance with section 5410 of this title for the current year.

(2) “Nonhomestead nonresidential” means a parcel, or portion of a parcel, that does not qualify as “homestead,” or “nonhomestead residential” under this section.

(3) “Nonhomestead residential” means a parcel, or portion of a parcel, for which a homestead was not declared in accordance with section 5410 of this title for the current year and that has a residential property, as defined by the Commissioner by rule.

(d) A parcel with two or more portions qualifying for different tax classifications under this section shall be classified proportionally based on the percentage of floor space used.

(1) In the case of a homestead with 25 percent or less of floor space used for a business purpose, the parcel shall be classified as a homestead pursuant to subdivision 5401(a)(7)(F) of this title.

(2) If a portion of floor space is used for more than one purpose, the use in which the floor space is most often used shall be considered the primary use and the floor space shall be dedicated to that use for purposes of tax classification.

(e) The Commissioner shall amend existing forms, and publish new forms, as needed to gather the necessary attestations and declarations required under this section.

(f) Nothing in this section shall be construed to alter the tax treatment or enrollment eligibility of property as it relates to use value appraisal under chapter 124 of this title.

(g) Persons aggrieved by a decision to classify property for taxation purposes under this section may appeal in the manner provided for property valuation appeals under this title.

Sec. 61a. PROPERTY TAX CLASSIFICATIONS; TRANSITION; DATA COLLECTION

For calendar year 2027, the Commissioner of Taxes shall amend and create forms so that taxpayers report information on the use of their property for such property to be classified as homestead, nonhomestead residential, nonhomestead nonresidential, or a proportional classification of those uses. The information collected, and classifications determined, shall align with the

definitions and requirements of Sec. 61 of this act. The Commissioner shall use the information to determine and assign a tax classification for every grand list parcel and, on or before October 1, 2027, the Commissioner shall provide that information to the Joint Fiscal Office.

Sec. 61b. PROPERTY TAX CLASSIFICATIONS IMPLEMENTATION
REPORT

(a) The Commissioner of Taxes shall study the implementation of new property tax classifications under this act and identify any further actions required by the Department of Taxes, Vermont municipalities, and the General Assembly to successfully implement the new tax classification system on the timeline established by this act. The issues considered by the Commissioner shall include any adjustments to the statutory definitions, any needed changes to existing forms, whether new forms or taxpayer filings are needed, and how the Department could identify parcels with dwelling units that do not have an affiliated homestead declaration or landlord certificate on file.

(b) The Commissioner shall additionally recommend sets of tax rate multipliers to be applied under 32 V.S.A. § 5402(a) as amended by this act.

(1) The Commissioner shall recommend a multiplier set that would ensure any new revenue derived from the nonhomestead residential classification would cover the cost to the Education Fund caused by the homestead property tax exemption under 32 V.S.A. § 6066(a) as amended by this act.

(2) The Commissioner shall recommend a different multiplier set that would ensure that any new revenue derived from the nonhomestead residential classification would mitigate forecasted property tax increases on homestead property taxpayers caused by the implementation of this act.

(c) On or before December 15, 2025, the Commissioner of Taxes shall submit a study report detailing the Commissioner's findings under this section to the House Committee on Ways and Means and the Senate Committee on Finance.

Sec. 61c. TAX CLASSIFICATIONS; RATE MULTIPLIERS; INTENT

It is the intent of the General Assembly that the creation of a tax classification system, and the specific tax classifications to be used by that system, will be reevaluated at the same time as any further amendment of the tax rate multipliers created under 32 V.S.A. § 6066(a) as amended by this act.

Sec. 61d. PROSPECTIVE REPEAL OF TAX CLASSIFICATIONS

In order to ensure successful implementation of education finance reform as set forth in this act, in the absence of legislative action on or before July 1, 2028 that creates a new tax rate multiplier to be used in a tax classification system, subdivision (f)(10) of Sec. 70 of this act is repealed on July 1, 2028.

(a) The Director of Property Valuation and Review shall establish standard guidelines and procedures, and may adopt rules, for regional assessment districts, including:

- (1) guidelines for contracting with third parties to conduct or assist with reappraisals, including standard reappraisal contract terms;
- (2) standards for the collection and recordation of parcel data;

(b) The Director of Property Valuation and Review shall establish a schedule for each regional assessment district to fully reappraise every six years. The Director, at the Director's discretion, may alter the reappraisal schedule for a regional assessment district or for one or more of a regional assessment district's member municipalities.

* * * Transition to Regional Assessment Districts * * *

Sec. 63. TRANSITION; ANNUAL PROGRESS REPORT

(a) Notwithstanding 32 V.S.A. § 4041a or any other provision of law to the contrary:

(1) the Director of Property Valuation and Review shall not order any new municipal reappraisals of grand list properties that is not part of a regionalized reappraisal system on and after January 1, 2027;

(2) a reappraisal order for which a municipality does not have a contract in place before January 1, 2030 shall no longer have the force and effect of law on and after January 1, 2030, except for those that are part of a regionalized reappraisal system; and

(3) a municipality shall not enter into a new reappraisal contract on or after January 1, 2027, except for those that are part of a regionalized reappraisal system.

