

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Agriculture, Food Resiliency, and Forestry to which was  
3 referred Senate Bill No. 60 entitled “An act relating to establishing the Farm  
4 Security Special Fund to provide grants for farm losses due to weather  
5 conditions” respectfully reports that it has considered the same and  
6 recommends that the House propose to the Senate that the bill be amended by  
7 striking out all after the enacting clause and inserting in lieu thereof the  
8 following:

9 Sec. 1. FINDINGS

10 The General Assembly finds that:

11 (1) In 2023 and 2024, Vermont experienced extreme flooding and other  
12 climate-fueled disasters that devastated farms and other working lands  
13 businesses across the State.

14 (2) Many existing State and federal programs that are designed to  
15 support farms and forestry operations are difficult to access, are  
16 administratively burdensome, are not equitably distributed to small- and  
17 medium-scale farmers and forestry operations, and currently do not meet the  
18 needs of Vermont farmers and forestry operations in a holistic way.

19 (3) In particular, because federal crop insurance programs are not  
20 designed to serve the needs of smaller scale or more diversified farming  
21 operations, many Vermont farmers are not covered by crop insurance.

9        Sec. 2. 6 V.S.A. chapter 207 is amended to read:
