Vermont National Guard

TWO MISSIONS OF THE VTNG

Federal: Staff, train and equip combat units to meet federal missions and to mobilize and deploy when ordered by the Federal Government.

State: Provide trained and equipped units to protect life and property in order to preserve peace, order, and public safety upon the direction of the Governor.

Vermont National Guard

Mission

To provide ready forces to defend our nation and serve our communities

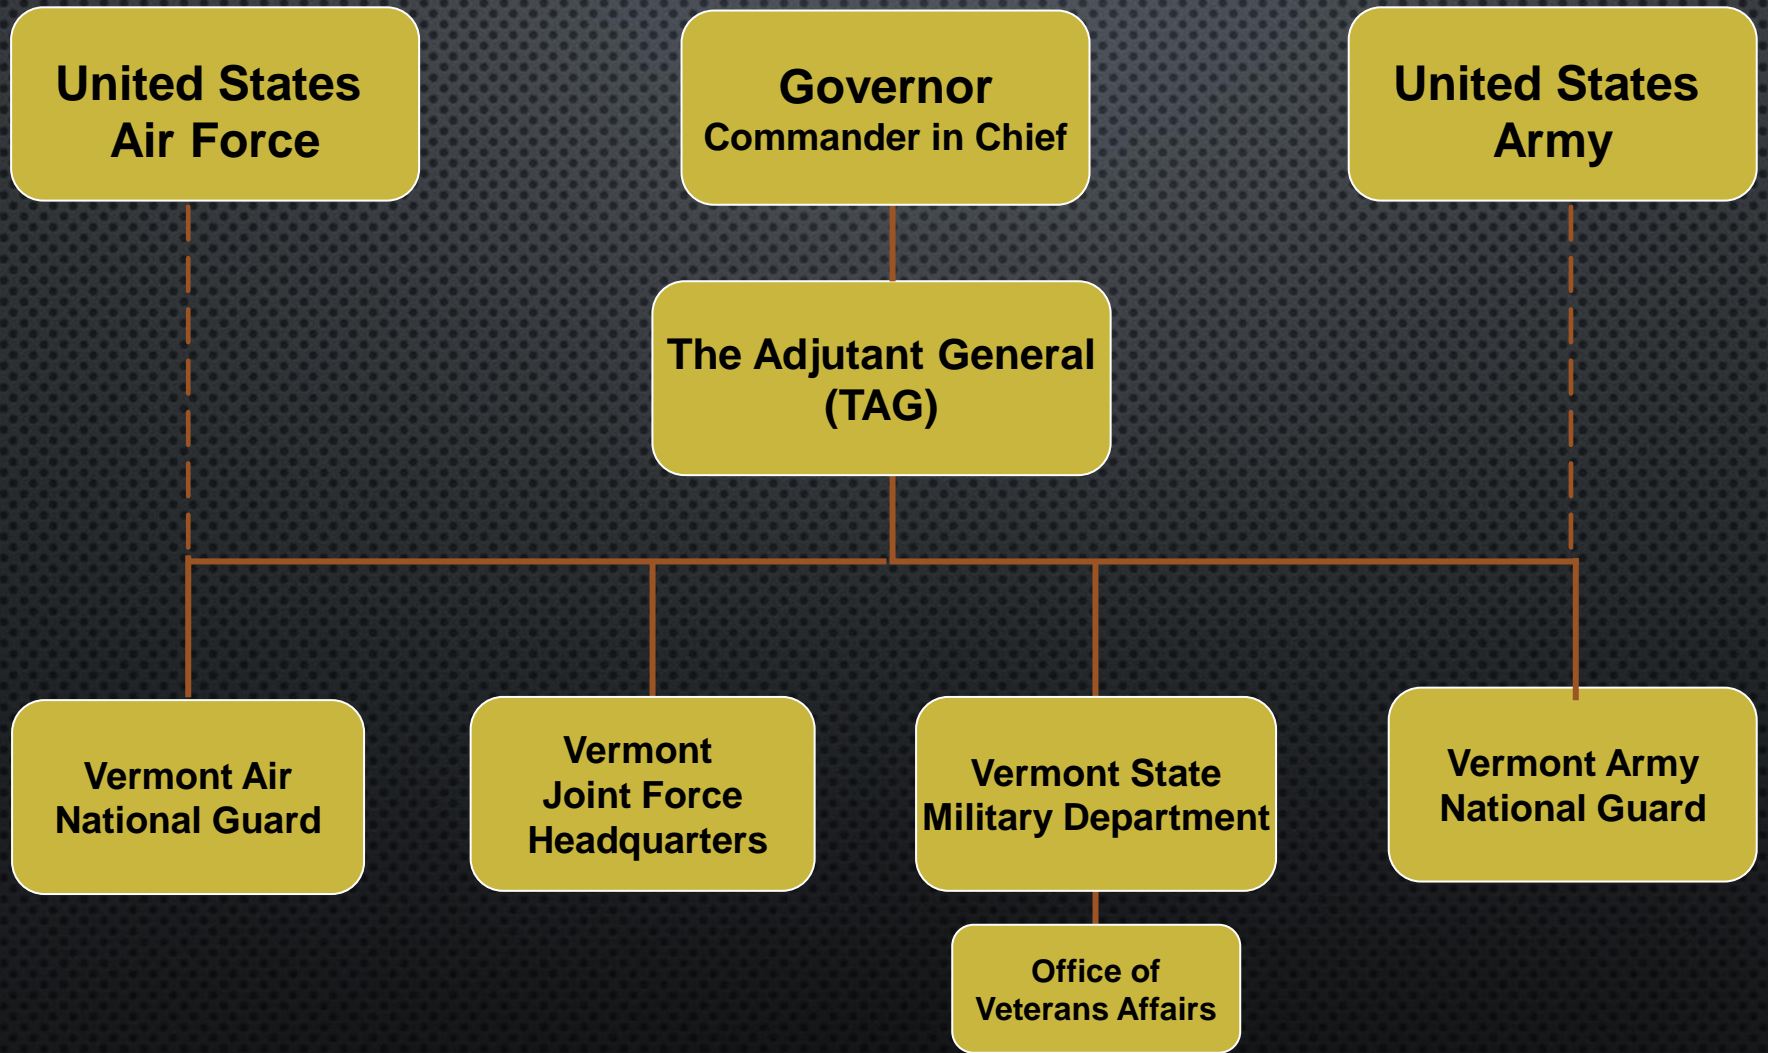

Vision

An organization that is fully ready, values based, professional and connected to our communities

Values

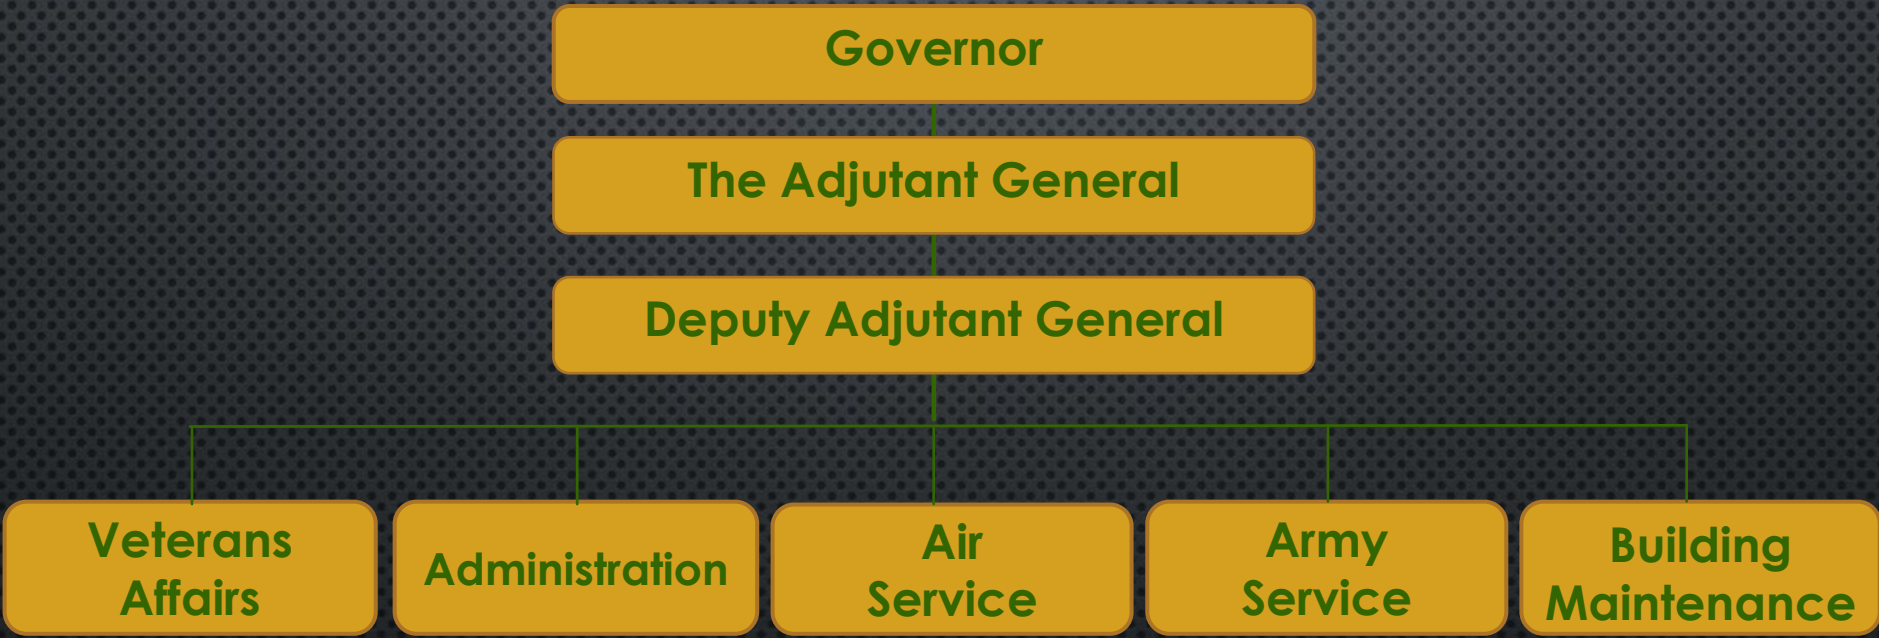

Integrity ✦ Excellence ✦ Selfless Service
