

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Agriculture, Food Resiliency, and Forestry to which was
3 referred Senate Bill No. 45 entitled “An act relating to protection from
4 nuisance suits for agricultural activities” respectfully reports that it has
5 considered the same and recommends that the House propose to the Senate that
6 the bill be amended by striking out all after the enacting clause and inserting in
7 lieu thereof the following:

8 Sec. 1. 12 V.S.A. chapter 195 is amended to read:

9 CHAPTER 195. NUISANCE SUITS AGAINST AGRICULTURAL
10 ACTIVITIES

11 § 5751. LEGISLATIVE FINDINGS AND PURPOSE

12 The General Assembly finds that agricultural production is a major
13 contributor to the State’s economy; that agricultural lands constitute unique
14 and irreplaceable resources of statewide importance; that the continuation of
15 existing and the initiation of new agricultural activities preserve the landscape
16 and environmental resources of the State, contribute to the increase of tourism,
17 and further the economic welfare and self-sufficiency of the people of the
18 State; and that the encouragement, development, improvement, and
19 preservation of agriculture will result in a general benefit to the health and
20 welfare of the people of the State. In order for the agricultural industry to
21 survive in this State, farms will likely change, adopt new technologies, and
22 diversify into new products, which for some farms will mean increasing in

1 size. The General Assembly finds that agricultural activities are potentially
2 subject to lawsuits based on the theory of nuisance; and that these suits
3 encourage and could force the premature removal of the farmlands and other
4 farm resources from agricultural use. It is the purpose of this chapter to protect
5 reasonable agricultural activities conducted on the farm from nuisance
6 lawsuits.

7 § 5752. DEFINITIONS

6 protection provided for under subsection (a) of this section because the
7 agricultural activity is not conducted in accordance with generally accepted
8 agricultural practice; and

13 activity. The mediation shall be conducted according to the provisions of the
14 Uniform Mediation Act set forth in chapter 194 of this title.
