CHAPTER 35. INTERSTATE COMPACT FOR EDUCATION

§ 1501. PURPOSE AND POLICY—ARTICLE I

(a) It is the purpose of this compact to:

(1) establish and maintain close cooperation and understanding among executive, legislative, professional educational, and lay leadership on a nationwide basis at the state and local levels;

(2) provide a forum for the discussion, development, crystallization, and recommendation of public policy alternatives in the field of education;

(3) provide a clearinghouse of information on matters relating to education problems and how they are being met in different places throughout the nation, so that the executive and legislative branches of state government and of local communities may have ready access to the experience and record of the entire country, and so that both lay and professional groups in the field

of education may have additional avenues for the sharing of experience and the interchange of ideas in the formation of public policy in education;

(4) facilitate the improvement of state and local education systems so that all of them will be able to meet adequate and desirable goals in a society that requires continuous qualitative and quantitative advance in educational opportunities, methods, and facilities.

(b) It is the policy of this compact to encourage and promote local and state initiative in the development, maintenance, improvement, and administration of education systems and institutions in a manner that will accord with the needs and advantages of diversity among localities and states.

(c) The party states recognize that each of them has an interest in the quality and quantity of education furnished in each of the other states, as well as in the excellence of its own education systems and institutions, because of the highly mobile character of individuals within the nation, and because the products and services contributing to the health, welfare, and economic advancement of each state are supplied in significant part by persons educated in other states.

#### § 1502. STATE DEFINED—ARTICLE II

As used in this compact, “state” means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

#### § 1503. THE COMMISSION—ARTICLE III

(a) The Education Commission of the States, hereinafter called “the Commission,” is hereby established. The Commission shall consist of seven members representing each party state. One of such members shall be the governor; two shall be members of the state legislature selected by its respective houses and serving in such manner as the legislature may determine; and four shall be appointed by and serve at the pleasure of the governor, unless the laws of the state otherwise provide. If the laws of a state prevent legislators from serving on the Commission, six members shall be appointed and serve at the pleasure of the governor, unless the laws of the state otherwise provide. In addition to any other principles or requirements which a state may establish for the appointment and service of its members of the Commission, the guiding principle for the composition of the membership on the Commission from each party state shall be that the members representing such state shall, by virtue of their training, experience, knowledge, or affiliations, be in a position collectively to reflect broadly the interests of the state government, higher education, the state education system, local education, and lay and professional, public and nonpublic educational leadership. Of those appointees, one shall be the head of a state agency or institution, designated by

the governor, having responsibility for one or more programs of public education. In addition to the members of the Commission representing the party states, there may be not to exceed 10 nonvoting commissioners selected by the Steering Committee for terms of one year. Such commissioners shall represent leading national organizations of professional educators or persons concerned with educational administration.

(b) The members of the Commission shall be entitled to one vote each on the Commission. No action of the Commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the Commission are cast in favor thereof. Action of the Commission shall be only at a meeting at which a majority of the commissioners are present. The Commission shall meet at least once a year. In its bylaws, and subject to such directions and limitations as may be contained therein, the Commission may delegate the exercise of any of its powers to the Steering Committee or the Executive Director, except for the power to approve budgets or requests for appropriations, the power to make policy recommendations pursuant to section 1504 of this chapter, and adoption of the annual report pursuant to subsection (j) of this section.

(c) The Commission shall have a seal.

(d) The Commission shall elect annually, from among its members, a chairman, who shall be a governor; a vice chairman; and a treasurer. The Commission shall provide for the appointment of an Executive Director. Such Executive Director shall serve at the pleasure of the Commission, and together with the Treasurer and such other personnel as the Commission may deem appropriate shall be bonded in such amount as the Commission shall determine. The Executive Director shall be Secretary.

(e) Irrespective of the civil service, personnel, or other merit system laws of any of the party states, the Executive Director, subject to the approval of the Steering Committee, shall appoint, remove, or discharge such personnel as may be necessary for the performance of the functions of the Commission and shall fix the duties and compensation of such personnel. The Commission in its bylaws shall provide for the personnel policies and programs of the Commission.

(f) The Commission may borrow, accept, or contract for the services of personnel from any party jurisdiction, the United States or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party jurisdictions or their subdivisions.

(g) The Commission may accept for any of its purposes and functions under this compact any and all donations and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association, foundation or corporation, and may receive, utilize, and dispose of the same. Any donation or grant accepted by the Commission pursuant to this subsection or services borrowed pursuant to subsection (f) of this section shall be reported in the annual report of the Commission. Such report shall include the nature, amount, and conditions, if any, of the donation, grant, or services borrowed, and the identity of the donor or lender.

(h) The Commission may establish and maintain such facilities as may be necessary for the transacting of its business. The Commission may acquire, hold, and convey real and personal property and any interest therein.

(i) The Commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The Commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto with the appropriate agency or officer in each of the party states.

(j) The Commission annually shall make to the governor and legislature of each party state a report covering the activities of the Commission for the preceding year. The Commission may make such additional reports as it may deem desirable.

#### § 1504. POWERS—ARTICLE IV

In addition to authority conferred on the Commission by other provisions of the Compact, the Commission shall have authority to:

(1) collect, correlate, analyze, and interpret information and data concerning educational needs and resources;

(2) encourage and foster research in all aspects of education, but with special reference to the desirable scope of instruction, organization, administration, and instructional methods and standards employed or suitable for employment in public education systems;

(3) develop proposals for adequate financing of education as a whole and at each of its many levels;

(5) formulate suggested policies and plans for the improvement of public education as a whole, or for any segment thereof, and make recommendations with respect thereto available to the appropriate governmental units, agencies, and public officials;

(6) do such other things as may be necessary or incidental to the administration of any of its authority or functions pursuant to this compact.

§ 1505. COOPERATION WITH FEDERAL GOVERNMENT—ARTICLE V

(a) If the laws of the United States specifically so provide, or if administrative provision is made therefore within the federal government, the United States may be represented on the Commission by not to exceed 10 representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, and may be drawn from any one or more branches of the federal government, but no such representative shall have a vote on the Commission.

(b) The Commission may provide information and make recommendations to any executive or legislative agency or officer of the federal government concerning the common education policies of the states, and may advise with any such agencies or officers concerning any matter of mutual interest.

§ 1506. COMMITTEES—ARTICLE VI

(a) To assist in the expeditious conduct of its business when the full Commission is not meeting, the Commission shall elect a Steering Committee of 32 members which, subject to the provisions of this compact and consistent with the policies of the Commission, shall be constituted and function as provided in the bylaws of the Commission. One-fourth of the voting membership of the Steering Committee shall consist of governors, one-fourth shall consist of legislators, and the remainder shall consist of other members of the Commission. A federal representative on the Commission may serve with the Steering Committee, but without vote. The voting members of the Steering Committee shall serve for terms of two years, except that members elected to the first Steering Committee of the Commission shall be elected as follows: 16 for one year and 16 for two years. The Chairman, Vice Chairman, and Treasurer of the Commission shall be members of the Steering Committee and, anything in this subsection to the contrary notwithstanding, shall serve during their continuance in these offices. Vacancies in the Steering Committee shall not affect its authority to act, but the Commission at its next regularly ensuing meeting following the occurrence of any vacancy shall fill it for the

unexpired term. No person shall serve more than two terms as a member of the Steering Committee, provided that service for a partial term of one year or less shall not be counted toward the two-term limitation.

(b) The Commission may establish advisory and technical committees composed of state, local and federal officials, and private persons to advise it with respect to any one or more of its functions. Any advisory or technical committee may, on request of the states concerned, be established to consider any matter of special concern to two or more of the party states.

(c) The Commission may establish such additional committees as its bylaws may provide.

§ 1507. FINANCE—ARTICLE VII

(a) The Commission shall advise the governor or designated officer or officers of each party state of its budget and estimated expenditures for such period as may be required by the laws of that party state. Each of the Commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states.

(b) The total amount of appropriation requests under any budget shall be apportioned among the party states. In making such apportionment, the Commission shall devise and employ a formula which takes equitable account of the populations and per capita income levels of the party states.

(c) The Commission shall not pledge the credit of any party states. The Commission may meet any of its obligations in whole or in part with funds available to it pursuant to subsection 1503(g) of this chapter of this compact, provided that the Commission takes specific action setting aside such funds prior to incurring an obligation to be met in whole or in part in such manner. Except where the Commission makes funds available to it pursuant to subsection 1503(g) of this chapter thereof, the Commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(d) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established by its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a qualified public accountant, and the report of the audit shall be included in and become part of the annual reports of the Commission.

