

Dear Chair Marcotte and the House Commerce:

Thank you for allowing me the opportunity to speak with you last week. I appreciated the opportunity to share our budget request and provide an update on the Vermont State colleges.

In response to your questions raised during the hearing, the Early College report, which includes demographic information on participating students is available at the following link: [Annual Report on Early College to the House and Senate Committees on Education](#).

A schedule of courses is available at [VSC Catalog Advanced Search](#). On this page is a drop-down menu where you can refine results by campus.

Please let me know if you have any additional questions. I look forward to continued discussion.
