\$6.14 million dollars in wages & stipends

15,902 weeks of training and service

608 AmeriCorps members co-enrolled

Last year:

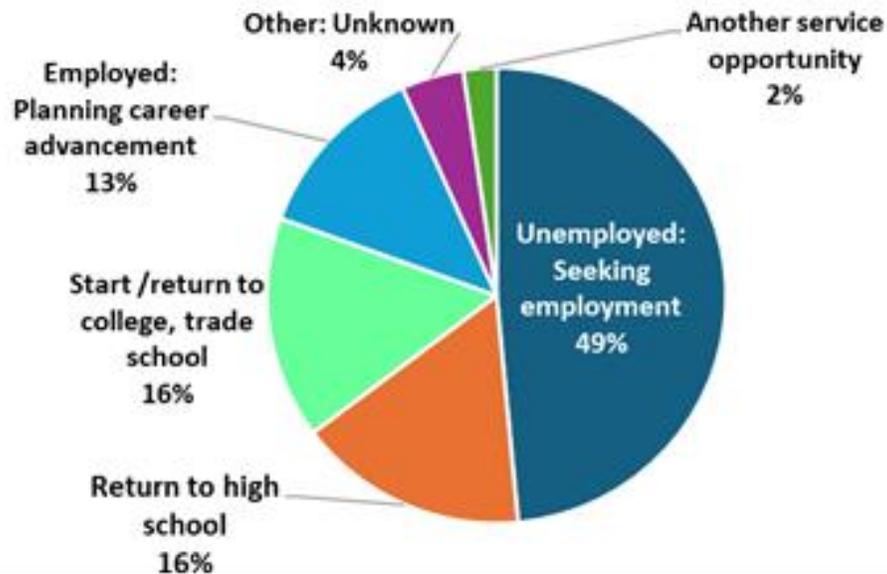

543 participants (61% are 15-24 years old)

307 IRCs & 181 certificates/badges

50 earned college/HS credit or professional development CEU's

Intentions & Outcomes

Participant Intentions for post-program career and educational plans?

Of the participants who completed their training in 2024 (and responded to survey):

- 99 were newly employed within 6 months of training completion
- 157 were continuing their education (returned high school, college or trade school)
- 20 entered another service opportunity
- 10 remained with their previous employer
- 6 indicated something “Other”.

For participants in 2024, we had a 66% survey completion rate at the 6-month check-in point.