(e) The accounts of the Commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the Commission.

(f) Nothing contained herein shall be construed to prevent Commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the Commission.

§ 1508. ELIGIBLE PARTIES; ENTRY INTO AND WITHDRAWAL—  
ARTICLE VIII

(a) This compact shall have as eligible parties all states, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. In respect of any such jurisdiction not having a governor, the term “governor,” as used in this compact, shall mean the closest equivalent official of such jurisdiction.

(b) Any state or other eligible jurisdiction may enter into this compact, and it shall become binding thereon when it has adopted the same, provided that in order to enter into initial effect, adoption by at least 10 eligible party jurisdictions shall be required.

(c) Adoption of the Compact may be either by enactment thereof or by adherence thereto by the governor; provided that in the absence of enactment, adherence by the governor shall be sufficient to make his state a party only until December 31, 1967. During any period when a state is participating in this compact through gubernatorial action, the governor shall appoint those persons who, in addition to himself, shall serve as the members of the Commission from his state, and shall provide to the Commission an equitable share of the financial support of the Commission from any source available to him.

(d) Except for a withdrawal effective on December 31, 1967, in accordance with subsection (c) of this section, any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

§ 1509. AMENDMENTS TO THE COMPACT—ARTICLE IX

**Rep. Cole of Hartford** provided the following vote explanation:

“Madam Speaker:

Many commercial developments do not trigger Act 250 jurisdiction. By doing nothing, and sustaining the Governor’s veto, we put the next generation in harm’s way. This bill was the result of hard work and collaboration between Democrats, Republicans, and Independents, and I am gravely disappointed by this result.”

**Rep. Eastes of Guilford** provided the following vote explanation:

“Madam Speaker:

I represent a Vermont town, Vernon, that will likely forever be forced to address potential crippling issues around energy and environment. I, for one, welcomed the protection offered by H.727.”

**Rep. Harvey of Castleton** provided the following vote explanation:

“Madam Speaker:

Contrary to what some members have heard, I have not heard any concerns from constituents about data centers. Instead of focusing on a problem that is never coming, we should focus all of our efforts on a problem Vermonters do face: sky high energy costs they can no longer afford.”

**Rep. Logan of Burlington** provided the following vote explanation:

“Madam Speaker:

Vermonters have made clear to us that data centers are not part of an acceptable economic development strategy. We need a governor with a new vision for our future.”

**Rep. Morrow of Weston** provided the following vote explanation:

“Madam Speaker:

We have had many discussions about the cost of energy in this body. The Clean Heat Standard and the Renewable Energy Standard are reviled for their perceived potential impact on prices. Here we had an opportunity to protect Vermont ratepayers from electricity price increases and we have failed. The hypocrisy will not be lost on Vermonters.”

**Rep. Pritchard of Pawlet** provided the following vote explanation:

“Madam Speaker:

I supported and voted for this bill in my committee. This is not the same bill I voted for and cannot support it today.”

**Rep. Sibilia of Dover** provided the following vote explanation:

“Madam Speaker:

Vermonters’ electric rates are being impacted by data centers in other states. We had an opportunity to put downward pressure, and we failed.”

**Rep. Bishop of Colchester** provided the following vote explanation:

“Madam Speaker:

A devotional earlier this year shared a message from a Jewish text that, ‘You are not obligated to complete the work, but neither are you free to abandon it.’ For me, this speaks broadly to what motivates me to return to this Chamber, but specifically to the difficult work of education transformation that remains. I voted yes with the recognition that our work – difficult work – is not done.”

**Rep. Burkhardt of South Burlington** provided the following vote explanation:

“Madam Speaker:

This bill goes some distance toward fixing some of the problems that prevented me from supporting Act 73. I still have serious concerns about this bill. I voted yes to continue the conversation, if I am lucky enough to be trusted by my constituents to serve in the next biennium.”

---

**Rep. Graning of Jericho** provided the following vote explanation:

“Madam Speaker:

I vote yes to honor the countless hours that this body, the Commission of the Future of Public Education, and the School District Redistricting Task Force, spent studying this issue and listening to Vermonters. I urge all of us involved in this transformation to continue to listen.”