(b) On or before every January 15 from January 15, 2027 to January 15, 2030, the Commissioner of Taxes shall submit a report to the House Committee on Ways and Means and the Senate Committee on Finance relating to the progress made in preparing for the implementation of regional assessment districts pursuant to this act.

Sec. 64. REGIONAL ASSESSMENT DISTRICT STAKEHOLDER WORKING GROUP

On or before January 15, 2026, the Department of Taxes, in consultation with relevant stakeholders, shall submit recommendations to the House Committee on Ways and Means and the Senate Committee on Finance advising on the implementation of regional assessment districts and on the development of guidelines, procedures, and rules needed to effectuate a regionalized reappraisal system. The recommendations will include an analysis of the advantages and disadvantages of having the State take full responsibility for regionalized appraisals. In making its recommendation, the Department of Taxes shall provide suggestions for legislative language that address:

(1) the authority or authorities who will contract for and conduct reappraisals;

(2) the authority or authorities who will hear and decide property valuation appeals;

(3) amendments necessary to conform statute to the change from an April 1 to January 1 grand list assessment date; and

(4) any other recommended revisions to achieve a regionalized reappraisal system.

* * * Miscellaneous Tax * * *

Sec. 65. 32 V.S.A. § 6066a(f)(1) is amended to read:

(f)(1) For taxpayers and amounts stated in the notice to towns on or before July 1, municipalities shall create and send to taxpayers a homestead property tax bill, instead of the bill required under subdivision 5402(b)(1) of this title, providing the total amount allocated to payment of homestead education property tax liabilities and notice of the balance due. Nothing in this subdivision, however, shall be interpreted as altering the requirement under subdivision 5402(b)(2) of this title that the statewide education homestead tax be billed in a manner that is stated clearly and separately from any other tax. Municipalities shall apply the amount allocated under this chapter to current year property taxes in equal amounts to each of the taxpayers' property tax installments that include education taxes. Notwithstanding section 4772 of this title, if a town issues a corrected bill as a result of the notice sent by the Commissioner under subsection (a) of this section, issuance of the corrected new bill does not extend the time for payment of the original bill nor relieve the taxpayer of any interest or penalties associated with the original bill. If the corrected bill is less than the original bill, and there are also no unpaid current year taxes, interest, or penalties, and no past year delinquent taxes or penalties and interest charges, any overpayment shall be reflected on the corrected tax bill and refunded to the taxpayer.

Sec. 66. 32 V.S.A. § 5252 is amended to read:

§ 5252. LEVY AND NOTICE OF SALE; SECURING PROPERTY

(a) When the collector of taxes of a town or of a municipality within it has for collection a tax assessed against real estate in the town and the taxpayer owes a minimum of \$1,500.00 and is delinquent for a period longer than one year, the collector may extend a warrant on such land. However, no warrant shall be extended until a delinquent taxpayer is given an opportunity to enter a written reasonable repayment plan pursuant to subsection (c) of this section. If a collector receives notice from a mobile home park owner pursuant to 10

V.S.A. § 6248(b), the collector shall, within 15 days after the notice, commence tax sale proceedings to hold a tax sale within 60 days after the notice. If the collector fails to initiate such proceedings, the town may initiate tax sale proceedings only after complying with 10 V.S.A. § 6249(f). If the tax collector extends the warrant, the collector shall:

The Director shall have the right to remove a hearing officer for inefficiency, malfeasance in office, or other cause. In like manner, the Director shall appoint a hearing officer to fill any vacancy created by resignation, removal, or other cause. Payment shall be accompanied by a return prescribed by the Secretary of Education. Each municipality may retain 0.225 of one percent of the total education tax collected, only upon timely remittance of net payment to the State Treasurer or to the applicable school district or districts. ~~Each municipality may also retain \$15.00 for each late property tax credit claim filed after April 15 and before September 2, as notified by the Department of Taxes, for the cost of issuing a new property tax bill.~~

Sec. 69. 32 V.S.A. § 5401(13) is amended to read:

SEN. SCOTT L. BECK

Committee on the part of the Senate

REP. PETER C. CONLON

REP. EMILIE K. KORNHEISER

REP. CHRISTOPHER TAYLOR

Committee on the part of the House

Rep. McCann of Montpelier raised a Point of Order in that the Committee of Conference has not confined itself to the differences of opinion between the two chambers in violation of Mason's section 771-2, which included a new Section 28a (tuition fee rules) and Section 46a (supplemental district spending; cap; transition), and amendments in Section 47 (education property tax liability) that did not appear in either chamber's version of the bill. The Speaker ruled the point of order well-taken because Mason's section 771-2 provides that a report of a Committee of Conference is objectionable in form if the Committee of Conference has not confined itself to the differences of opinion between the two chambers' and the member described how the Committee of Conference report went beyond the two chambers version of the bill.

