

29 VSA section 165 is amended to read:

(e) The Commissioner of Buildings and General Services shall maintain an inventory of all State-owned buildings and land and shall biannually compile and update the information received under subsection (g) of this section, which shall be considered once available in making spacing allocations and designating uses under subsection (c) of this section.

(f) The Commissioner of Buildings and General Services shall maintain an inventory and provide any known information on all existing rights-of-way, including all conduits, ducts, passages, or attachments available, granted to, or presently used by telecommunications carriers. The inventory shall describe the ownership of such rights-of-way and the used and existing capacity thereof.

(g) The head of each agency shall prepare and forward to the Commissioner of Buildings and General Services when requested by the Commissioner in a format prescribed by the Commissioner an inventory of: square footage available for use; square footage in actual use; square footage not in use; square footage used for storage; square footage that is unfinished; cost per square foot for rent; cost per square foot for operation and maintenance; and the source of funds for rent, operation, and maintenance, including the act and section numbers of a legislative directive if applicable. The format prescribed by Commissioner will include information regarding whether buildings are vacant or land is not needed for State purposes.