**Rep. Holcombe of Norwich** provided the following vote explanation:

“Madam Speaker:

Passage of this bill was certain, but I hope we approach quality of implementation and due diligence on the funding formula with the same fervor. I thank the Education Committee for their careful and principled work. I voted no as a caution. I voted no because our tax policy and now the Yield Bill, on which we are about to vote, undermine the careful intent of this bill by punishing districts before the supports, cost containment tools, and governance changes contemplated in this bill can take effect. I vote no because I don't know how districts can stay within the foundation plan, especially when the agency struggles and the Governor undermines attempts at cost containment, including reference-based pricing for teacher health care.”

**Rep. Houghton of Essex Junction** provided the following vote explanation:

“Madam Speaker:

We listened to Vermonters. H.955 delivers a transformation plan focused on a strong public education system that expands opportunities for our kids, keeps decisions local, and will save money. There will continue to be work to do. I appreciate the work of your committees and our staff. I am proud to vote yes.”

**Rep. Lipsky of Stowe** provided the following vote explanation:

“Madam Speaker:

I voted no because the property tax burden for my community was their number one concern. This bill's timeline does not move fast enough to reduce the cost to Stowe's homesteaders and other taxpayers because of our excessive Grand List.”

**Rep. Nelson of Derby** provided the following vote explanation:

“Madam Speaker:

The promise of State aid for school construction has been needed for years. This is the incentive that will drive consolidation for efficiencies in education.”

**Rep. Sweeney of Shelburne** provided the following vote explanation:

“Madam Speaker:

When I read the Redistricting Task Force Report in December, twice, I knew there was a viable plan in it. I want to thank the people who worked on that – and then took the heat for not including the maps. In the end, their overall plan is at the core of H.955 and I applaud all of them for that creative work.”

On motion of **Rep. McCoy of Poultney**, the bill was ordered delivered to the Governor forthwith pursuant to Joint Rule 15.

#### **Recess**

At four o'clock and twenty-nine minutes in the afternoon, the Speaker declared a recess until the fall of the gavel.

#### **Message from the Senate No. 77**

A message was received from the Senate by Ms. Gradel, its Assistant Secretary, as follows:

Madam Speaker:

I am directed to inform the House that:

The Senate has on its part adopted joint resolution of the following title:

**J.R.S. 56.** Joint resolution relating to final adjournment of the General Assembly in 2026.

In the adoption of which the concurrence of the House is requested.

The Senate has considered the report of the Committee of Conference upon the disagreeing votes of the two Houses upon House bill of the following title:

**H. 951.** An act relating to making appropriations for the support of the government.

And has accepted and adopted the same on its part.

#### **Message from the Senate No. 78**

A message was received from the Senate by Ms. Gradel, its Assistant Secretary, as follows:

Madam Speaker:

I am directed to inform the House that the Senate has on its part completed the business of the session and is ready to adjourn *sine die*, pursuant to the provisions of J.R.S. 56.

**Called to Order**

At five o'clock and thirty-two minutes in the afternoon, the Speaker called the House to order.

**Rules Suspended, Immediate Consideration;  
Report of Committee of Conference Adopted; Bill Ordered Delivered to  
Governor Forthwith**

**Rep. Arsenault of Williston** provided the following vote explanation:

“Madam Speaker:

I voted NO on the Committee of Conference Report for H.949. We've seen these so-called ‘glide paths’ before, and the result has not been good. In the case of Act 127, it was disastrous, requiring last-minute legislative action in an attempt to correct our mistakes. Applying relatively simple concepts on top of our incredibly complex education funding system does not work. The reduced excess spending threshold in this bill compounds existing pressures on school districts, as does the one-time buy-down. When it comes to our schools, our communities, our kids – I believe we must value smart policy over short-term political wins.”

**Rep. Coffin of Cavendish** provided the following vote explanation:

“Madam Speaker:

As much as I want to see the property tax brought down to 3.5%, that comes at the price of my constituents that are part of the eight sacrificial lambs that make this work.”

**Rep. McCann of Montpelier** provided the following vote explanation:

“Madam Speaker:

The legislation passed this year adds an enormous amount of work to school districts and volunteer school boards. The Yield Bill is squeezing schools at a rate faster than the timeline for the foundation formula, expecting more for less. For this, I voted no.”

On motion of **Rep. McCoy of Poultney**, the bill was ordered delivered to the Governor forthwith pursuant to Joint Rule 15.