Thereupon, **Rep. Houghton of Essex Junction** moved to suspend rules to permit consideration of the objectionable Committee of Conference report.

Pending the question, Shall the House suspend rules to permit consideration of the objectionable Committee of Conference report?, **Rep. Headrick of Burlington** requested the vote be by division.

Thereupon, the rules were suspended to permit consideration of the objectionable Committee of Conference on a vote by division: Yeas; 113. Nays, 26 (the necessary 3/4 vote of at least 105 members present and voting in the affirmative having been attained).

Thereafter, the report of the Committee of Conference was adopted.

Thereupon, **Rep. McCoy of Poultney** moved to deliver the bill to the Governor forthwith pursuant to Joint Rule 15.

Pending the question, Shall the bill be delivered to the Governor forthwith?, **Rep. Headrick of Burlington** demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the bill be delivered to the Governor forthwith?, was decided in the affirmative. Yeas, 96. Nays, 45.

Rep. Harple of Glover provided the following vote explanation:

“Madam Speaker:

I am voting no today because I did not have the opportunity to document my no vote on H.454 in a roll call, and I want to make it explicitly clear to my community that I hear them, I stand with them, and I do not support H.454.”

Rep. Headrick of Burlington provided the following vote explanation:

“Madam Speaker:

I voted no on H.454 and on this final question because this bill reflects a complete disregard for the voices of our public educators. Those on the ground – who know our students and communities best – were sidelined while this bill was shaped around political convenience. We had an opportunity to build trust and stability; instead, we sent a message that their expertise is negotiable. I also remain deeply concerned by how quickly the final vote was called, without adequate space for the many voices who were clearly preparing to speak. That moment mirrored the process itself: rushed in the last minute, exclusionary, and disrespectful to the professionals and communities we claim to represent. This is not what democracy looks like.”

Rep. Kleppner of Burlington provided the following vote explanation:

“Madam Speaker:

We are proposing a top to bottom transformation of our educational system. We have done hard work setting up the framework, but the true work of transformation will happen in the classrooms, the schools, the school boards, and the superintendents’ offices. We cannot be successful without the support

and engagement of the teachers, principals, school boards, and superintendents, and right now we do not have that.”

Rep. McCann of Montpelier provided the following vote explanation:

“Madam Speaker:

While this bill will help some struggling communities like Barre, it will further exacerbate the problem in districts like St. Johnsbury where the districts, hands are tied. They have to pay the Academy first whatever they charge and H.454 allows them to charge even more. The K-8 public school will have to make do with whatever public tax dollars are left.”

Rep. McGill of Bridport provided the following vote explanation:

“Madam Speaker:

I voted no because we owe it to our children, our educators, our communities, and to the values of democracy and public trust to do better. A vote of this magnitude demands transparency, collaboration, and care. This process has not met that standard.”

Rep. Olson of Starksboro provided the following vote explanation:

“Madam Speaker:

I voted NO on the question relating to the Foundation Formula which I find positive, at least in theory. But the details matter. The bill will probably result in closing many smaller schools, even if they provide a good education for students at a reasonable cost. Also, some districts will see a significant reduction in funding, without any relief from State mandates and other expenses beyond a district’s control. I know we can do better. Thank you, Madam Speaker.”

Rep. Pinsonault of Dorset provided the following vote explanation:

“Madam Speaker:

Today I voted yes because my constituents sent me here for change. By voting no, the can continues to be kicked down the road and education in Vermont remains status quo! Today I voted to try!”

Rep. Priestley of Bradford provided the following vote explanation:

“Madam Speaker:

I voted No because I am here to represent the constituents of my district. Their voices have called out loud and clear for me to stand up on the record against the passage of this bill on their behalf.”

Rep. Pritchard of Pawlet provided the following vote explanation:

“Madam Speaker:

I voted yes because I believe this gives us the opportunity to finally start necessary reform to improve education for our students and provide tax relief to all the Vermonters that must fund it. H.454 allows this process to begin and move forward. While I have concerns with some of the content, I am hopeful and optimistic they can be improved upon as this reform evolves.”

Rep. Surprenant of Barnard provided the following vote explanation:

“Madam Speaker:

I’m voting no to uplift the many voices I heard throughout my community. And I am ashamed at leadership for how they led members astray in the process of this vote.”

Rep. Tomlinson of Winooski provided the following vote explanation:

“Madam Speaker:

I voted no on H.454, and I vote no to send this bill to the Governor. This is not what my constituents asked for. Both this process and the product are a disservice to my community and to our democracy.”

Rep. Walker of Swanton provided the following vote explanation:

“Madam Speaker:

When the students enrolled in pre-K this year reach graduation age, they will likely be the first graduating class where the student population in Vermont public schools drops below 60,000 students.”
