

1 H.932- Senate Proposal

2 Sec. 1, 10 V.S.A. § 6001, in subdivision (3), by striking out subdivision (F)  
3 in its entirety and inserting in lieu thereof a new subdivision (F) to read as  
4 follows:

5 (F) When development is proposed to occur on a parcel or tract of land that  
6 is devoted to logging and forestry, only those portions of the parcel or the tract  
7 that support the development shall be subject to regulation under this chapter.  
8 Permits issued under this chapter shall not impose conditions on, apply to, or  
9 restrict or conflict with the *Acceptable Management Practices for Maintaining*  
10 *Water Quality on Logging Jobs in Vermont* on other portions of the parcel or  
11 tract of land that do not support the development.