**H. 933**

Pending entry on the Notice Calendar, on motion of **Rep. McCoy of Poultney**, the rules were suspended and House bill, entitled

An act relating to miscellaneous administrative and policy changes to the tax laws

Was taken up for immediate consideration.

The Speaker placed before the House the following Committee of Conference report:

TO THE SENATE AND HOUSE OF REPRESENTATIVES:

The Committee of Conference to which were referred the disagreeing votes of the two Houses upon House Bill entitled:

**H. 933.** An act relating to miscellaneous administrative and policy changes to the tax laws.

Respectfully reports that it has met and considered the same and recommends that the House accede to the Senate proposal of amendment with further amendment thereto as follows:

First: By striking out Sec. 19, 3 V.S.A. § 24, in its entirety and inserting in lieu thereof a new Sec. 19 to read as follows:

Sec. 19. 3 V.S.A. § 24 is added to read:

§ 24. GOVERNOR’S LIST OF SCHOLARSHIP GRANTING  
ORGANIZATIONS

(a) Annually on December 1, the Governor or designee may elect to provide a list of organizations that satisfy the conditions of subsection (b) of this section to the U.S. Secretary of the Treasury for purposes of making the federal qualified elementary and secondary education scholarship tax credit available for Vermont taxpayers under 26 U.S.C. § 25F. It shall be presumed that an organization listed in the previous year will be listed in the subsequent

year unless the Governor finds that the organization has failed to meet the requirements of this section.

(b) An organization shall not be listed unless the organization meets the following criteria:

(1) it qualifies as a “scholarship granting organization” as defined under 26 U.S.C. § 25F(c)(5);

(2) it is a nonprofit organization with the core mission of providing educational opportunities to economically underprivileged students through afterschool programs, summer programs, tutoring, and similar programs;

(3) all grants and scholarships provided by the organization are to students attending a public school, as defined in 16 V.S.A. § 11(a)(7), or an independent school, as defined in 16 V.S.A. § 11(a)(8), that is also capable of receiving public tuition;

(4) all grants and scholarships provided by the organization are for students to attend a program offered by a program provider that has entered into a memorandum of understanding pursuant to subsection (c) of this section with a public school, as defined in 16 V.S.A. § 11(a)(7); an independent school, as defined in 16 V.S.A. § 11(a)(8), that is also capable of receiving public tuition; or a school district, as defined in 16 V.S.A. § 11(a)(10); and

(5) when determining whether to award a scholarship, the organization does not discriminate against any student because of race, color, religion, ancestry, national origin, sex, sexual orientation, gender identity, place of birth, crime victim status, or age or against a student with a disability, as that term is defined under 21 V.S.A. § 495d(5).

(c) The memorandum of understanding between a program provider and school required under subdivision (b)(4) of this section shall include verification that the program provider offers a program that:

(1) is for after school, during a school break, for supplemental tutoring, or similar;

(2) is educational in nature; and

(3) does not discriminate against any student because of race, color, religion, ancestry, national origin, sex, sexual orientation, gender identity, place of birth, crime victim status, or age or against a student with a disability, as that term is defined under 21 V.S.A. § 495d(5).

(d) Annually, on or before January 15, each scholarship granting organization listed pursuant to subsection (a) of this section in the previous calendar year shall provide a report to the House and Senate Committees on Education providing the following information relating to activity in the previous year:

(1) the total amount provided in scholarships under this section;

(2) the total number of scholarships provided under this section;

(3) the total number of scholarship recipients;

(4) a complete list of afterschool programs, summer programs, tutoring, and similar programs that scholarship recipients attended using scholarship funds provided by the organization and the amount of scholarship funds received by each program;

(5) the total number of individuals who made donations to the organization, including the zip code of each individual donor;

(6) the total amount of money received as donations;

(7) the total amount spent on administrative costs with a description of those administrative costs and an accounting of any unspent funds currently held; and

(8) a list identifying all employees, officers, and board members of the organization that includes, for every individual, the name of the position held and compensation received.

(e) In the Governor's discretion, the Governor may audit an organization seeking placement on the list, or a program receiving scholarship funds under this section, to ensure the organization meets all the requirements for placement as provided by this section and applicable federal law. The Governor shall not list an organization that the Governor knows is not in compliance with the requirements of this section or 26 U.S.C. § 25F(c)(5).

(f)(1) If the Attorney General finds that any provision of this act is rendered invalid due to a federal act, federal agency rule, or court of competent jurisdiction, the Attorney General shall submit written notice of the invalidation to the Governor, the Speaker of the House, and President Pro Tempore of the Senate that the provision is invalid.

(2) Upon receipt of the notice provided under subdivision (1) of this subsection, neither the Governor nor the Governor's designee shall provide a list of organizations to the U.S. Secretary of the Treasury under subsection (a) of this section until the General Assembly has enacted legislation addressing the invalidated provision.

Third: By striking out Sec. 50, 24 V.S.A. § 138, in its entirety and inserting in lieu thereof a new Sec. 50 to read as follows:

Fourth: In Sec. 63a, Burlington Waterfront Tax Increment Financing District; findings; intent, by striking out subsection (b) in its entirety and inserting in lieu thereof a new subsection (b) to read as follows:

(b) It is the intent of the General Assembly to clarify that the City of Burlington may retain State education tax increment and municipal tax increment until June 30, 2035, consistent with the methodology approved by the Joint Fiscal Committee on September 10, 2009, for the following three properties located at 49 Church Street and 75 Cherry Street, as designated on the City of Burlington's Tax Parcel Maps:

**Rep. Cina of Burlington** provided the following vote explanation:

“Madam Speaker:

When it comes to protecting Vermonters from ICE, obstruction is collaboration. I vote yes for fair debate of this important issue.”

**Rep. Dodge of Essex** provided the following vote explanation:

“Madam Speaker:

I vote yes because I don’t want Vermont to be ruled by brownshirt thugs.”

---

**Rep. Galfetti of Barre Town** provided the following vote explanation:

“Madam Speaker:

The Senate put back in the language this body lacked the courage to last time we considered S.208; I see no reason to advance a bill strictly to allow people to flipflop.”

**Rep. Goldman of Rockingham** provided the following vote explanation:

“Madam Speaker:

I believe that the body should have the opportunity to hear the report of the Committee of Conference on S.208. Vermonters deserve to see and know who the law enforcement officers are operating in our State.”

**Rep. Graning of Jericho** provided the following vote explanation:

“Madam Speaker:

Vermonters deserve the protections that S.208 provides. The Legislature should be allowed to vote on this bill without additional cost to taxpayers.”

**Rep. McGill of Bridport** provided the following vote explanation:

“Madam Speaker:

I voted yes because the question is really about whether this body is willing to have a timely debate and take a public vote on an issue that Vermonters have made clear matters deeply to them. I led the effort to bring this bill to its current form because I heard overwhelmingly from my community that they wanted action. In fact, I heard more from constituents about this issue than any other single issue we have considered this biennium. Whether members ultimately support or oppose the bill, Vermonters deserve to know where their elected officials stand. They deserve a transparent vote.”

**Rep. Pouech of Hinesburg** provided the following vote explanation:

“Madam Speaker:

I voted yes to suspend rules and allow this body to take up S.208. My constituents reached out in droves asking for an honest vote on this bill. By not allowing a fair vote we put a mask on democracy.”

**Rep. Wells of Brownington** provided the following vote explanation:

“Madam Speaker:

My nephew has four children; he has a mortgage and car payments. He works 60 to 70 hours a week to put food on the table, to pay for dancing lessons for his daughters, and to buy soccer spikes for his sons. He coaches baseball in the summer and hockey in the winter. My nephew is a United

States Federal I.C.E. agent! Now, I know many people think it's fashionable to ridicule law enforcement at all levels and paint them all with the same brush no matter their daily activities. With a young family at home, I totally understand why he wants his identity concealed."

\* \* \* Purpose, Definitions, Legend \* \* \*

Sec. A.100 SHORT TITLE

(a) This bill may be referred to as the "BIG BILL – Fiscal Year 2027 Appropriations Act."

Sec. A.101 PURPOSE

(a) The purpose of this act is to provide appropriations for the operations of State government and for capital appropriations not funded with bond proceeds during fiscal year 2027. It is the express intent of the General Assembly that activities of the various agencies, departments, divisions, boards, offices, and commissions be limited to those that can be supported by funds appropriated in this act or other acts passed prior to June 30, 2026. Agency and department heads are directed to implement staffing and service levels at the beginning of fiscal year 2027 so as to meet this condition unless

otherwise directed by specific language in this act or other acts of the General Assembly.

