

# State of Vermont – FEMA PA Flood Recovery: 2023-2024 Overview

## Status Report #237

**Terms Defined**

**Federal Share:** The portion of the total project costs FEMA will reimburse -- ranging from 75% to 100% of individual project costs depending on several criteria.

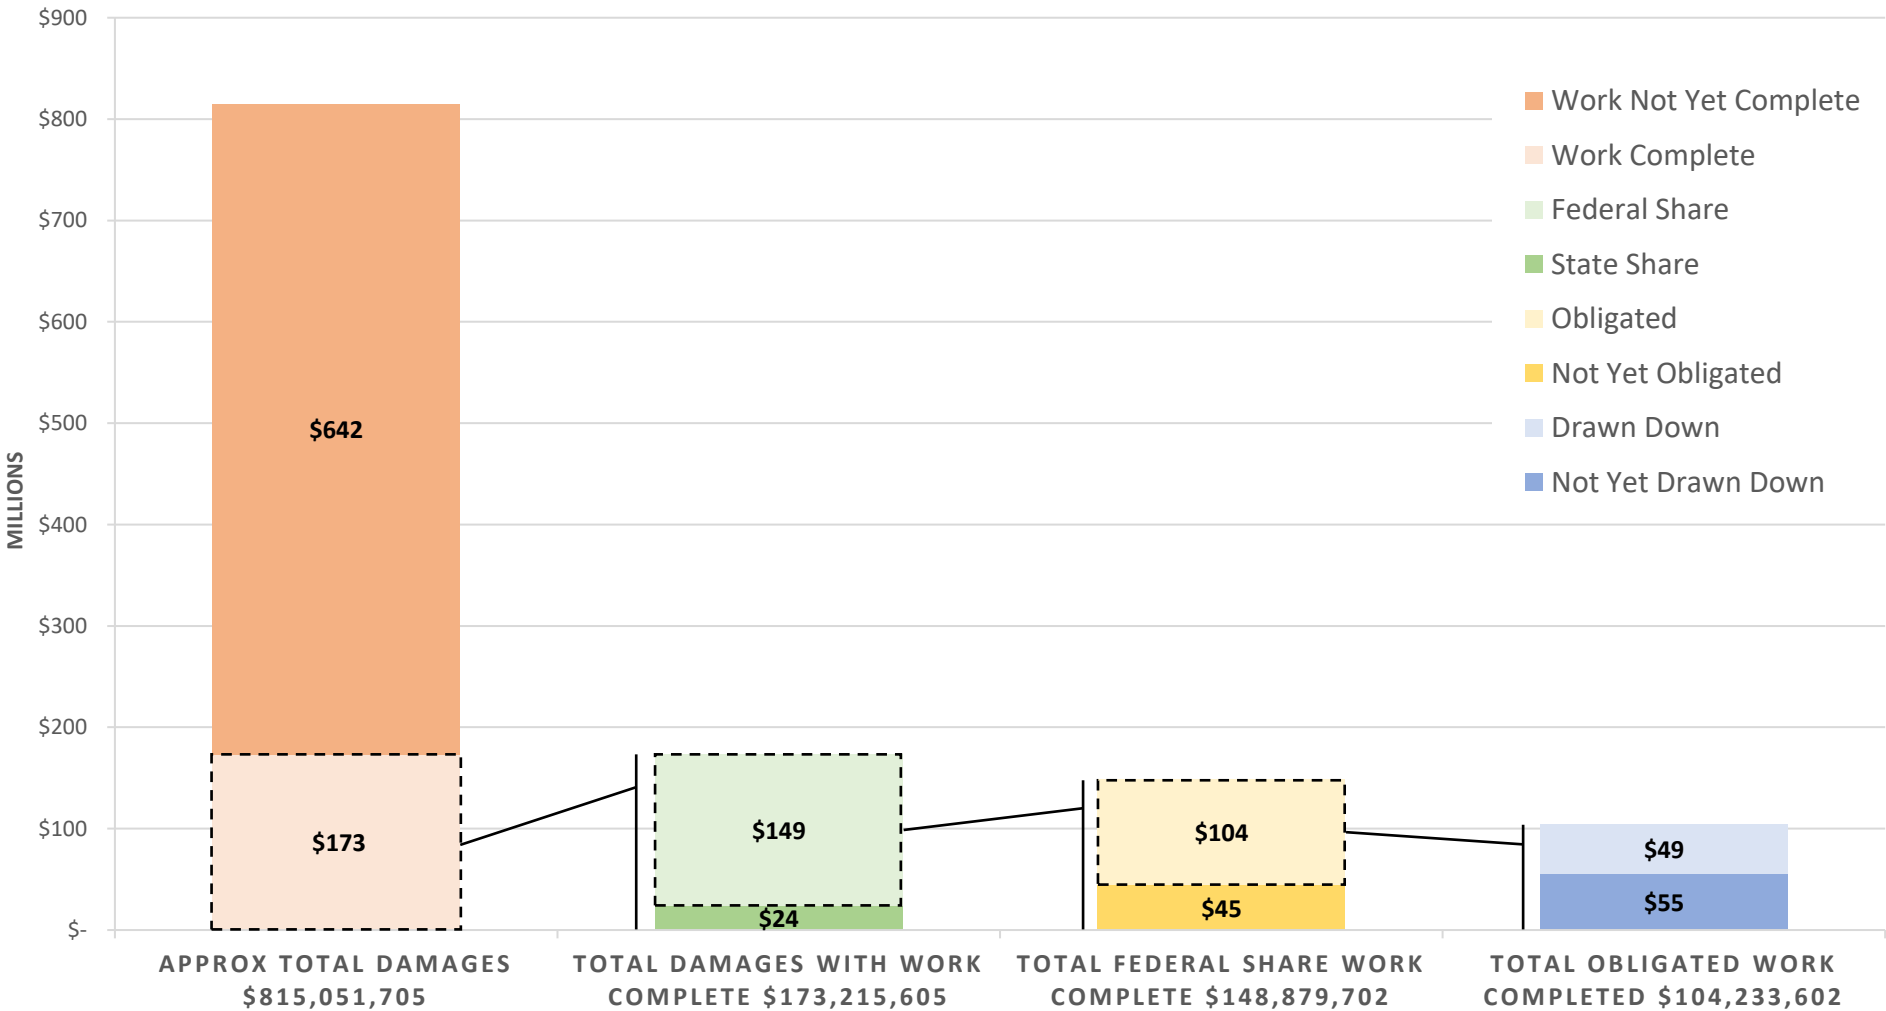

**Obligated:** Project costs that have received FEMA approval for reimbursement (all Federal Share)

**Drawn down:** Obligated funds DPS Finance has received from FEMA.

**Context**

- Approximate Total Damages represent damages from Jul 2023 – Aug 2024
- Some amounts represent estimates, both entered and not yet entered, in FEMA’s Grants Portal and are subject to change with more complete information.
- Draw Down data provided by DPS finance as of 3/14/15.
  - As FEMA obligates funds, applicants are required to complete sub-grant agreements and provide all required cost documentation to DPS finance prior to receiving reimbursement

FEMA PUBLIC ASSISTANCE "WORK COMPLETE" PROJECT REIMBURSEMENTS

The data in the above chart represents only FEMA Public Assistance (PA) and no other federal programs.