#### Sec. A.102 APPROPRIATIONS

(a) It is the intent of the General Assembly that this act serves as the primary source and reference for appropriations for the operations of State government and for capital appropriations not funded with bond proceeds in fiscal year 2027.

(b) The sums herein stated are appropriated for the purposes specified in the following sections of this act. When no time is expressly stated during which any of the operating appropriations are to continue, the appropriations are single-year appropriations and only for the purpose indicated and shall be paid from funds shown as the source of funds. Capital appropriations funded from the Capital Infrastructure Subaccount in the Cash Fund for Capital and Essential Investments shall be subject to the provisions of 32 V.S.A. § 1001b(e). If in this act there is an error in either addition or subtraction, the totals shall be adjusted accordingly. Apparent errors in referring to section numbers of statutory titles within this act may be disregarded by the Commissioner of Finance and Management.

(c) Unless codified or otherwise specified, all narrative portions of this act apply only to the fiscal year ending on June 30, 2027.

#### Sec. A.103 DEFINITIONS

(a) As used in this act:

(1) “Capital appropriation” means an appropriation for tangible capital investments or expenses that are eligible to be funded from general obligation debt financing and are allowed under federal laws governing the use of State bond proceeds as described in 32 V.S.A. § 309.

(2) “Encumbrances” means a portion of spending authority reserved for the subsequent payment of existing travel authorizations, purchase orders, grants, or contracts. The Commissioner of Finance and Management shall make final decisions on the appropriateness of encumbrances.

(3) “Grants” means subsidies, aid, or payments to local governments, to community and quasipublic agencies for providing local services, and to persons who are not wards of the State for services or supplies and means cash or other direct assistance, including pension contributions.

(4) “Operating expenses” means property management; repair and maintenance; rental expenses; insurance; postage; travel; energy and utilities; office and other supplies; equipment, including motor vehicles, highway

materials, and construction; expenditures for the purchase of land and construction of new buildings and permanent improvements; and similar items.

(5) "Personal services" means wages and salaries, fringe benefits, per diems, contracted third-party services, and similar items.

#### Sec. A.104 RELATIONSHIP TO EXISTING LAWS

(a) Except as specifically provided, this act shall not be construed in any way to negate or impair the full force and effect of existing laws.

#### Sec. A.105 OFFSETTING APPROPRIATIONS

(a) In the absence of specific provisions to the contrary in this act, when total appropriations are offset by estimated receipts, the State appropriations shall control, notwithstanding receipts being greater or less than anticipated.

#### Sec. A.106 FEDERAL FUNDS

(a) In fiscal year 2027, the Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may accept federal funds available to the State of Vermont, including block grants in lieu of, or in addition to, funds herein designated as federal. The Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may allocate all or any portion of such federal funds for any purpose consistent with the purposes for which the basic appropriations in this act have been made.

(b) If, during fiscal year 2027, federal funds available to the State and designated as federal in this and other acts of the 2026 session of the General Assembly are converted into block grants or are abolished under their current title in federal law and reestablished under a new title in federal law, the Governor may continue to accept such federal funds for any purpose consistent with the purposes for which the federal funds were appropriated. The Governor may spend such funds for such purposes for not more than 45 days prior to General Assembly or Joint Fiscal Committee approval. Notice shall be given to the Joint Fiscal Committee without delay if the Governor intends to use the authority granted by this section, and the Joint Fiscal Committee shall meet in an expedited manner to review the Governor's request for approval.

#### Sec. A.107 NEW POSITIONS

(a) Notwithstanding any other provision of law, the total number of authorized State positions, both classified and exempt, excluding temporary positions as defined in 3 V.S.A. § 311(a)(11), shall not be increased during fiscal year 2027 except for new positions authorized by the General Assembly

during the 2026 session. Limited service positions approved pursuant to 32 V.S.A. § 5 shall not be subject to this restriction.

Any applicant that was awarded a grant through the Program before the effective date of this act shall:

(1) not have its award rescinded solely due to the Program language being moved to Title 10;

(2) if the award has not been fully paid out, be eligible to have the applicant's invoices that are submitted on or after the effective date of this act to the Agency reimbursed at a rate of 50 percent; and

(3) not be eligible for an increased total award amount.
